APD-AR-21-057 OPI and APD branches for OR PTC DCI

- AAA types: A & B
- Mainly affecting type A offices – cost centers and OA branches were not aligned resulting in payroll batches with incomplete consumer information.
- Interim process is for APD to send any OPI payroll batches to the OPI office.
- Long term process involves aligning OA branches and cost centers in OR PTC DCI.

APD-AR-21-061 Oregon ACCESS Branch clean-up for OPI and APD related to cost center assignment in OR PTC DCI

- AAA types: A & B
- Oregon ACCESS cases will reside in the branch where the consumer is receiving services (OPI or Medicaid.)
- No longer tied to financial eligibility.
- Local offices should select **one** branch for all OPI cases to be housed in. This may be district wide or based on each physical office.

APD-IM-21-092 Hospital Decompression Assistance- Contractor Support

- AAA types: A & B
- Decompression Assistance Teams (DAT) are working with Kepro staff to assist with hospital discharges.
- If you are contacted by a Kepro case manager or a DAT member, they are here to support you and your consumers' discharge.

APD-IM-21-097 FAQs: Required Training for HCW, PSW, PCA and Consumers

- AAA types: A & B
- Training requirements have been updated for HCW, PSW, PCA
- FAQ's are now available
- Please be aware of these updated forms and provide to HCWs if they have any questions

OPI Updates

- 1115 waiver has been submitted
- If approved, this will expand OPI by utilizing Medicaid funds
- Simplified financial eligibility (Will not be processed through ONE)
- No estate recovery
- Workgroups currently in process to discuss business operations and policy
