

Restraint and Involuntary Seclusion Report

Instructions: As required by Oregon Senate Bill 710, adopted during in the 2021 regular session, quarterly reports must be completed and submitted to the Children's Care Licensing Program (CCLP) regarding restraints and involuntary seclusions of children in care. Reports must also be posted on the Child Caring Agency's website, if applicable, and must be provided to any member of the public upon request.

Submit reports to cclp.licensing@dhsosha.state.or.us.

Agency Name	Trillium Family Services
Site or Program Name	Edwards Day Treatment Program
Reporting time frame (indicate which quarter in months and year).	January 2023-March 2023
Total number of children served by CCA during reporting time frame	49
Total number of incidents involving restraint.	12
Total number of incidents involving involuntary seclusion.	n/a
The total number of incidents involving restraint that resulted in reportable injuries.	1
The total number of incidents involving involuntary seclusion that resulted in reportable injuries.	n/a
Total number of involuntary seclusions in a locked room.	n/a
Total number of rooms available for use for involuntary seclusion.	n/a
Description of the dimensions and design of the seclusion rooms.	n/a
Total number of children in care placed in restraint.	7
Total number of children in care placed in involuntary seclusion:	n/a

Restraint and Involuntary Seclusion Report

Total number of children in care who were placed in a restraint more than three times during the reporting period.	2
Total number of children in care who were placed in involuntary seclusion more than three times during the reporting period.	n/a
A description of the steps the program has taken to decrease the use of restraint and involuntary seclusion.	• Team has had coaching tailored to behaviors from specific clients from certified Nonviolent Crisis Intervention instructors about specific clients with problem behaviors such as biting and elopement. • Increased verbal problem solving with clients before asking them to leave the classroom • Very thorough debriefs – which changed the teams interventions the next day • Changed classroom placements when it was apparent that a different classroom would be a better fit.
Number of incidents in which an individual who placed a child in care in a restraint or involuntary seclusion was not certified or trained in the use of the type of restraint or involuntary seclusion used, including individuals whose certification or training was expired at the time of the restraint or seclusion.	0

Demographic Characteristics of the children in care who the program placed in a restraint or involuntary seclusion, including race, ethnicity, gender, disability

status, migrant status, English proficiency and status as economically disadvantaged, unless the demographic information would reveal personally identifiable information about an individual child in care. Indicate the number of children who experienced restraint or seclusion who match each of the criteria listed below:

Race/Ethnicity:	Total Number of Children
American Indian or Alaska Native	
Asian	
Black or African American	2
Hispanic (any race)	1
Native Hawaiian	1
Other Pacific Islander	
White	2
Other	1
Unable to determine	

Gender:	Total Number of Children
Male	4
Female	1
Transgender	
Non-binary	
Agender/No Gender	2
Questioning	
Refused to Answer	

Disability Status:	Total Number of Children
Disabled	
Non-Disabled	7

Migrant Status:	Total Number of Children
Migrant	
Non-Migrant	7

English Proficiency:	Total Number of Children
English is primary language	7

Restraint and Involuntary Seclusion Report

English is not primary language	
---------------------------------	--

Economic Status:	Total Number of Children
Economically Disadvantaged	4
Not Economically Disadvantaged	3
