Questions asked during news hour

- **Does weekly testing have to be done in a lab?**
- They can do quick tests, but they still must report to county and county may ask for a PCR
-
- **Where can we obtain a list of all policy analysts and their area?**
- Ask PA and they will send you one. We do not cover areas it is divided by Company.
-
-
- **Are volunteers allowed in any facility yet?**
- As employees, yes. Only if essential to the facility.
-
- **Did you answer the question on loosening visitation? Our residents really want to see family.**
- The management team is currently working on it.
-
- **Any update on when surveys will begin again?**
- Surveys have begun, but at a slow ramp up due to covid.

Questions asked during news hour

- **For weekly testing should we use the quick Card testing or lab-based testing?**
- SOQ would need to know what you are using and how you are communicating with public health. We have been told that either is ok, but make sure to communicate with public Health what you are using.
-
- **Is ODHS currently working on a plan to relax visitor restrictions once a building has been vaccinated?**
- I am sure they are talking about it. We have not heard yet.
-
- **For someone working other centers with outbreaks and if services can be done, like bath aid etc can you negotiate whether they come in.**
- Yes, it should be. Please talk to your policy analyst on more specifics.
-
- **We were told by our policy analyst that an agreement with the HH & Hospice agency to comply with the rule would suffice.**
- If this is related to testing, yes that would work.
