Things to do before implementation

- Attend one of the webinars happening in March.
- Check the PTC project website for updates: PTC.Oregon.gov
- Confirm and/or update consumer contact information.

PTC contact updates

Email:

An email address is required as part of the user profile in OR PTC DCI and the system will also send messages.

Landline and/or Cell Phone:

To ensure the Telephony/OR PTC DCI Landline option works properly for applicable users, as well as those who opt for the OR PTC DCI Mobile App are able to receive text notifications when necessary.

OPI Waitlist Tool: Update

- Original timeline was delayed due to COVID.
- Workgroup will be reconvening (virtually) to address the OPI waitlist tool.
- If you would like to be part of the workgroup, please let me know by COB 3/3.

OPI OAR: Rules Advisory Committee 2021

- OPI OAR 411-032 is ready for a remodel!
- The last major amendment was completed in 2013.
- Many areas need to be clarified and updated.
- More information to come on the RAC once the permanent rule making process begins.

OPI/ONE update

Congratulations! ONE has been unveiled and rolled out statewide.

- Issues are continuing to be worked out
- Please call the ServiceDesk and start a ticket if you receive any error messages
- The tickets are how issues are being tracked and elevated

Thank You!
