brandi.n.truitt@dhsosha.state.or.us

**Topics
today
will
include:**

- OHCC overview
- PTC Transmittals
- 1115 Updates
- OPI Training
- Misc OPI info

OHCC Overview

Welcome Andrea!

APD-IM-22-086 OR PTC DCI: 16-hour limit

- AAA Types: A & B who use HCWs
- Time entries will be limited to 16 consecutive hours.
- The entry will be automatically rejected if the provider attempts to create an entry.
- The provider will need to create a historical time entry to correct the time, they cannot edit the rejected entry.

APD-IM-22-087 PTC: Attestation Changes to OR PTC DCI

- AAA Types: A & B who use HCWs
- On or after September 23, 2022, providers will begin attesting to the accuracy of their submitted hours.
- This is similar to the previous process of a provider signing their name on a paper voucher.
- Providers are being notified in writing via mail.

1115 Demonstration Waiver Update

- CMS approval is still pending.
- “Soft launch” of existing OPI consumers will be delayed.
- Training is anticipated to start in October. Training modules will be available in Workday Learning in addition to virtual training.
- Temporary rules scheduled for release in October.

Introduction to Oregon Project Independence (OPI) Training

Spots are still available!

Registration now available in Workday. You must register to get the Zoom link.

September 22, September 23,
September 26, September 27
9:00am – 3:00pm each day

Misc. OPI information

OPI Reports

- OPI monthly reports have not been available since May 2022.
- A fix is currently in process to get the reports updated.
- No ETA on when reports will be available.

October OPI Power Hour

- **Cancelled**
- Important information will be shared to program supervisors via email to distribute to staff.
