The Department issues hardship permits only for employment, seeking employment, alcohol/drug/gambling treatment, medical treatment required on a regular basis, and necessary services.

The Department cannot issue a permit that authorizes operation of a commercial motor vehicle.

If the person is subject to a hardship permit wait time under ORS [807.240\(8\)\(f\)](#) or [813.520](#), the Department cannot issue a permit until the wait time is served.

List of qualifications is found in ORS [807.240\(3\)](#).

If issued, the permit is generally valid for a period equal to or less than the period of suspension or revocation, or until the permit holder submits proof of DUII treatment completion.

Driving outside of permit driving restrictions results in a DWS Violation, Misdemeanor or Felony charge depending on the underlying suspension. If the Department issued the permit for DUII treatment, driving outside of permit restrictions results in the offense described in ORS 807.010.

Upon receiving a report of violation of permit restrictions or conditions, the Department will revoke such permit ([OAR 735-064-0110](#)).
