J E Miller 7247 Highland Tunnel Site

KNOW ALL MEN BY THESE PRESENTS: That the undersigned, J E Miller, a citizen of the United States, and over the age of twenty-one years, under and in accordance with the laws of the United States, has located and claimed, and does hereby locate and claim a tunnel right and tunnel location, described as follows, to wit:

Commencing at the point on which this notice is posted, the same being posted upon a substantial board and monument at the face and point of commencement thereof; running thence in a Southeasterly direction for a distance of 3,000 feet, as the same is staked out and bounded upon the surface by stakes and monuments placed in two parallel lines for said distance of 3,000 feet. Will be known as the Highland tunnel site.

The height of said tunnel is to be 7 feet and the width thereof is to be 4 1/2 feet.

The face and point of commencement of this tunnel is situate as follows, to wit: In Baker Co., State of Oregon, 300 ft south of the East fork of Rock creek, running southeasterly 3000 ft to a post marked southeast end line of Highland tunnel site, such post being placed 400 ft south of north end line of Snow Storm quartz claim.

We intend to hold and work this tunnel location according to law, and we hereby claim the right of possession of all veins and lodes within 3,000 feet from the face of the tunnel, on the line thereof, not previously known to exist, discovered in such tunnel.

Done and dated on the ground, this 27 day of February, 1908.

J N Gambs 7292 More or less

Notice of Lode of Quartz Location

To All Whom It MAy Concern, Notice is Hereby Given, That I, J N Gambs, a citizen of the United States, over the of twenty-one years, have on this 8th day of January, 1908, discovered a vein or lode of mineral bearing rock in place bearing gold,silver and other precious and valuable metals and minerals with the limits of the claim hereby located, which I have this day in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named The More or Less quartz mining claim.

That the general strike or course of this vein or lode is northerly and southerly and that I claim 750 linear feet northerly and 750 linear feet southerly of the point of discovery at which this notice is posted,together with 300 feet on each side of the center of said vein.

That said claim is located in the unorganized Mining District,in Baker County, State of Oregon, the discovery monument being placed 750 feet north from south center end post and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted,thence 750 ft southerly to south center end post, thence easterly 300 ft to S E corner post No 1, thence northerly 1500 ft to N E corner post No 2, thence westerly 300 ft to north center end post, thence westerly 300 ft to N W corner post No 3, thence southerly 1500 to S W corner post No 4, thence easterly 300 ft to south center end post. This claim adjoins the Eldorado and Eldorado No 1 on their east side lines and the E & E and North Pole on their west side lines.

And I interd to hold and work said claim in accordance with the local rules and customs of miner-s and mining laws of the United States and of the State of Oregon.

Dated on the ground the 8th day of January,1908.

NOTICE OF FORFEITURE.

Oswego, Kansas, September 7th, 1907.

To United Elkhorn Mines, a corporation.

You are hereby notified that I, R O Deming, have expended during the year A D 1906, the sum of Nine Hundred Dollars in labor and improvements, upon the mining claims hereinafter described, in order to hold said claims under the provisions of Section 2324 of the Revised Statutes of the United States, and amendments thereto concerning annual labor upon mining claims, being the amount required to hold said claims for the year beginning January 1st, 1906, and ending December 31st, 1906.

And you, the said United Elkhorn Mines, are hereby notified that if within ninety days from the date of personal service of this notice upon you, or within ninety days from the completion of the publication of this notice, in case the same is published, you fail to contribute your proportionate share of such expenditure as a co-owner, which sum amounts to the sum of $241.66, your interest in said claims, which interest is hereinafter described, will become the property of your co-owner, the said R O Deming, who has expended on each one of the within named claims the sum of One Hundred Dollars and a total sum of Nine Hundred Dollars on the nine claims hereinafter described.

The "Sixteen to One" quartz mining claim according to the amended location notice thereof recorded at page 569 of Volume 29, of the public records of quartz mining claim location notices of Baker County, State of Oregon.

The "Oswego" quartz mining claim according to the amended location notice thereof recorded at page 574 of said Volume 29 of said records.

The "Bland" quartz mining claim according to the amended location notice thereof recorded at page 575 of said Volume 29 of said records.

The "Bryan" quartz mining claim according to the amended location notice thereof recorded at page 576 of said Volume 29 of said records.

The "McKinley" quartz mining claim according to the amended location notice thereof recorded at page 577 of said Volume 29 of said records.

The "Deming" quartz mining claim, according to the amended location notice thereof recorded at page 573 of said Volume 29 of said records.

The "General Sherman" quartz mining claim according to the amended location notice thereof recorded at page 572 of said Volume 29 of said records.

The "Sound Money" quaRtz mining claim according to the amended location notice thereof recorded at page 571 of said Volume 29 of said records.

The "Extension" quartz mining claim according to the amended locAtion notice thereof recorded at page 570 of Volume 29 of said recoRds.

All of the above described quartz mining claims are situated in the County of Baker, State of Oregon, in what is commonly known as the Elkhorn District, and all of said mining claims constitute one group of quartz mining claims, know as the "Sherman Group".

And, you, the said United Elkhorn Mines are hereby notified that your interest in the said "Deming" and the said "Oswego" claims is a one third interest, and your proportionate expenditure on said claims for the years 1906 is the sum of $66.66 and

that your interest in the remaining seven claims above described is a one fourth interest and your proportionate expenditure on said claims is $175.00 or a total of $241.66, for your proportion of the expenditure for said year 1906 on all of said claims.

R O Deming

State of oregon,)

COPPER HILL TUNNEL SITE NOTICE

Notice is hereby given, That the undersigned having complied with the requirements of Chapter Six of Title thirty-two, of the Revised Statutes of the United States, has this day located 3000 linear feet westerly in length, and 1500 feet in width from this tunnel, situated on my Lone Cabin location, about 400 feet down the gulch below my house and spring, for a tunnel site, situated in Riverdale unorganized Mining District, Baker county, Oregon, to be known as the "COPPER HILL TUNNEL SITE" and more fully described as follows:

Commencing at this tunnel, and running 3000 feet westerly to west center boundary stake; thence 750 feet southerly to S W C stake; thence 3000 feet Easterly to S E C stake; thence 750 feet northerly to tunnel; thence on northerly 750 feet to N E C stake; thence 3000 feet westerly to N W C stake; thence southerly 750 feet to west center boundary stake.

The center line of the course of this tunnel westerly is plainly marked at this date of recording this notice, and also the outside boundaries. I have completed lots of hard drilling and blasting rock work in this tunnel, also several thousand dollars worth on the mountain in cuts, tunnels and shafts. I locate this tunnel site for the purpose of draining and cross-cutting my group of gold and copper lodes on the mountain, several hundred feet deep, and also for the purpose of holding and locating, under the United States mining laws any and all blind lodes I may cross-cut in this tunnel, within the boundaries of this Copper Hill Tunnel Site Location.

C F Hinckley, Locator

Feb 11, 1908.

State of Oregon,)

Notice of Location of Quartz Claim.

NOTICE IS HEREBY GIVEN, to all whom it may concern, that I, the undersigned, citizen of the United States, over the age of twenty-one years, have discovered a vein or lode of quartz, or rock in place, bearing mineral within the limits of the claim hereby located, and have this day, under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located 1500 linear feet of this vein or lode, with surface ground 600 feet in width, situated in no organized Mining District, County of Baker, State of Oregon, and known as the Hercules Quartz Mining Claim, extending 300 feet north to north end line and 12 feet to south end line from this notice at the discovery or prospect shaft, which 300 feet from north end line; the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to wit:

Commencing at this notice & discovery, running northerly 300 feet to North center end stake, thence Westerly 300 feet to N W corner stake, it being the N E corner of Copper King Mining claim, thence Southerly 1500 ft to S W corner stake, which is S E corner of Copper King claim, thence easterly 300 feet to S center end monument, thence Easterly 300 feet to S E corner, thence Northerly to North Easterly corner, thence westerly 300 feet to North center end stake. This claim is situated about 1 1/2 miles southerly from the town of Homestead, joining Pearsons ranch on the South, and I intend to hold and work said claim as provided by local customs and rules of miners and Mining Statutes of the United States.

This is made to correct a location notice recorded in Vol 30, page 224, on the 30th day of April, 1907.

Dated on the ground this 27th day of April, 1908.

Notice of Lode or Quartz Location.

TO ALL WHOM IT MAY CONCERN NOTICE IS HEREBY GIVEN, That we, the undersigned, citizens of the United States, over the age of twenty-one years, have on this 14 day of March 1908, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Half Way Quartz Mining Claim.

That the general strike or course of this vein or lode is easterly and westerly, and that we claim 750 linear feet easterly and 750 linear feet westerly of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the no organized Mining District, in Baker County, State of oregon, the discovery monument being placed 750 feet easterly from westerly center end stake, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 750 feet westerly to W center end stake, thence northerly 300 feet to N W cor, thence Easterly 1500 feet to N E Cor, thence 300 feet southerly to S center end stake, thence 300 feet S E Cor, thence 1500 feet westerly to S W Cor, thence 300 feet northerly to W center end stake; said quartz claim is situated on McCullah Fork 2 miles from the Granit wagon road

And we intend to hold and work said claim in accordance with the local rules and customes of miners and mining laws of the United States and of the State of Oregon

Notice of Quartz Location

Located this 24 day of May, A D 1908

Oregon State, Unorganized Mining District.

Notice is hereby given that the undersigned, a citizen of the United States, over the age of twenty-one years, having complied with the requirements of Chapter six, of Title thirty-two, of the revised statutes of the United States, and the laws of the above State, and the local customs and regulations of said District, has located and does hereby locate 1500 linear feet on the lode situated in Baker County, in the above State and Mining District, and further described as follows:

Commencing at a post marked No 1 at the South East corner, from thence 300 feet in a Northerly direction to a center end post marked No 2, thence 300 feet in a northerly direction to a corner post marked No 3, thence 1500 feet in a westerly direction to a corner post marked No 4, thence 300 feet in a southerly direction to a center end post marked No 5, thence 300 feet in a southerly direction to a corner post marked No 6, thence 1500 feet to a place of beginning, intending to claim 1500 feet in length and 600 feet in width, for the purpose of mining the same, claiming all surface rights, privileges and minerals, and other rights granted by existing laws and customs. This claim is named Yankee Notion No 2, and the strike or course thereof is easterly and westerly. This notice is placed at discovery shaft, from which the easterly center end is distant 650 feet, and the westerly center end is distant 850 feet, situated on the west side of the east Fork of Barney Creek, and is the extention of Yankee Notion, and about 1/2 mile above the Elodrado Ditch.

Notice of Lode or Quartz Location

To All Whom It May Concern,Notice is Hereby Given,That we, Albert Weiss and Rymbol Young are citizens of the United States,over the age of twenty-one years, have on this 28 day of June,1908, discovered a vein or lode of mineral-bearing rock in place,bearing gold,silver and other precious and valuable metals and minerals within the limits of the claim hereby located,which we have this day and in accordance with the Revised Statutes of the United States,Chapter 6,Title 32, named the Sumpter No 2 Quartz Mining Claim.

That the general strike or course of this vein or lode is easterly and westerly and that we claim 1500 linear feet westerly and of the point at discovery at which this notice is posted,togethEr with 300 feet on each side of the center of said vein

That said claim is located in the no organized Mining District,in Baker County,State of Oregon, the discovery monument being placed on the easterly end line and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned,and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted,thence 300 ft Southerly to So. East corner post No 1; thence 1500 ft to Westerly to So.West corner stake No 2; thence 300 ft northerly to west center end stake No 3; thence continuing 300 ft northerly to N W corner stake No 4; thence 1500 ft easterly to N E corner stake No 5; thence 300 ft southerly to east center end stake or place of beginning. This claim lays on the east side of Baboon Creek near the head and joins the Sumpter on the West

And we intend to hold and work said claim in accordence with the local rules and customs of miners and mining laws of the United States and of the State of Oregon.

I. G R Ladd, being first duly sworn,say that One Hundred Dollars ($100.00) worth of labor and improvements was performed and made on each of the following named quartz mining claims,situated in Cornucopia Mining District,Baker County,Oregon,during the year ending December 31,1908, to wit:

The Kinchow and the Rip Van Winkle Extension. That such labor and improvements consisted of driving twelve feet of tunnel on said Rip Van Winkle Extension and sinking ten feet of shaft on said Kinchow claims. That such labor and improvements were made at the expense of Jonathan Bourne,Jr, the owner of said claims for the purpose of holding and developing the same. That I have personal knowledge of the above stated facts

that the general strike or course of this vein or lode is easterly and westerly and that I claim 1300 linear feet westerly and 200 linear feet easterly of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein

That said claim is located in the Bonanza Mining District, in Baker County, State of Oregon, the discovery monument being placed 20 feet west from point where this notice is posted, and said claim is more particularly described and located by means of the natural objects or permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence 200 feet easterly to center end stake, thence southerly 300 feet to southeast corner, thence westerly 1500 feet to S W corner stake, thence ~~westerly~~ northerly 600 ft to N W corner, thence easterly 1500 feet to N E corner, thence southerly 300 feet to E center stake. This claim is part of group known as the "Little Sweed Group", the work being done in tunnels of group

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon

Notice to Delinquent Co-Owner

To J W McDowall, his heirs and assigns:

You are hereby notified that during the year ending December 13st, 1907, the undersigned, William Weigand and Geo K Grant, being co-owners with you, J W McDowall, have expended more than three hundred dollars in labor and improvements upon the following named and described quartz mining claims all of which are situated about two miles northerly from Bourne, in Baker County, state of Oregon, The Monte Cristo No 1 quartz mining claim, The Monte Cristo No 2 quartz mining claim, and Nonte Cristo No 3 quartz mining claim, all of the location notices of said quartz mining claims being of record in Vol 28 of Quartz Locations of Baker County, Oregon, at pages 287, 288, and 289 of said records. All of said above named quartz mining claims of which you claim an undivided one-third interest in the same

The said labor was performed as and for the annual representation of all said claims for the year 1907, as the same is required by the laws of the United States and of the State of oregon, concerning annual labor upon mining claims, and the same was the amount required to hold all of said claims for said year 1907

You are further notified that unless within 90 days after service of this notice upon you, you contribute your portion of such expenditure as co-owner to wit: the sum of one hundred dollars, your interest will be forefeited to the undersigned co-owners who have made such expenditure, and the said interest of yours will become their property as provided by law.

QUARTZ LOCATION

Notice is hereby given that the undersigned, citizen of the United States (or person who declared intention to become citizen of the United States)., having complied with the requirements of Chapter VI,Title 32, of the Revised Statutes of the United States,and the local laws and customs of this district,has this 29th day of October,A D 1908, located a mining claim upon this vein or lode or other mineral bearing rock in place,bearing gold, silver,and other valuable metals and deposits.

Said claim is hereby named the Copper King Quartz Mining Claim,and is situated in no organized mining district Mining District,Baker County,State of Oregon.

Said location is marked and described on the ground as follows, to wit:

Commencing at the discovery cut, running thence in an easterly direction three hundred feet, to the place of beginning,and from that point,seven hundred fifty feet in a northerly direction, to corner Stake No 1; from thence six hundred feet in a westerly direction, to corner stake No 2; thence fifteen hundred feet in a southerly direction to corner stake No 3; thence six hundred feet in an easterly direction to corner stake No 4; thence in a northerly direction to the place of beginning,containing the number of acres allowed by the mining laws of the United States.

Discovery of this claim was made by the undersigned on the 29th day of October,A D 1908

From this point of discovery,and along this ledge,the undersigned claims 750 feet in a northerly direction,and 750 feet in a southerly direction,and on the west side of the middle of said ledge 300 feet, and on the east side thereof 300 feet.

The distance and direction from this discovery monument to the town of Cornucopia is two and one half miles in a northerly direction,on the main county road thereto,and on the west side of Pine Creek, South of the Boulder Creek Placer Mines, is,,,,,,,feet in a...direction

Amended Notice of Location of Shamrock Quartz Mining Claim

Notice is Hereby Given That I, the undersigned, a citizen of te United States of America, conforming to the mining laws thereof and of the State of oregon,have this 8th day of July,1908, located and do claim fifteen hundred linear feet of this lead, lode or vein, bearing mineral in place, by six hundred feet in width, the same being three hundred feet on each side of the center threof, together with all dips,spurs and angles, and all other veins or lodes, the top or apex of which lie within said boundaries

This location is named the " Shamrock" lode or mine and is situated in the unorganized mining district commonly known as the Irondyke Mining District, Baker County,State of Oregon, and lies on the northwest quarter of Section 17 in Township 6 S Range 48 E W M, and the discovery post on which this notice is posted is situated about 320 feet in a southwesterly direction from the north center end.

This lead, lode or vein extends 320 feet in a northeasterly direction and 1180 feet in a southwesterly direction from the discovery monument and the claim is bounded and described as follows:

Commencing at the north center end monument which is situated 320 feet in a northeasterly direction from the discovery monument and 25 feet southwesterly direction from the mouth of the tunnel on the Republic Claim which adjoins it end to end on the north end of claim; running thence in a southeasterly direction 300 feet to the northeast corner monument; thence in a southwesterly direction 1500 feet to the southeast corner monument; thence in a northwesterly direction 300 feet to the south center end monument; thence in same direction 300 feet to the southwest corner monument which is about 700 feet north of the 1/2 quarter post on the west side of said section 17 and about 200 feet east of said west side line; thence in a northeasterly direction 1500 feet to the northwest corner monument; thence in a southeasterly direction to said north center end monument, the place of beginning.

This is intended as an amended location notice in order to more particularly described and identify the boundaries of said claim, and is not intended to waive or forfeit any of the rights or privileges had or obtained under and by the original location notice thereof which is recorded at page 269 and 270 of Volume W,of the Quartz Mining records of Baker County,Oregon.

And I intend to work and hold said claim as provided by local customs and rules of miners and under the mining laws of the United States and of the State of Oregon.

Dated on the ground this 8th day of July A D 1908.

AMENDED NOTICE OF LOCATION OF "REPUBLIC" QUARTZ CLAIM

NOTICE IS HEREBY GIVEN, That I, the undersigned, a citizen of the United States of America, conforming to the mining laws thereof and of the State of Oregon, ~~conforming~~ have this 8th day of July, 1908, located and do claim fifteen hundred linear feet on this lead, lode or vein, bearing mineral in place, by six hundred feet in width, the same being three hundred feet on each side of the center thereof, together with all dips, spurs and angles, and all other veins or lodes, the top or apex of which lie within the said boundaries.

This location is named the "REPUBLIC" lode or mine and is situated in the unorganized Mining District commonly known as the Iron Dyke Mining District, Baker County, State of Oregon, and lies on the northwest quarter of Section 17 in Township 6 S Range 48 E W M, and the discovery post on which this notice is posted is situated about 325 feet in a northeasterly direction from the south center end.

This lead, lode or vein extends 1175 feet in a northeasterly direction and 325 feet in a southwesterly direction from the discovery monument, and the claim is bounded and described as follows:

Commencing at the north center end monument which is situated 1175 feet in a northeasterly direction from the discovery monument and about 100 feet in a westerly direction from the ~~a~~ 1/4 post on the north side line of said Section 17; thence running in a southeasterly direction 300 feet to the northeast corner monument; thence in a southwesterly direction 1500 feet to the southeast corner monument; thence in a northwesterly direction 300 feet to the south center end monument, which is identical with the north center end monument of the Shamrock Claim; thence in same direction 300 feet to the southwest corner monument; thence in a northeasterly direction 1500 feet to the northwest corner; thence in a southeasterly direction 300 feet to said north center end monument, the place of beginning.

This is intended as an amended location notice in order to more particulalry describe and identify the boundaries of said claim, and is not intended to waive or forfeit any of the rights or privleges had or obtained under and by the original location notice thereof which is recorded at page 369 of Vol W of the Quartz Mining Records of Baker County, Oregon.

And I intend to work and hold said claim as provided by local customs and rules of miners and under the mining laws of the United States and State of Oregon.

Dated on the ground this 8th day of July A D 1908

NOTICE OF LOCATION OF "ARCTIC FOX" QUARTZ MINING CLAIM.

NOTICE IS HEREBY GIVEN That I, the undersigned, a citizen of the United States of America, conforming to the mining laws thereof and of the State of Oregon, have this 4th day of December, A D 1908, located and do claim fifteen hundred linear feet on this lead, lode or vein, bearing mineral in place, by six hundred feet in width, the same being three hundred feet on each side of the center thereof, together with all dips, spurs and angles, and all other veins or lodes the top or apex of which lie within said boundaries.

This location is named the "ARCTIC FOX" Lode or Mine, and is situated in the unorganized mining district, commonly known as the Irondyke Mining District, Baker County, State of Oregon, and lies for the most part in the southwest quarter of Section 17 township 6 S Range 48 E W M, and the discovery post on which this notice is posted is situated about 800 feet in a southwesterly direction from the north center end.

This lead, lode or vein extends 800 feet in a northeasterly direction and 700 feet in a southwesterly direction from the discovery, and the claim is described and bounded as follows:

Commencing at the north center end monument, which is situated 800 feet in a northeasterly direction from the discovery post; running thence in a southeasterly direction 300 feet to the northeast corner monument; thence in a southwesterly direction 1500 feet to the southeast corner monument; thence in a northwesterly direction 300 feet to the south center end monument; thence continuing same direction 300 feet to the southwest corner monument; thence in a northeasterly direction 1500 feet to northwest corner monument; thence in a southeasterly direction 300 feet to said north center end monument, the place of beginning, which is situated about 300 feet south of the center of said Section 17

The Arctic Fox Claim is parallel to, adjacent to and lies immediately east of the Polar Star Claim.

And I intend to work and hold said claim as provided by local rules and customs of miners and under the mining laws of the United States and of the State of Oregon

Dated on the ground this 4th day of December, A D 1908,

Ed P Farrell, Locator

Attest:

NOTICE IS HEREBY GIVEN, That T E Davies and P J Soards, citizen of the United States, have on this 9 day of Nov, 1908, discovered and located a vein of mineral bearing rock in place, carrying gold, which vein we have named Only Chance.

That the course of this vein is northerly and southerly and that we claim 1500 ft in length 1100 ft northerly and 400 ft southerly of the discovery monument on which this notice is posted, and that we claim 600 in width and 300 ft on each side of the center of the vein.

That said claim is located in no organizing Mining District, Baker County, Oregon, the discovery monument being placed 1100 feet southerly from the south side line of the Moon-O quartz mining claim, and is bounded and described as follows, to wit:

Commencing at the discovery monument, thence south 400 ft to south end line, thence east 300 ft to southwest cor, thence 1500 ft to north east cor, thence 300 ft to northwest cor, thence 1500 to south west cor, thence 300 ft to south center end, the place of beginning. This claim is located on Dixie Creek, the north fork, and adjoining the Moono ~~qua~~ quartz mining claim on south side line

The Moono quartz claim belongs to John Reagon

Dated Nov 9, 1908

Claire Bessler 10772 Midnight

Notice of Lode or Quartz Location.

TO ALL WHOM IT MAY CONCERN NOTICE IS HEREBY GIVEN, ThAt the undersigned, a citizen of the United States, over the age of twenty-one years, has on this first day of Janary, 1909, discovered a vein or lode of mineral-bearing rock in place, bearing gold, silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which I have this day and in accordance with the Revised Statutes of the United States, Chapter 6, Title 32, named the Mid Night Quartz Claim Quartz Mining Claim.

That the general strike or course of this vein or lode is easterly and westerly, and that I claim 600 linear feet westerly and 900 linear feet easterly of the point at discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in no organized Mining District, in Baker County, State of Oregon, the discovery monument being placed 600 feet easterly from west center end stake, and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence westerly 600 feet to west center end stake, thence 300 feet southerly to S W cor, thence easterly 1500 feet to S E Cor, thence 300 feet northerly to E Center end stake, thence 300 feet to N E Cor, thence westerly 1500 feet to N W Cor, thence 300 feet Southerly to west center end stake, said quartz claim is situated about 8 miles westerly from Sumpter on McCauleys fork and is bounded on the west by the Bald Mountain Mine and formerly known as the Mid Night

And I intend to hold and work said claim in accordance with the local rules and customs of miners and mining ~~statutes~~ laws of the United States and of the State of Oregon.

Discovered....190..
located Jan 1st, 1909

Witnesses:

I, Thos Bessler, being first duly sworn, say that I am agent for Claire Bessler locator of the mining claim described in the within notice of the Midnight Quartz Claim ~~Minir~~ Mining Claim, and that the forgoing notice is a full, true and correct copy of the original notice of location posted on said claim.

That I did between the 1st day of Jan, 1909, and the 24th day of Jan, 1909, perform the discovery or location work required by the statutes of the State of Oregon on said claim by running a tunnel on said claim and did remove therefrom at least two hundred forty cu.ft. of rock, and that said work was done on said claim within sixty days from the date of discovery thereof, and by said work there was disclosed a lode or vein of mineral deposit in place.

Thos Bessler

Quartz Mining Location Notice.

NOTICE IS HEREBY GIVEN, That I, the undersigned, citizen of the United States of America, conforming to the mining laws thereof and of the State of Oregon, and the local rules, regulations and customs of miners, have this 7th day of April, A D 1909, located and do claim fifteen hundred linear feet on this lead, lode or vein bearing mineral in place, by six hundred feet in width, the same being 300 feet on each side of the center thereof, together with all dips, spurs and angles, and all other veins or lodes, the top or apex of which lie within said boundaries.

This location is named the Red Boy Lode or Mine, and is situated in no oregenized Mining District, Baker County, State of Oregon.

This claim is situated on Sheep Mountain and the discovery monument upon which this notice is posted is situated about 1000 feet in a southerley direction from Ashby Creek and about two and one half miles north of Ballars Landing and about two and one half miles west of Snake River.

This lead, lode or vein extends 1000 feet in a N direction and 5000 feet in a S direction from the discovery monument and the claim is bounded and described as follows: Commencing at the N center end monument which is situated 1000 feet in a N direction from the discovery monument; running thence in a E direction 300 feet to N E corner monument; thence in a S direction 1500 feet to the S E corner monument; thence in a W direction 300 feet to the S center end monument; thence continuing in a W direction 300 feet to the S W corner monument; thence in a N direction 1500 feet to the N W corner monument; thence in a E direction 300 feet to the said N center end stake, the place of beginning.

The adjoining claims are Last Chance and Sambo

All the monuments aforesaid are marked upon the side facing toward the discovery with the name of the claim and the corner or end center which each of said monuments represents, and all of said monuments are at least four inches in diameter and at least four feet high above the ground.

N O T I C E O F F O R F E I T U R E

Baker City, Oregon, October 12, 1908.

To J J WATTS, F W McElroy and E COTCHING, their heirs and legal Representatives.

You are hereby notified that I, as owner, have expended one hundred dollars or more,upon the "Old Reliable" quartz mining claim,located near what is known as Bull Run, situated about 45 miles south of Baker City, Oregon, and in Baker County,as will appear in the book of records of quartz mining claims, Vol 28,page 550, in the county clerk's office of said county and state. Said work was performed during the month of October,1907, and that your share of said work is $62.50 total.

The amount of each is as follows: J J Watts, $37.50; F M McElroy, $12.50 and E Cotching $12.50,and if within 90 days after this notice by publication,you fail or refuse to contribute your portion of said expenditures as set forth above as such co-owner in the above mentioned claim and pay the costs of this publication your interest in said claim will become the property of the subscriber under and by virtue of Senate Bill 231 of the Oregon Legislature of 1903. This notice is published in the Bedrock Democrat of Baker City,Oregon, for the reason that said co-owners cannot be found by me and I do not know their present residence.

Signed: Angus M Morrison,Owner

First publication March 12, last publication May 21.

Affidavit of Publication.

I, Harry Willson, being first duly sworn, say that I am principal clerk of the Bowen-Small Pub. Co.,Publishers of the Weekly Bedrock Democrat, a newspaper published at Baker City,Baker County,Oregon, and of general circulation.

That the Notice of Forfeiture hereto attached was publishedin each and every issue of said paper for 11 full weeks,making 12 publications, commencing with the issue of Mch 12,1909, and ending with the issue of May 28,1909,

That the said notice was published in the regular issues and not in any supplement thereto.

GOLD HILL MINE

State of Oregon,)
ss
County of Baker.)

I, James A Panting, being first duly sworn, depose and say that I am the President of the Conquest Gold Mining Company, a corporation, which said corporation is the owner of and operating what is commonly known as the Gold Hill Mine. That said Gold Hill Mine consists of twenty-one unpatented quartz mining claims,all of which are contiguous, are worked in common, and constitute one mine

That between the first day of January,1909, and the 30th day of June,1909,I caused labor to be performed and improvements to be made in behalf of said Conquest Gold Mining Company, upon said Gold Hill Mine, which mine is situated near the town of Durkee,in Baker County, State of Oregon.

That said labor was done and improvements made for and at the cost of said owner as and for the annual expenditure on said mine for the year 1909. That the same consisted of timbering in the main tunnel,drifts,renewal of trackage,construction of road to the Bonanza Mine, and driving tunnel sixty-five feet on the contact vein. That said work and improvements were worth and of the value of $2650, and that said claimant paid said sum therefor

That said labor and improvements were for the benefit of each and all of the claims, constituting said Gold Mine, and was common to all thereof,and tends to improve and develop each and all of said claims

NOTICE OF LODE OR QUARTZ LOCATION.

To ALL WHOM IT MAY CONCERN NOTICE IS HEREBY BIVEN That we, W S Taft and J A Mikel, citizens of the United States,over the age of twenty-one years, have on this 17th day of June,1909, discovered a vein or lode of mineral-bearing rock in place, bearing gold,silver and other precious and valuable metals and minerals within the limits of the claim hereby located, which we have this day and in accordance with the Revised Statutes of the United States, Chapter 6,Title 32,named the Alameda Quartz Mining Claim.

That the general strike or course of this vein or lode is northeasterly and southwesterly and that we claim 1200 linear feet southwesterly and 300 linear feet northeasterly from the point at discovery at which this notice is posted,together with 300 feet on each side of the center of said vein.

That said claim is located in the unknown Mining District,in Baker County, State of Oregon, the discovery monument being placed about 1200 feet northeasterly from the Evening Star quartz mill on Gimlet Creek and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned,and is more particularly described by boundaries as follows, to wit:

Commencing at the point of discovery at which this notice is posted, thence running 300 linear feet in a northeasterly direction and 1200 linear feet in a southwesterly direction , together with 300 feet on each of the center thereof.

And we intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United States and of the State of Oregon
