

OREGON YOUNG PEOPLE:

Up to a year of **FREE** support from an InsideTrack Education & Career Coach!

This is an opportunity to hone in on your school and career goals, navigate the journey to your next step, highlight which strengths you're going to lean into, identify community assistance resources, prioritize challenges you may be facing, and manage unexpected obstacles to achieving your goals.

The program includes monthly virtual gatherings hosted by FosterClub as well as an InsideTrack coach who will be available to meet with you on your schedule via phone, videoconference, text, and/or email.

Register Today:

An InsideTrack Education & Career Coach can help you:

- Earn your high school diploma or GED
- Get to college, or succeed in college if you are already enrolled
- Explore or enroll in vocational training programs
- Find out about where to go for help for your needs
- Have a sounding board as you set goals for your future
- Have an accountability partner for making progress on your dreams
- Connect with a professional coach and a group of like-minded peers

Who's Eligible:

- Experienced foster care
- Currently lives in Oregon, or was in foster care in Oregon
- Currently age 16-26
- Limited space is available - apply today!
