Meeting notes from December 28, 2022: Summary reviewed and approved.

January agenda: Agenda reviewed and approved.

Certification report: Not reviewed.

CPR/First Aid report: Kelly Rosenau, Safety Specialist at OHCC, reported on the new option for providers, which is the virtual CPR/First Aid course offered by Emergency University. Kelly stated that the majority of the students are choosing this option and that it is going well. She works with individuals needing to take in the in-person CPR/First Aid courses.

PACE Update: Roberta Lilly, Training Manager, reported on the progress that is being made in PACE. Over 2,000 students have signed up as users on the Learning Management System. All course registration, assessments and certificate and the certification dashboards are managed here.

Conferences for training courses: Conference review was completed, and the Lincoln City conference was reported on. The upcoming conference is scheduled in Woodburn for February.

Purpose of the Training Committee: The committee reviewed the purpose of the committee and what we hope to accomplish in 2023.

Committee Chair: Rebecca Hill has served as the committee chair for a few years now and has decided to continue with an active role in the committee, but not as a chair. OHCC will look for a new chair for this committee.

Stipend Update: Candice Morley reported that stipends were up to date.

Family Caregiver: Course is delayed due to the PACE rollout. It will be started back up for development soon.
