Midstate Electric Cooperative Clean Fuels Program Revenue Report

5/4/2023

In 2022 Midstate Electric Cooperative (MEC) had one Clean Fuels Program transaction, selling 606 credits for a total of \$72,114.00.

This funded the following:

- EV suite on website (\$9600)
- Forth Membership (\$1500)
- National Drive Electric Week Event (\$200)
- MEC EV registration rebates (\$6900)

The remainder of the funds were rolled over into 2023 and went towards buying L2 EV chargers that we will be distributing to MEC members free of charge.
