| 11:30 | OHCC Interim Executive Director Introduction and Expectations                                                                                                                                                                                                                  | Jenny Cokeley |
| 12:00 | Break                                                                                                                                                                                                                                                                          |               |
| 12:15 | Training & Registry Unit                                                                                                                                                                                                                                                       | Roberta Lilly |
| 12:30 | Adjournment                                                                                                                                                                                                                                                                    |               |

\*Public Testimony: Any public attendee testifying at this time must sign in on the "Public Testimony Roster" and give a copy of their testimony to the Commission's minute recorder.

## Agenda - Oregon Home Care Commission Meeting – April 6, 2023

The Oregon Home Care Commission welcomes visitors to its meetings. Individuals who need any type of accommodation due to a disability should call **503-378-4984** at least 48 hours prior to the meeting.

Excerpts from the DOJ Public Records and Meetings Manual:

### PUBLIC MEETINGS Page 155

4. Public Attendance The right of public attendance guaranteed by the Public Meetings Law does not include the right to participate by public testimony or comment.

### PUBLIC MEETINGS Pages I-7

Q. Does the Public Meetings Law grant me the right to testify before a public body?

A: No, the Public Meetings Law only guarantees the public a right to monitor the meetings of public bodies; it does not grant members of the public the right to interact with public bodies during those meetings.
