

Sanctuary Promise Hotline Reports

Oregon law provides:

- The Oregon Criminal Justice Commission publishes data from the Oregon Department of Justice Sanctuary Promise Hotline.¹
- The website cannot contain any personally identifiable information.²
- Information and data that *may* reveal the identity of an individual involved in an incident are exempt from public disclosure.³ Identifying information provided in a public body's response will be redacted, and this may include information in a police report or booking record. If the document cannot be sufficiently redacted to protect the identity of individuals, the document as a whole will not be released.
