System overview

The Oregon Department of Environmental Quality has instituted the use of a modernized, cloud-based tool for a selection of compliance programs within the agency and several business processes that involve the public and regulated entities.

[Your DEQ Online](#) is an Environmental Data Management System designed to combine current DEQ processes across air, land and water divisions in one convenient and easily accessible portal. The system enables users to submit applications, upload reports, enter data, check the status of applications, pay fees or fines, and manage account activity. In addition, the system allows for greater public access to environmental data without the need to request this information from DEQ staff.

Getting started in YDO

To apply for a solid waste disposal site permit, you must have a Responsible Official account and have the Solid Waste submittal group selected. If you already have this account type and submittal group selected, you can skip to the next section. If you do not already have a Responsible Official account, the [Public Account Registration and Management Guide](#) has instructions to create one. For additional information and tools, visit [Your DEQ Online Account Registration](#) website.

To add Solid Waste to an existing account, click your name in the top right corner.

In the panel that opens, click the Go to my account icon 

Click the Account Type tab

Scroll down to the Submittal Groups section, check the Solid Waste box and click the Save icon .

Introduction

This document provides information necessary for completing the DEQ-approved solid waste disposal site permit application for a solid waste treatment facility in [Your DEQ Online](#).

The information in this user guide is grouped by permit action type (new, renew, amend (aka modification), and termination). Select the permit action you would like to complete to access the relevant instructions:

- [New](#) - Additional Resources needed to complete this application are in the [Attachments for solid waste treatment facility](#) section of this document.
- [Renew or amend \(modification\)](#)
- [Termination](#)

1. New permit application instructions

1.1 How to find the Solid Waste-Disposal Site Permit Application

Login to your account on the [Your DEQ Online Public Portal](#).

In the top left-hand corner of the Dashboard, click the menu icon  to the left of “Dashboard”. Click the Start New Submittal icon  to create a new submittal.

In the Keywords section, enter the first letters of the submittal form you want to fill out. For this submittal DEQ recommends “Disposal”. Once your submittal form has appeared, click the Create New Application icon  on the right side of the screen.

1.2 Important things to know before you start your application

The system uses a lot of icons. If you're curious about what an icon means, hover over it with your cursor.

Unsaved entries will be lost. To avoid losing your work, click the Save icon  (bottom right) frequently and before leaving the submittal.

Take note of the Submittal ID number. After clicking the Save icon  the submittal will be assigned a unique Submittal ID number . It is in the top left corner.

How to find submittals you are still working on. If you leave this submittal at any time after clicking the Save icon  and before submitting, you will need to open the Pending Submittals module (directly below Start New Submittal) and search for the Submittal ID number  in the top left corner to continue.

1.3 Basic Info tab

These instructions are for completing the Basic Info tab for a solid waste disposal site permit application for a new solid waste treatment facility permit.

When uploading an attachment, first click the file record and select a document type option for the uploaded file. If you want to mail the documents to the authorized agency, please navigate to the Review tab and use the "Mail To" checkbox.

Click to Upload or Drag Files Over Here

Once uploaded, click the document and a “Select Document Type” dropdown will appear. Click the dropdown for a list of document types.

The screenshot shows a web interface for uploading documents. At the top, a file named "DetailedPlans for low risk disposal site determination.pdf" is listed with a PDF icon, a "New" tag, and metadata (v1, PDF, 16 KB, 5/28/2025). Below the file list is a yellow instruction bar: "Click on the document to identify the attachment type." On the left, a sidebar shows a PDF icon and a "New" tag. The main area features a "Select Document Type" dropdown menu. The dropdown is open, showing a search bar and a list of options: "* Adjacent Property Owners", "- Certification of Business Registry", "- Description of Modifications", and "* Detailed Plans and Specifications".

Enter a brief description of the document in the “Comments” field and click the Save icon  at the bottom right of the screen to successfully upload the attachment.

The screenshot shows the same web interface, but now a file named "LUCS.pdf" is listed with a PDF icon, a "New" tag, and metadata (v1, PDF, 16 KB, 5/28/2025). Below the file list is a yellow instruction bar with a red icon and text: "Make sure you upload all required (*) attachments. Please refer to side panel on the right for more detailed information." Below this is a paragraph of text: "When uploading an attachment, first click the file record and select a document type option for the uploaded file. If you want to mail the documents to the authorized agency, please navigate to the Review tab and use the 'Mail To' checkbox." Below the text is a table with two columns: "Files Names" and "File Info/ Updated Date". The table has one row with the file "LUCS.pdf" and its details. Below the table is a "Select Document Type" dropdown menu. The dropdown is open, showing a search bar and a list of options: "* Adjacent Property Owners", "- Certification of Business Registry", "- Description of Modifications", and "* Detailed Plans and Specifications". The "Land Use Compatibility Statement (LUCS)" option is selected. Below the dropdown is a "Comments" text area with the text "2025 signed Land Use Compatibility Statement". At the bottom right, there is a "1 Results" button and a red "Save" icon.

NOTE: If you have saved a document with an incorrect document type or format, you must delete it using the Delete icon  on the upper right and re-attach the document to select the correct document type.

The screenshot shows the 'Attachment' tab of the permit application system. At the top, there are five tabs: '1 Basic Info', '2 Attachment', '3 Payment', '4 Review', and '5 Submission'. Below the tabs, a yellow banner contains two red warning icons and text: 'Make sure you upload all required (*) attachments. Please refer to side panel on the right for more detailed information.' and 'The file extensions of some uploaded files do not comply with the required upload specifications.' Below this, a message states: 'When uploading an attachment, first click the file record and select a document type option for the uploaded file. If you want to mail the documents to the authorized agency, please navigate to the Review tab and use the "Mail To" checkbox.'

The file list shows one entry: '1 New LUCS.docx'. To the right of the filename are labels: 'v1', 'DOCX', '13 KB', and '5/12/2025'. Below the filename is a 'Doc Type' dropdown menu set to 'Land Use Compatibility Statement (LUCS)'. To the right of the file entry is a red trash icon. A blue arrow points to this icon. A yellow box with a red border highlights the error message: 'The file extension does not comply with the required upload specifications. Please refer to side panel on the right for more detailed information.'

Once the required attachments are uploaded, labeled and saved, the red warning icon  will disappear. You may repeat this process to add any optional or supplementary attachments.

1.8 Finding your submittal in YDO

After submitting your application in YDO, you will receive an automated Submission Received email from yourdeqonline@govonlineaas.com.

To view your submittal in YDO, in the top left-hand corner of the Dashboard, click the menu icon  to the left of “Dashboard”. Click the Submitted Submittals icon .

In the Submitted Submittals module, your application may be at the top of the page. If it isn't, the quickest way to find your submittal is to use the Keywords feature to search for the Submittal ID number. Once you find the submittal, click the icon  on the right side of the screen.

This will open a Submitted Submittal Info screen.

1.9 Next steps

Below is a summary of the most common steps that occur during a solid waste treatment facility permit application. Depending on what is proposed in your specific application, there may be additional steps not discussed below.

1.9.1 Completeness reviews

Once DEQ receives your application it will be reviewed for completeness. DEQ staff will work with the Responsible Official to obtain a complete application and evaluate the expected Public Notice and Participation Category. If your application is elevated to a Category 4, there will be a Public Notice and Informational Meeting conducted before the risk screening. OAR [340-093-0100](https://www.oregon.gov/deq/air/docs/2017-01-03%20-%2040-CFR%20-%20191%20-%20Public%20Notice%20-%20Informational%20Meeting%20-%20Final%20-%202017-01-03.pdf)

1.9.2 Risk screening

DEQ will review the submittal to evaluate whether the facility is considered “low risk”. For purposes of division 96 rules, a low-risk facility is one DEQ determines is not likely to generate significant amounts of residual waste materials or contamination from the operation of the facility that will remain at closure. Financial assurance will be required for facilities that are not “low risk”.

DEQ will provide the results of the screening to the RO in YDO. The evaluation letter is in the Submitted Submittals module.

Finding the risk screenings evaluation letter

In the Submitted Submittals module use the Keywords feature to search for your Submittal ID. Once you find the submittal, click the icon  on the right side of the screen. If your submittal does not display, update the Submitted Date to the appropriate time range.

This will open a Submitted Submittal Info screen. Click the Issuance tab.

The Facility Risk Screening Evaluation letter is in the Supporting Documents section. To view the letter, download it by clicking the icon .

1.9.3 What to do if you receive a send back email

Scenarios that will result in a Send Back include, but are not limited to:

- **Administratively Incomplete Submittal**
OAR [340-093-0070](#)

In each scenario you will receive an email with an attachment explaining DEQ's findings and instructions.

How to find your application send back in YDO

Send Backs are in the Pending Submittal module.

Once you are ready to submit the additionally required items identified in your Send Back, the quickest way to find your submittal in the Pending Submittals module is to use the Keywords feature to search for the Submittal ID number in the Send Back email. Once you find the submittal click the Edit Submittal icon .

How to resubmit your send back

When you are ready to update and submit the item(s) identified in the send back letter, go to each applicable tab.

- [Link to Basic tab instructions](#)
- [Link to Attachment tab instructions](#) - If you are required to update/submit a new attachment, do not delete previously submitted attachments
- [Link to Payments tab instructions](#)
- [Link to Review tab instructions](#)
- [Link to Submission tab instructions](#)

After submitting, you will receive an email confirming DEQ has received your submittal. If you do not receive this email or if you have issues resubmitting, contact your [regional permit coordinator](#).

1.9.4 Draft permit

DEQ staff will develop a draft permit package, including the draft permit, permit evaluation report, and public notice.

1.9.5 Site inspection

DEQ will schedule and complete a site inspection(s) before the public notice.

1.9.6 Courtesy review

When the draft permit is ready, DEQ may offer the applicant an opportunity to review and provide comments. The Draft Permit will be on the Issuance tab in the Submitted Submittals.

Finding the courtesy review draft permit

In the Submitted Submittals module use the Keywords feature to search for your Submittal ID. Once you find the submittal, click the icon  on the right side of the screen. If your submittal does not display, update the Submitted Date to the appropriate time range.

The screenshot shows the 'Submitted Submittals' interface. On the left, there is a search bar with 'Keywords' and 'Submitted Date' filters. The 'Keywords' filter is set to '21588'. The main area displays details for 'Example Solid Waste Permitted Disposal Site' with a submittal ID of 21588. A blue arrow points to the 'Keywords' search bar, and another blue arrow points to the 'Eye' icon on the right side of the submittal card.

This will open a Submitted Submittal Info screen. Click the Issuance tab.

The screenshot shows the 'Submitted Submittal Info' screen. The top bar shows the submittal ID 40395 and the status 'Complete Submittal'. The 'Issuance' tab is selected, showing a 'Payment Due' status. A blue arrow points to the 'Issuance' tab.

The Draft Permit is in the Supporting Documents section. To view the permit, download it by clicking the icon .

2.2 Important things to know before you start your application

The system uses a lot of icons. If you’re curious about what an icon means, you can hover over it with your cursor.

Unsaved entries will be lost. To avoid losing your work, click the Save icon  (bottom right) frequently and before leaving the submittal.

Take note of the Submittal ID number. The submittal is automatically assigned a unique Submittal ID number . It is in the top left corner.

How to find submittals you are still working on. If you leave this submittal at any time before submitting, you will need to open the  Pending Submittals module (directly below Start New Submittal) and search for the Submittal ID number  in the top left corner to continue.

Deleting accidentally created records. If you accidentally create or change your mind about the type of application you would like to apply for, you should delete the accidental submittal (it will prevent future submittals). To do this you will need to open the  Pending Submittals module (directly below Start New Submittal) and search for the Submittal ID number  in the top left corner. Click the Delete Submittal icon .

3.2 Important things to know before you start your application

The system uses a lot of icons. If you’re curious about what an icon means, you can hover over it with your cursor.

Unsaved entries will be lost. To avoid losing your work, click the Save icon  (bottom right) frequently and before leaving the submittal.

Take note of the Submittal ID number. The submittal is automatically assigned a unique Submittal ID number  in the top left corner.

How to find submittals you are still working on. If you leave this submittal at any time before submitting, you will need to open the  Pending Submittals module (directly below Start New Submittal) and search for the Submittal ID number  in the top left corner to continue.

Deleting accidentally created records. If you accidentally create or change your mind about the type of application you would like to apply for, you should delete the accidental submittal (it will prevent future submittals). To do this you will need to open the  Pending Submittals module (directly below Start New Submittal) and search for the Submittal ID number  in the top left corner. Click the Delete Submittal icon .

3.4 Attachment tab

Go to the Attachment tab to attach all required attachments to the submittal.

In the right-hand panel of the screen, there is a list of required and optional attachments. A red asterisk * next to an attachment indicates that it is required.

Each attached document must be:

- labeled with a document type
- a file type (PDF, excel, etc.) listed in the right-hand navigation pane

NOTE: If you are experiencing issues uploading or attaching your document, contact your [regional permit coordinator](#) for assistance.

There are two ways to add attachment(s):

- Click to Upload or Drag Files Over Here bar which opens a document detail box that allows you to select a document(s) to attach/upload; or
- Drag and Drop the files anywhere on the Attachment Tab page.

Once uploaded, click the document and a “Select Document Type” dropdown will appear. Click the dropdown for a list of document types.

This screenshot shows the initial upload screen for a PDF document. At the top, a header bar displays a green 'v1' status, the file name 'DetailedPlans for low risk disposal site determination.pdf', its format 'PDF', size '16 KB', and date '5/28/2025'. Below this, a yellow instruction bar says 'Click on the document to identify the attachment type.' The main area features a 'New' button with a PDF icon, a 'Select Document Type' dropdown menu, and a search bar. The dropdown menu is open, showing a list of document types: '* Adjacent Property Owners' and '- Certification of Business Registry'.

Enter a brief description of the document in the “Comments” field and click the Save icon  at the bottom right of the screen to successfully upload the attachment.

This screenshot shows the document upload interface for a DOCX file. The top navigation bar includes tabs for 'Basic Info', 'Attachment', 'Payment', 'Review', and 'Submission'. Below the navigation bar, a header bar shows a green 'v1' status, the file name 'AdjacentPropertyOwners.docx', its format 'DOCX', size '13 KB', and date '6/4/2025'. The main area features a 'New' button with a DOCX icon, a 'Select Document Type' dropdown menu, and a 'Comments' text area. The dropdown menu is open, showing a list of document types: '* Adjacent Property Owners' and '- Certification of Business Registry'. The 'Comments' text area contains the text 'excel document of adjacent property owners' and a '(Remaining Length: 3958)' indicator. At the bottom right, a '1 Results' button and a 'Save' icon are visible.

NOTE: If you have saved a document with an incorrect document type or format, you will have to delete the document using the Delete icon  on the upper right and re-attach the document to select the correct document type.

The screenshot shows the 'Attachment' tab in a permit application system. At the top, there are five tabs: 'Basic Info', 'Attachment', 'Payment', 'Review', and 'Submission'. The 'Attachment' tab is active. Below the tabs, there are two red warning messages: 'Make sure you upload all required (*) attachments. Please refer to side panel on the right for more detailed information.' and 'The file extensions of some uploaded files do not comply with the required upload specifications.' Below these messages, there is a table of uploaded files. The table has two columns: 'Files Names' and 'File Info/ Updated Date'. The first row shows a file named 'New LUCS.docx' with a 'DOCX' extension, '13 KB' size, and '5/12/2025' date. To the right of the file name is a red trash can icon. Below the file name, there is a dropdown menu for 'Doc Type' with 'Land Use Compatibility Statement (LUCS)' selected. A red box highlights the error message: 'The file extension does not comply with the required upload specifications. Please refer to side panel on the right for more detailed information.'

Once the required attachments are uploaded, labeled and saved, the red warning icon  will disappear. You may repeat this process to add any optional or supplementary attachments.

The screenshot shows the 'Attachment' tab in a permit application system. At the top, there are five tabs: 'Basic Info', 'Attachment', 'Payment', 'Review', and 'Submission'. The 'Attachment' tab is active. Below the tabs, there is an 'Instruction' section with a dropdown arrow. The instruction text reads: 'When uploading an attachment, first click the file record and select a document type option for the uploaded file. If you want to mail the documents to the authorized agency, please navigate to the Review tab and use the "Mail To" checkbox.' Below the instruction, there is a table of uploaded files. The table has two columns: 'Files Names' and 'File Info/ Updated Date'. The first row shows a file named 'AdjacentPropertyOwners.docx' with a 'DOCX' extension, '13 KB' size, and '6/4/2025' date. To the right of the file name is a red trash can icon. Below the file name, there is a dropdown menu for 'Doc Type' with 'Adjacent Property Owners' selected.

NOTE: To [mail](#), [email](#), or [FTP](#) the documents to DEQ, go to the Review tab and check the "Mail To" box.

The screenshot shows the 'Review' tab selected in a navigation bar with five items: 1 Basic Info, 2 Attachment, 3 Payment, 4 Review (highlighted), and 5 Submission. Below the navigation bar, there are two main sections: 'Mandatory Attachment' and 'Uploaded Attachment'. The 'Mandatory Attachment' section has a red warning box stating 'Missing required attachment.' Below this is a checkbox labeled 'Select All Mail to'. Further down, there is a section for '* Adjacent Property Owners' with a list of adjacent property owners and a grid of file format buttons: gif, jpg, jpeg, png, pdf, and doc. To the right of this grid is a checkbox labeled 'Mail to' with a blue arrow pointing to it. The 'Uploaded Attachment' section shows 'No record.'

3.5 Payment tab

No payment is due for terminate applications

3.6 Review tab

Review your submittal information and any attachments provided. If the red warning icon  is present next to the Basic Info tab or Attachment tab, return to those tabs and make the necessary changes to remove the red warning icon . If you are unable to find the issue, contact your [regional permit coordinator](#).

The screenshot shows the 'Review' tab selected in a navigation bar with five items: 1 Basic Info, 2 Attachment, 3 Payment, 4 Review (highlighted), and 5 Submission. Below the navigation bar, there is a yellow warning box stating: 'Please review your submittal info and any attachments provided. If needed, please click on the Basic Info Tab or Attachment Tab to make changes to your submission.' Below this is a section titled 'Submittal Form(s) Summary'. Inside this section, there is a green box with a printer icon and text: 'Click on the print icon () to view/save/print the submittal data entry form. Please see the data validation result below to see if the "required" data are entered.' Below the green box, there is a red 'X' icon and the text 'Basic Info'. At the bottom, there is a section titled 'Fees/Payments' with a table showing the fee status:

Fee	Paid	Balance
\$ 0.00	\$ 0.00	\$ 0.00

3.7 Submission tab

Review the Certification Statement and check the box to confirm that you have read and agree to its terms. Then click Submit at the bottom of the Submission tab to complete your facility’s permit application.
