

Caregivers: Have you signed up for your state-required refresher training yet?

Xavius and Hydia

You'll need to complete it by March 31, 2022, to keep your provider number.

Learn skills to manage day-to-day challenges and make your work safer and even more rewarding.

Who needs to take the training?

Homecare and personal support workers and personal care attendants in Oregon, with a few exemptions. Visit carewellSEIU503.org/refresher to find out if it's required for you.

Once complete, you'll receive \$200 in stipends and be entered to win a monthly \$1,000 prize!

TRAINING DETAILS

- An 8-hour online refresher you'll complete at your own pace
- A 4.5-hour live online refresher workshop (available evenings and weekends)
- Carewell is here for you at every step, including support with languages other than English and help taking the training offline if you don't have access to the internet.
