Communication

Consumer, HCW and OPI Staff

Notice to OPI Consumers

OPI Consumer Information notice should be sent by the AAA on their letterhead a month prior to the OPI reassessment regarding the Assessment changes.

Suggested OPI Consumer Information for the month prior to reassessment to be sent by the AAA.
Please print and use AAA letterhead

Before your upcoming Oregon Project Independence (OPI) service review (insert date or month) we wanted to tell you about some important changes to the assessment.

Assessment Changes
Oregon Long Term Care Services are designed to help people with high care needs who need assistance on a regular basis throughout a month. Aging and People with Disabilities has changed the rules about who can get OPI long term services and support. As an example, they are increasing the number of times a person needs help each month to qualify for services. They have also changed some of the tasks that are used to determine eligibility. This means some individuals will no longer be eligible for OPI funded services and supports.

These changes may impact you. Your OPI Service Coordinator will be able to explain the changes to you and the impact after your assessment.

If you are affected by either of these changes you will be told in writing. You will be able to request a grievance if you do not think we have determined your eligibility correctly. If you lose eligibility for OPI services you will receive your OPI rights and help with the transition off OPI services.

OPI Consumers

Some HCWs and consumers may think their hours are being reduced. Because, the hours appear lower and there are less days in a pay period.

Please help to explain this to them by explaining that in creating the two week service authorizations, APD rounded up the hours so that no consumer would receive less hours caused by the change.

For example, an OPI consumer who gets 10 hours a month (120 hours a year), will now have 5 hours per pay period rather than 4.6 hours; 26 pay periods in a year totaling 130 hours a year. A total increase of 10 hours in the year.

Notice to HCWs

APD IM 17-061

On 08/28/2017 an informational email was sent to homecare workers. It informed providers that they will soon be receiving a letter in the mail providing detailed information about the planned October 1, 2017 changes.

The letter also contained FAQ information sheet. It is included in IM 17-061

<Date>

Dear HCW or PSW:

We would like to share important information with you about an upcoming change that will affect when you are paid while working as a Personal Support Worker (PSW) for mental health consumers or as a Homecare Worker (HCW) for consumers with Aging and People with Disabilities through the Department of Human Services.

Beginning Sunday, October 1, 2017, service authorization periods (i.e., pay periods) will change to every 14 days (two weeks). Each week will begin on a Sunday and end on a Saturday. This will make it easier for you and your consumer-employers to create and follow a weekly schedule and track your time. It will also mean that your payments will process on the same schedule every pay period.

Your vouchers will look the same and you will follow the same process you do now when filling out your voucher. But voucher submission deadlines and pay processing dates are changing. It is very important that you follow the new payroll calendar you will receive so you are paid on time.

The vouchers for September 2017 and prior months' vouchers will be processed on October 16, 2017 and checks/EFT will be mailed/transferred on October 17, 2017, if the vouchers are turned in by October 4, 2017.

It is our goal to help make this a smooth transition for everyone. In the following pages you will find answers to questions you may have about this change.

To help answer any questions or concerns you may have, Aging and People with Disabilities has created a hotline that will be available September 15, 2017 through November 30, 2017. Please call 844-369-4164 during regular business hours. SEIU also has a Member Resource Center you call at 1-844-503-SEIU (7348). Thank you for being a HCW and helping consumer-employers to be as

"Safety, health and independence for all Oregonians"
An Equal Opportunity Employer

independent and safe as possible in their homes and communities. Aging and People with Disabilities values the work you do.

Sincerely,

Jane-ellen Weidanz

Due to timing of upcoming changes, we are providing you this information prior to ratification of the contract between SEIU and the State of Oregon. These changes are subject to final ratification by SEIU membership.

14 day – 2 week service planning

CAPS Service Planning

Date Changes

OPI forms

Change from Monthly to 14 day – 2 week service planning

- A work week is defined as 12:00 a.m. on Sunday through 11:59 p.m. on Saturday.
- A service period will be defined as two consecutive work weeks for a total of fourteen (14) days.
- System changes due to voucher changes
 - OACCESS updated
 - Mainframe updated
 - Maximum hour Adjustments OAR 411-030-0070
 - Service Mileage may need to be re-evaluated.

Oregon ACCESS

- OA will convert to the new two week authorization when one of the following occurs:
 - A new assessment and service plan is created.
 - The current benefit is ended and a new one is started.

Oregon ACCESS

- Staff are not required to update the service plan in OA until a new assessment and service plan is created.
- However, if a service plan needs to change before an assessment occurs, there are two options

Oregon ACCESS

- End the current Benefit Plan effective the day before the change is occurring and begin a new Benefit Plan effective the day the change is effective.
 - For example, a new provider is starting for the consumer on October 15. In this case, the following action would be taken:

Benefit Eligibility and Service Planning			
Assmt Date: 08/01/2017		Valid until: 08/31/2018

Oregon ACCESS & Mainframe

- As indicated in the APD-IM-17-059, ONGO records having existing vouchers scheduled to issue past 9/30/17 will be converted to the new service period format beginning 10/1/17. The conversion is taking place 9/16-17, an IM is soon coming to describe changes in more detail. Vouchers will no longer be issued for the 1st through the 15th and the 16th through the end of the month. The new ONGO voucher will start October 1st to October 14th. The second will start on October 15th to October 28th.

Oregon ACCESS & Mainframe

Carefully review the current hours assigned to each HCW in the mainframe, HINQ,R,prime to compare against the auto conversion that took place 10/1/17. If the hours on HINQ exceed the hours in the updated service plan, either increase hours in OA or update plan to show plan change for less hours.

CAPS Assessment Reviews

Assessment and service plans must be completed prior to the ONGO auto print for the HCW vouchers. For those OPI cases, reviews will need to be done by these dates. See HCW Payroll Calendar on the APD CM Staff Tools October 2017 changes for the complete calendar and list.

HCW Service Planning Example

Service Category/Benefit	Begin Date	End Date	Status
OPI	11/01/2017	07/31/2018	Approved
OPI	07/27/2017	10/31/2017	Approved

Hours #	Begin Date	End Date	Status	Alwd	Excp
1	11/01/2017	07/31/2018	Approved	10	0

In this example, the HCW will not receive a voucher for the pay period October 29 – November 11. This is because the benefit end date is October 31

HCW Service Plan Changes

In order for the HCW to receive a voucher, the benefit dates must cover the entire pay period. One of the following actions must take place:

- A Tier 2 user (such as a manager or lead worker) must extend the benefit out; or
- Complete a new assessment and service plan prior to the start of the pay period that is crossing into next month (preferred).

Service Plan Changes

Assessment Status: Administrative Type: Title XIX SPL: 03

Worker:

Assessment Date: 10/12/2016

Valid Until: 10/31/2017

Review Before: Oct 2017

Status Reason: To Provide Adequate Notice

Details: Two Weeks - 11/1/17-11/11/17

Enter 'Two Weeks' in the Details Section.
10/1/17 – 11/11/17

If a Tier 2 user needs to extend the benefit out, put the assessment in ADMIN status and use the reason 'To Provide Adequate Notice' (A better long term solution will be developed in the future).

Service Plan Changes

Approve the benefit through the end of the pay period. In this example, the pay period ends on 11/11/2017.

Assmt Date: 10/12/2016		Valid until: 10/31/2017		Admin End Date: 11/30/2017	
Benefits					Ben Act
Service Category/Benefit		Begin Date	End Date	Status	
APD-In Home		11/01/2017	11/11/2017	Pending	
APD-In Home		10/16/2017	10/31/2017	Approved	

When this action is taken, the benefit start date from a new assessment will need to begin the day after this benefit ends. In this example, the benefit date on the new assessment must start on **11/12/17**.

Service Plan Changes

When developing a new service plan from a new assessment that involves an in-home services:

- The begin date must begin the day after the previous one ended.
- The end date must be at the end of a pay period.

Assmt Date: 10/12/2016		Valid until: 10/31/2017		Admin End Date: 11/30/2017	
Benefits				Ben Act	
Service Category/Benefit		Begin Date	End Date	Status	
APD-In Home		11/01/2017	11/11/2017	Pending	
APD-In Home		10/16/2017	10/31/2017	Approved	

Using the previous example, since the last benefit ended on 11/11/17, the new benefit will begin on 11/12/17. The end date of the benefit shall be the last full pay period of the month.

Service Mileage

APD PT 17-oXX

Financial	Task List	Service Rates
Service Mileage Authorized: 20		

- Previously displayed as 'Mileage Authorization per Month'. You may need to update the authorized mileage as appropriate for the new 14 day pay periods.
- Any mileage reimbursement authorized to a homecare worker must be based on an estimate of the maximum miles per service period required to drive to and from the destination(s) authorized in the service plan.

Monthly hours for OPI Forms and OPI Consumer Fees

Continue to use the OPI Service Agreement (SDS 0287L) and the OPI Income/Fee Determination Record (SDS 0287K). The monthly tool can be used to calculate the monthly hours from the 14 day plan to determine consumers monthly OPI cost. The total monthly cost should be updated on the OACCESS Benefits, Service tab in the OPI Mon Fee and the OPI Fee % boxes

The screenshot shows the 'Service' tab in the OACCESS system. The 'Service Benefit Detail' section includes fields for Case Nbr, Med Prog, LDS Amt, Service Request Date, and WC Consent. Below this is the 'Relocation' section with 'Relocation In Progress' and 'Relocation Completed On' fields. The 'Service Benefit Applicant(s)' section lists the Person as 'OPI CLIENT' with Case Action 'Approved', Action Eff. Date '00/00/0000', Elig Start Date '09/08/2008', Admin Rule And Reason for Action 'OPI', and Prime # 'ED400N2N'. At the bottom, the 'OPI Mon Fee' is set to '18.20' and the 'OPI Fee %' is set to '20.00'. These two fields are circled in red, with a red arrow pointing to them from the text above.
