Murray on Camp Creek in Baker County, Oregon on this 2nd day of July 1891 for the purpose of organizing a Mining District under laws of the State of Oregon. Mr F. Butts was called to the chair and Mr F. H. Thibodo was elected Secretary, after considerable discussion it was decided for the welfare of the miners of this Section it was necessary that a new mining District should be formed.

On a motion the Chairman appointed a committee of Three to name the new mining district to report laws for its government & to establish its boundaries & any other business deemed necessary.

The Committee reported as follows: The new mining district to be called the Murray Mining District. The mining laws, The Oregon State mining laws & the Revised Statutes of the United States to be adopted. The Boundaries of the district as follows, From the Eldorado District on the East, Auburn and Parkers district on the North Prairie district on the West & from Prairie district following Indian Trail South to Table Rock from there south in a straight line to the Lockhart Ranch on the Little Malheur & from there the Willow Creek Road to the Eldorado Mining District. That a recorder be elected who shall procure the necessary books for recording claims who shall be entitled to one dollar for each claim recorded & for other records the same amount paid to the Clerk of the County for similar work.

On motion the report of the Committee was unanimously adopted. On motion Mr A. J. Murray was elected recorder for the ensuing year. The year to begin with the date of this meeting. On motion the Secretary was instructed to have this action of the members recorded by the County Clerk of Baker County, Oregon

F. Butts
Chairman

F. H. Thibodo
Secretary.
