# System overview

The Oregon Department of Environmental Quality has instituted the use of a modernized, cloud-based tool for a selection of compliance programs within the agency and several business processes that involve the public and regulated entities.

[Your DEQ Online](#) is an Environmental Data Management System designed to combine current DEQ processes across air, land and water divisions in one convenient and easily accessible portal. The system enables users to submit applications, upload reports, enter data, check the status of applications, pay fees or fines, and manage account activity. In addition, the system allows for greater public access to environmental data without the need to request this information from DEQ staff.

# Getting started in YDO

To apply for a solid waste disposal site permit, you must have a Responsible Official account and have the Solid Waste submittal group selected. If you already have this account type and submittal group selected, you can skip to the next section. If you do not already have a Responsible Official account, the [Public Account Registration and Management Guide](#) has instructions to create one. For additional information and tools, visit [Your DEQ Online Account Registration](#) website.

To add Solid Waste to an existing account, click your name in the top right corner.

In the panel that opens, click the Go to my account icon 

Click the Account Type tab

Scroll down to the Submittal Groups section, check the Solid Waste box and click the Save icon .

## Introduction

This document provides information necessary for completing the DEQ-approved solid waste disposal site permit application for an Incineration or Energy Recovery Facility in [Your DEQ Online](#).

The information in this user guide is grouped by permit action type (new, renew, amend (aka modification), and termination). Select the permit action you would like to complete to access the relevant instructions:

- [New](#)
- [Renew or Amend \(modification\)](#)
- [Termination](#)

# 1. New permit application instructions

## 1.1 How to find the Solid Waste-Disposal Site Permit Application

Login to your account on the [Your DEQ Online Public Portal](#).

In the top left-hand corner of the Dashboard, click the menu icon  to the left of “Dashboard”. Click the Start New Submittal icon  to create a new submittal.

In the Keywords feature, enter the first letters of the submittal form you want to complete. For this submittal, DEQ recommends “Disposal.” Once your submittal form has appeared, click the Create New Application icon  on the right side of the screen.

## 1.2 Important things to know before you start your application

**The system uses a lot of icons.** If you're curious about what an icon means, hover over it with your cursor.

**Unsaved entries will be lost.** To avoid losing your work, click the Save icon  (bottom right) frequently and before leaving the submittal.

**Take note of the Submittal ID number.** After clicking the Save icon  the submittal will be assigned a unique Submittal ID number  (top left)

**How to find submittals you are still working on.** If you leave this submittal at any time after clicking the Save icon  and before submitting, you will need to open the Pending Submittals module (directly below Start New Submittal) and search for the Submittal ID number  in the top left corner to continue.

## 1.3 Basic Info tab

These instructions are for completing the Basic Info tab for a solid waste disposal site permit application for a new incineration or energy recovery facility.

### 1.3.1 Type of permit requested section

At this point, all sections within the Basic Info tab should be complete. Click the Save icon . If the red warning icon  still appears next to Basic Info tab, review sections to ensure all required information has been entered.

## 1.4 Attachment tab

On the right side of the screen, a list of required and optional attachments is displayed . A red asterisk \* next to an attachment indicates that it is required.

The screenshot shows the 'Attachment' tab selected in a navigation bar with five items: Basic Info, Attachment (active), Payment, Review, and Submission. Below the navigation bar is an instruction box with a red asterisk icon and text: 'Make sure you upload all required (\*) attachments. Please refer to side panel on the right for more detailed information.' Below this is a paragraph: 'When uploading an attachment, first click the file record and select a document type option for the uploaded file. If you want to mail the documents to the authorized agency, please navigate to the Review tab and use the "Mail To" checkbox.' At the bottom of the main area is a large dashed box with the text 'Click to Upload or Drag Files Over Here'. On the right side, there is a side panel titled 'Attachment Types' with a close button. It contains a legend: '\* represents required attachments.' and a section titled '\* Adjacent Property Owners' with the text 'List of adjacent property owners'. Below this are two rows of buttons: the first row has gif, jpg, jpeg, png, pdf; the second row has doc, docx, xls, xlsx.

Each attached document must be:

- labeled with a document type
- a file type (PDF, excel, etc.) listed in the right-hand navigation pane

**NOTE:** If you are experiencing issues uploading or attaching your document, contact your [regional permit coordinator](#) for assistance.

There are two ways to add attachment(s):

- Click to Upload or Drag Files Over Here bar which opens a document detail box that allows you to select a document(s) to attach/upload; or
- Drag and Drop the files anywhere on the Attachment Tab page.

This screenshot is similar to the previous one, showing the 'Attachment' tab. The navigation bar has four items: Basic Info, Attachment (active), Review, and Submission. The instruction box and paragraph are the same. The 'Click to Upload or Drag Files Over Here' bar at the bottom is now highlighted with a blue border.

Once uploaded, click the document and a “Select Document Type” dropdown will appear. Click the dropdown for a list of document types.

The screenshot shows a web interface for uploading documents. At the top, a file named "DetailedPlans for low risk disposal site determination.pdf" is listed with a PDF icon, a "New" label, and metadata (v1, PDF, 16 KB, 5/28/2025). Below the file list is a yellow instruction bar: "Click on the document to identify the attachment type." On the left, a sidebar shows a PDF icon and a "New" label. The main area features a "Select Document Type" dropdown menu. The dropdown is open, showing a search bar and a list of document types: "\* Adjacent Property Owners", "- Certification of Business Registry", "- Description of Modifications", and "\* Detailed Plans and Specifications".

Enter a brief description of the document in the “Comments” field and click the Save icon  (bottom right) to successfully upload the attachment.

The screenshot shows the document upload interface after a file named "LUCS.pdf" has been uploaded. The file list at the top shows "LUCS.pdf" with a PDF icon, a "New" label, and metadata (v1, PDF, 16 KB, 5/28/2025). Below the file list is a yellow instruction bar with a red warning icon and text: "Make sure you upload all required (\*) attachments. Please refer to side panel on the right for more detailed information." Below the instruction bar is a text area with the following text: "When uploading an attachment, first click the file record and select a document type option for the uploaded file. If you want to mail the documents to the authorized agency, please navigate to the Review tab and use the 'Mail To' checkbox." Below the text area is a table with two columns: "Files Names" and "File Info/ Updated Date". The table has one row with the file "LUCS.pdf" and its metadata. Below the table is a "Select Document Type" dropdown menu. The dropdown is open, showing a search bar and a list of document types: "\* Adjacent Property Owners", "- Certification of Business Registry", "- Description of Modifications", and "\* Detailed Plans and Specifications". The "Land Use Compatibility Statement (LUCS)" option is selected. Below the dropdown is a "Comments" text area with the text "2025 signed Land Use Compatibility Statement". At the bottom right, there is a "Save" icon (a red circle with a white document icon) and a "1 Results" button.

**NOTE:** If you have saved a document with an incorrect document type or format, you will have to delete the document using the Delete icon  on the upper right and re-attach the document to select the correct document type.

The screenshot shows the 'Attachment' tab in a permit application system. At the top, there are five tabs: 'Basic Info', 'Attachment', 'Payment', 'Review', and 'Submission'. Below the tabs, a yellow banner contains two red warning messages: 'Make sure you upload all required (\*) attachments. Please refer to side panel on the right for more detailed information.' and 'The file extensions of some uploaded files do not comply with the required upload specifications.' Below the banner, a table lists uploaded files. The first file is 'LUCS.docx', labeled 'New'. It has a 'DOCX' icon, a size of '13 KB', and a date of '5/12/2025'. To the right of the file name is a red delete icon. Below the file name, a dropdown menu shows 'Doc Type' set to 'Land Use Compatibility Statement (LUCS)'. A blue box highlights a red warning message: 'The file extension does not comply with the required upload specifications. Please refer to side panel on the right for more detailed information.' A blue arrow points from this message to the delete icon.

Once the required attachments are uploaded, labeled and saved, the red warning icon  will disappear. You may repeat this process to add optional or supplementary attachments.

The screenshot shows the 'Attachment' tab with two files uploaded. The first file is 'LUCS.pdf', labeled 'New'. It has a 'PDF' icon, a size of '16 KB', and a date of '5/28/2025'. The second file is 'AdjacentPropertyOwners.docx', labeled 'New'. It has a 'DOCX' icon, a size of '13 KB', and a date of '5/28/2025'. Both files have a 'Doc Type' dropdown set to 'Land Use Compatibility Statement (LUCS)'. The red warning icon is no longer present.

## 1.8 Finding your submittal in YDO

After submitting your application in YDO, you will receive an automated Submission Received email from [yourdeqonline@govonlineaas.com](mailto:yourdeqonline@govonlineaas.com).

To view your submittal in YDO, in the top left-hand corner of the Dashboard, click the menu icon  to the left of “Dashboard.” Click the Submitted Submittals icon .

In the Submitted Submittals module, your application may be at the top of the page. If it isn't, the quickest way to find your submittal is to use the Keywords feature to search for the Submittal ID number. Once you find the submittal, click the icon  on the right side of the screen.

This will open a Submitted Submittal Info screen.

## 1.9 Next steps

Below is a summary of the most common steps that occur during an incineration or energy recovery facility permit application. Depending on what is proposed in your specific application, there may be additional steps not discussed below.

### 1.9.1 Completeness reviews

Once DEQ receives your application it will be reviewed for completeness. DEQ staff will work with the Responsible Official to obtain a complete application Risk screenings.

### 1.9.2 Public notice and informational meeting

Once the application is considered complete, DEQ will issue a public notice about the receipt of your application and will schedule an informational meeting with the public. OAR [340-093-0100](http://www.oregon.gov/deq/air/docs/340-093-0100.pdf).

To view the Public Notice from your YDO account, click the menu icon  to the left of “Dashboard.” Scroll down and click the Public Records icon .

The quickest way to find a submittal is to use the Keywords feature to search for the Submittal ID number. Once you find your submittal, click the Public Notice Info icon  on the right side of the screen.

The [Your DEQ Online Public Records](#) page has additional instructions on how to use the Public Records module.

## 1.9.3 Risk screening

DEQ will review the submittal to evaluate whether the facility is considered “low risk.” For purposes of division 96 rules, a low-risk facility is one DEQ determines is not likely to generate significant amounts of residual waste materials or contamination from the operation of the facility that will remain at closure. Financial assurance will be required for facilities that are not “low risk”.

DEQ will provide the results of the screening to the RO in YDO. The evaluation letter is in the Submitted Submittals module.

### Finding the risk screening evaluation letter

In the Submitted Submittals module use the Keywords feature to search for your Submittal ID number. Once you find the submittal, click the icon  on the right side of the screen. If your submittal does not display, update the Submitted Date to the appropriate time range.

## How to find your application send back in YDO

Send Backs are in the Pending Submittal module.

Once you are ready to submit the additionally required items identified in your Send Back, the quickest way to find your submittal in the Pending Submittals module is to use the Keywords feature to search for the Submittal ID number in the Send Back email. Once you find the submittal click the Edit Submittal icon .

## How to resubmit your send back

When you are ready to update and submit the item(s) identified in the send back letter, go to each applicable tab.

- [Link to Basic tab instructions](#)
- [Link to Attachment tab instructions](#) - If you are required to update/submit a new attachment, do not delete previously submitted attachments.
- [Link to Payments tab instructions](#)
- [Link to Review tab instructions.](#)
- [Link to Submission tab instructions](#)

After submitting, you will receive an email confirming DEQ has received your submittal. If you do not receive this email or if you have issues resubmitting, contact your [regional permit coordinator](#).

### 1.9.5 Draft permit

DEQ staff will develop a draft permit package, including the draft permit, permit evaluation report, and public notice.

## 1.9.6 Site inspection

DEQ will schedule and complete a site inspection(s) before the public notice.

## 1.9.7 Courtesy review

When the draft permit is ready, DEQ may offer the applicant an opportunity to review and provide comments on the draft permit. The Draft Permit will be on the Issuance tab in the Submitted Submittals module (same location as the Facility Risk Screening Evaluation Letter). [Link to Instructions to find Issuance documents.](#)

The Draft Permit is located on the Issuance tab in the Supporting Documents section. To view the permit, download it using the Click to download file  button.

The screenshot displays the 'Submitted Submittal Info' interface. At the top, there's a header bar with navigation icons and the title 'Submitted Submittal Info'. Below this, a sub-header shows the submittal number '40391' and the status 'Complete Submittal'. A horizontal menu contains tabs: 'Submittal Summary', 'Attachment 6', 'Issuance 2', 'Email History 1', 'Payment', and 'Correspondence'. The 'Issuance' tab is selected. Under the 'Issuance Documents' section, a message states 'No record found.' Below this, the 'Supporting Documents' section lists two documents: 'Facility Risk Screening Evaluation' (1,691 KB, dated 6/4/2025, by System) and 'Draft Permit' (13 KB, dated 6/5/2025, by System). A blue arrow points to the 'Draft Permit' document, which has a 'Download' icon next to it.

## 1.9.8 Public notice and comment period

DEQ may put the draft permit package out for public notice and comment, and if appropriate, will hold a public hearing. To view the Public Notice from your YDO account, click the menu icon  to the left of "Dashboard". Scroll down and click the Public Records icon .

The quickest way to find a submittal is to use the Keywords feature to search for the Submittal ID number. Once you find your submittal, click the Public Notice Info icon  on the right side of the screen.

The [Your DEQ Online Public Records](#) page has additional instructions on how to use the Public Records module.

### 1.9.9 Response to comments

DEQ staff will respond to the comments received and if necessary, will update and finalize the permit. Any significant changes to the permit will require an additional Public Notice and Comment Period.

## 1.9.10 Final action

### Issued permits

To view your permit in YDO, click the menu icon  to the left of “Dashboard”. Click the Permits/Licenses/Certificates icon .

Once in the PLC module, the quickest way to find a permit is as follows:

- In the Keywords section, enter the permit number

### Denied permits

OAR [340-093-0110](https://www.oregon.gov/DEQ/REGISTRATION/REGISTRATION/Pages/340-093-0110.aspx) identifies scenarios that will result in the denial of a permit.

## 2. Renew or amend permit application instructions

### 2.1 How to find the Solid Waste-Disposal Site Permit renewal or amendment application

Login to your account on the [Your DEQ Online Public Portal](#).

In the top left-hand corner of the Dashboard, click the menu icon  to the left of “Dashboard”. Then click the Permits/License/Certificates icon  to find the permit you would like to renew or amend.

Once in the PLC module, the quickest way to find a permit is to:

- Enter the permit number in the Keywords section.
- Select Issued and Expired in the PLC Status.

Once your permit displays, click the More Actions icon  on the right side of the screen to display the following application options:

- Amend (aka Modification):

## 2.2 Important things to know before you start your application

**The system uses a lot of icons.** If you're curious about what an icon means, you can hover over it with your cursor.

**Unsaved entries will be lost.** To avoid losing your work, click the Save icon  (bottom right) frequently and before leaving the submittal.

**Take note of the Submittal ID number** in the top left corner. The submittal is automatically assigned a unique Submittal ID number **21584**.

**How to find submittals you are still working on.** If you leave this submittal at any time before submitting, you will need to open the  Pending Submittals module (directly below Start New Submittal) and search for the Submittal ID number **21584** in the top left corner to continue.

**Deleting accidentally created records.** If you accidentally create or change your mind about the type of application you would like to apply for, you should delete the accidental submittal (it will prevent future submittals). To do this you will need to open the  Pending Submittals module (directly below Start New Submittal) and search for the Submittal ID number **21584** in the top left corner. Click the Delete Submittal icon .

Once uploaded, click the document and a “Select Document Type” dropdown will appear. Click the dropdown for a list of document types.

The screenshot shows a web interface for uploading documents. At the top, a file named "DetailedPlans for low risk disposal site determination.pdf" is listed with a PDF icon, a "New" tag, and metadata: "v1", "PDF", "16 KB", and "5/28/2025". Below the file name is a yellow instruction bar: "Click on the document to identify the attachment type. ↓ ↓". On the left, there is a sidebar with a PDF icon and a "New" tag. The main area features a "Select Document Type" dropdown menu. The dropdown is open, showing a search bar and a list of options: "\* Adjacent Property Owners" and "- Certification of Business Registry".

Enter a brief description of the document in the “Comments” field and click the Save icon  at the bottom right of the screen to successfully upload the attachment.

The screenshot shows the same web interface as the previous one, but now with a file named "LUCS.pdf" uploaded. The file is listed with a PDF icon, a "New" tag, and metadata: "v1", "PDF", "16 KB", and "5/28/2025". Below the file name is a "Doc Type" field with the value "Land Use Compatibility Statement (LUCS)". On the left, the sidebar is the same. The main area features a "Select Document Type" dropdown menu with "Land Use Compatibility Statement (LUCS)" selected. Below the dropdown is a "Comments" text area containing the text "2025 signed Land Use Compatibility Statement". At the bottom right of the comments area, it says "(Remaining Length: 3956)". At the bottom of the screen, there is a "1 Results" button and a large red "Save" icon.

**NOTE:** If you have saved a document with an incorrect document type or format, you will have to delete the document using the Delete icon  on the upper right and re-attach the document to select the correct document type.

The screenshot shows the 'Attachment' tab in the application. At the top, there are five tabs: 'Basic Info', 'Attachment', 'Payment', 'Review', and 'Submission'. The 'Attachment' tab is active. Below the tabs, there is a yellow instruction box with two red warning icons. The first icon is followed by the text: 'Make sure you upload all required (\*) attachments. Please refer to side panel on the right for more detailed information.' The second icon is followed by the text: 'The file extensions of some uploaded files do not comply with the required upload specifications.' Below the instruction box, there is a table with columns 'Files Names' and 'File Info/ Updated Date'. The table contains one row for a file named 'LUCS.docx'. The file is labeled 'New' and 'DOC'. The 'Doc Type' is 'Land Use Compatibility Statement (LUCS)'. The file info shows 'v1', 'DOCX', '13 KB', and '5/12/2025'. A red warning icon is present in the 'File Info/ Updated Date' column. A blue arrow points to the red warning icon. Below the table, there is a yellow warning box with the text: 'The file extension does not comply with the required upload specifications. ## 3. Terminate permit application instructions

### 3.1 How to find the Solid Waste-Disposal Site Permit terminate application

Login to your account on the [Your DEQ Online Public Portal](#).

In the top left-hand corner of the Dashboard, click the menu icon  to the left of “Dashboard”. Then click the Permits/License/Certificates icon  to find the permit you would like to terminate.

Once in the PLC module, the quickest way to find a permit is to: ]

- Enter the permit number in the Keywords section.
- Select Issued and Expired in the PLC Status.

Once your permit displays, click the More Actions icon  on the right side of the screen to display the following application options:

- Amend (aka Modification) 
- Renewal 
- Terminate

## 3.2 Important things to know before you start your application

**The system uses a lot of icons.** If you're curious about what an icon means, you can hover over it with your cursor.

**Unsaved entries will be lost.** To avoid losing your work, click the Save icon  (bottom right) frequently and before leaving the submittal.

**Take note of the Submittal ID number** on the top left. The submittal is automatically assigned a unique Submittal ID number **21584**.

**How to find submittals you are still working on.** If you leave this submittal at any time before submitting, you will need to open the  Pending Submittals module (directly below Start New Submittal) and search for the Submittal ID number **21584** in the top left corner to continue.

**Deleting accidentally created records.** If you accidentally create or change your mind about the type of application you would like to apply for, you should delete the accidental submittal (it will prevent future submittals). To do this, open the  Pending Submittals module (directly below Start New Submittal) and search for the Submittal ID number **21584** in the top left corner. Click the Delete Submittal icon .

## 3.4 Attachment tab

Go to the Attachment tab to attach all required attachments to the submittal.

In the right-hand panel of the screen, there is a list of required and optional attachments. A red asterisk \* next to an attachment indicates that it is required.

Each attached document must be:

- labeled with a document type
- a file type (PDF, excel, etc.) listed in the righthand navigation pane

**NOTE:** If you encounter issues uploading or attaching your document, contact your [regional permit coordinator](#) for assistance.

There are two ways to add attachment(s):

- Click to Upload or Drag Files Over Here bar which opens a document detail box that allows you to select a document(s) to attach/upload; or
- Drag and Drop the files anywhere on the Attachment Tab page.

Once uploaded, click the document and a “Select Document Type” dropdown will appear. Click the dropdown for a list of document types.

This screenshot shows the initial upload screen for a PDF document. At the top, a header bar displays a green 'v1' status, the file name 'DetailedPlans for low risk disposal site determination.pdf', its format 'PDF', size '16 KB', and date '5/28/2025'. Below this is a yellow instruction bar: 'Click on the document to identify the attachment type.' The main area features a 'New' button with a PDF icon, a 'Select Document Type' dropdown menu, and a search bar. The dropdown menu is open, showing a list of document types: '\* Adjacent Property Owners' and '- Certification of Business Registry'.

Enter a brief description of the document in the “Comments” field and click the Save icon  at the bottom right of the screen to successfully upload the attachment.

This screenshot shows the document upload interface for a DOCX file. The top navigation bar includes tabs for '1 Basic Info', '2 Attachment', '3 Payment', '4 Review', and '5 Submission'. Below the tabs is a table header with 'Files Names' and 'File Info/ Updated Date'. The table contains one entry: 'AdjacentPropertyOwners.docx' with status 'v1', format 'DOCX', size '13 KB', and date '6/4/2025'. Below the table, the 'Doc Type' is set to 'Adjacent Property Owners'. The 'Select Document Type' dropdown is open, showing 'Adjacent Property Owners'. The 'Comments' field is highlighted with a blue border and contains the text 'excel document of adjacent property owners'. A '(Remaining Length: 3958)' indicator is visible at the bottom right of the comments field. At the bottom of the screen, there is a '1 Results' button and a red 'Save' icon.

**NOTE:** If you have saved a document with an incorrect document type or format, you will have to delete the document using the Delete icon  on the upper right and re-attach the document to select the correct document type.

The screenshot shows the 'Attachment' tab in the application. At the top, there are five tabs: 'Basic Info', 'Attachment', 'Payment', 'Review', and 'Submission'. The 'Attachment' tab is active. Below the tabs, there are two red warning messages: 'Make sure you upload all required (\*) attachments. Please refer to side panel on the right for more detailed information.' and 'The file extensions of some uploaded files do not comply with the required upload specifications.' Below these messages, there is a table with columns 'Files Names' and 'File Info/ Updated Date'. The table contains one entry: 'New LUCS.docx'. To the right of the filename, there is a green 'v1' icon, a 'DOCX' label, '13 KB', and '5/12/2025'. To the far right of the row is a red trash can icon. Below the filename, there is a 'Doc Type' dropdown menu with 'Land Use Compatibility Statement (LUCS)' selected. A blue box highlights a red warning message: 'The file extension does not comply with the required upload specifications. Please refer to side panel on the right for more detailed information.' A blue arrow points from this message to the trash can icon.

Once the required attachments are uploaded, labeled and saved, the red warning icon  will disappear. You may repeat this process to add any optional or supplementary attachments.

The screenshot shows the 'Attachment' tab in the application. At the top, there are five tabs: 'Basic Info', 'Attachment', 'Payment', 'Review', and 'Submission'. The 'Attachment' tab is active. Below the tabs, there is an 'Instruction' dropdown menu. Below the instruction, there is a table with columns 'Files Names' and 'File Info/ Updated Date'. The table contains one entry: 'AdjacentPropertyOwners.docx'. To the right of the filename, there is a green 'v1' icon, a 'DOCX' label, '13 KB', and '6/4/2025'. To the far right of the row is a red trash can icon. Below the filename, there is a 'Doc Type' dropdown menu with 'Adjacent Property Owners' selected.
