Intention = The Palmer Lode & Quartz Mining Claim

Filed for Record Dec 20 1893 at 4 P.M. W.S. Bowers Recorder

Notice is hereby given that M.M. Palmer, H.E. Courtney, and M.L. Olmsted, being the present owners of the Palmer Quartz mining claims, known as the Palmer Lode and and Quartz mining claim, situated in Baker County, State of Oregon, the same being recorded upon the mining records of Baker County, Oregon, Book F. Page 114, in good faith intend to hold and work said claim as provided by local customs and rules of miners and mining statutes of the United States, hereby claim the right and privilege of taking advantage of the amendment to Section 2324 of R.S. relating to mining claims, suspending for the year 1893 the operation of the Statutes requiring $100.00 annual assessment work on unpatented mining claims.

And we hereby take advantage of the said act of Congress amending said Section and of permitting the owners of the said mining claims to lay over the said Quartz mining claim for the year 1893 without expending thereon the said $100.00 worth of annual assessment work for the said year 1893 and that it is our bona fide intention to expend upon the said mining claim in the year 1894 the full of $100.00 in work and labor in developing and improving said mining claim and Lode with the bona fide intention of holding the same against any and all persons whomsoever and with the bona fide intention of perfecting title to the said mining claim and of obtaining a United States Mining Patent therefor under the Mining Laws of the United States.

For a more particular description of the said Mining claim reference is made to page 114, Book "F" of the Quartz Mining records of Baker County, State of Oregon, now in the Office of County Recorder of the said County and State, at Baker City, Baker County, Oregon.

Said claim being situated in the organized

mining District, but lying adjacent to what is known as the Union Quartz Claim and heretofore Patented by Mike Hyde, and this the said Palmer Quartz Mining claim being 1500 linear feet in length along the line of said vein or Lode with surface ground 67 feet in width on one side of the said vein or Lode and 300 feet of surface ground on the other side of said Lode or vein.

The said surface ground being distinctly marked upon the surface by a post at each corner thereof with mounds of earth and rock around the same so that the boundary lines of the said claim can be readily traced.

M. M. Palmer
H. E. Courtney
M. L. Olmsted

State of Oregon } ss
County of Baker }

I, M. L. Olmsted, being first duly sworn, depose and say: I am one of the joint owners of the Palmer Quartz claim above mentioned and that the above and foregoing statement and claim, as made under the said act of Congress therein referred to, is made in good faith and that all the matters and things above set forth in said notice are true as I verily believe

W.S. Bowers
Recorder

Notice is hereby given to all whom it may concern
That I, Charles G. Hinckley, citizen of the United
States over the age of twenty one years, having discovered
a vein or lode of quartz, or rock in place bearing mineral
within the within the limits of the claim hereby located,
have this day, under, and in accordance with the
Revised Statutes of the United States, Chapter Six, Title
Thirty-two, located 1500 linear feet of this vein or lode,
with surface ground 600 feet in width, with all ledges
and minerals contained therein, situated in the Mining
District, County of Baker, State of Oregon, and known
as the Telocast Quartz Mining Claim and extending
500 feet North east to North end line and 1000 feet
South-westerly to South end line, with all dips, spurs
and angles from this notice at the discovery, or prospect
shaft, the exterior boundaries of this claim being dis-
tinctly marked by reference to some natural objects or
permanent Monuments and more particularly described
as follows, to wit: Commencing at the North center end
Stake and running 300 feet West to N.W. corner stake, Thence
1500 feet South-westerly to S.W. cor. stake, thence East 300 feet to South center
end stake; thence on East 300 feet to S.E. cor. stake; thence North-westerly 1500
feet to the N.E. cor. stake; thence West 300 feet to place of
Commencement.

The location Notice is on the cropping and shaft
500 feet South-west of the North center end stake.

The White Rose shaft and shaft house, formerly the
Dunks shaft and house, is situated about 500 feet
East of this ledge and location Notice.

The above Telocast ledge intersects the Dunks
or White Rose Ledge underground 500 or six hundred
feet North-west of the location Notice on ledge.

The North-east corner boundaries of the Telocast
ground lap onto the North-west corner boundaries of
the Dunks or White Rose ground, and we intend
to hold and work said claim as provided by local
Customs and rules of miners and Mining Statutes
of the United States.--

This claim is in Baker County. About one mile North of this ledge, across Powder River over in Union County is Tunnel No. 5 on the U.P.R.R.

June 18th 1894
at 4 P. M.
W. S. Bowers
Recorder

Know all men by these presents that I, the undersigned have this day taken up the Hinckley Mill Site, situated on the banks of Powder River Baker County, Oregon, about 1000 feet East of the Hinckley Quartz Mining claim; the West side line of this Mill Site joins on to a portion of the East side line of the Promontory quartz claim, and is more fully described as follows:

Commencing at the North center end stake which is the location stake and notice, and running East 150 feet to N.E.C. stake, thence South 750 feet to S.E.C. stake, thence West 150 feet to South center end stake; thence on East 150 feet to S.W.C. stake; thence North 750 feet to N.W.C. stake thence East 150 feet to place of commencement which is the North center end stake.

We claim this ground and water power for mill purposes and intend to work, improve and place a Mill on the site in the near future in accordance with the Mining and Milling laws of the United States and Oregon.

The East side line of this mill site ground crosses Powder River and is staked on the Union County side of the River.

W.S. Bowers
Recorder

Notice is hereby given to whom it may concern that the undersigned, a citizen of the United States, over the age of twenty one years, has this 4th day of July, 1894, claimed 1500 linear feet on the course of this ledge of Gold-bearing rock, running from Notice as follows, to wit:

800 feet North Westerly and 700 feet South Easterly as indicated by croppings and exposure at discovery works. Also 300 feet at square angle, surface ground on each side of above described line, together with all angles, dips and spurs, running from said ledge, also whatever deposits from decay or crumbling of said ledge, angles and spurs, in whatever form or shape they may happen to be or to lay within the boundary lines of this claim.

Said claim to be known as Independence Mine, situated in Spring Gulch, a prong of Big Creek, East of County Road from Baker to Upper Burnt River in Baker County, Oregon.

A duplicate of this Notice has been posted on a live Pine Tree in a square frame cut into the bark of said pine and shelved at upper and lower end. Said pine tree stands immediately South East in front of discovery work and is the starting point of location.

I intend working the above claim according to general rules of miners and in conformity with the Mining Laws of the United States.

Intention Re "White Bear" "White Cloud" and "Rapid".

Filed Dec 14 1894. W. S. Bowers. Recorder

Notice is hereby given that the undersigned owner of the "White Bear. White Cloud and Rapid Lode mining Claims, situated in what was formerly Cannon Creek mining District Baker County State of Oregon, intends in good faith to work said Mining Claims and to avail myself of the benefits of the act of Congress approved the 18th day of July 1894 which is as follows:

An act to amend section numbered twenty three hundred and twenty four of the Revised Statutes of the United States relating to mining claims.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled.

That the provisions of section 2324 of the Revised Statutes of the United States, which require that on each claim located after the 10th day of May 1872 and until patent has been issued therefor, not less than $100 worth of labor shall be regularly performed or improvements made during each year, be suspended for the year 1894. So that no mining claim which has been regularly located and recorded as required by the local laws and mining regulations, shall be subject to forfeiture for non-performance of the annual assessment work for the year 1894. Provided. That the claimants or claimant of any mining location in order to secure the benefits of this act shall cause to be recorded in the office where the location notice or certificate is filed, on or before dec 31 1894, a notice that he or they in good faith intend to hold and work said claim. Provided further: that the provisions of this act shall not apply to the State of South Dakota.

Section 2. That this act shall take effect from and after its passage.

Approved July 18. 1894.

Said lode and mining claims are more particularly described as follows: "The White Cloud"

Known as the "White Cloud" and situated in what was formerly known as Cannon Creek mining District or Baker County Oregon. Commencing at this notice and running in a southerly direction 1400 feet & in a Northerly

direction 100 feet from this notice. making 1500 feet in length by 300 feet on each side. making 600 feet in width. the said mine is joining the OK mine on the ~~North~~ South and joining the Homestake mine on the North and about ½ mile west of Snake River in what was formerly known as Connor Creek District Located this 1st day of Janry 1888. Isaac Coe. Locator Witness of postal of notice. J A Bellew. C.O. Martin Location notice of record in Book D page 83 of Quartz mining claims for Baker County Oregon.

The White Deer.

Known as the White Deer mine in Connor Creek precinct Baker County, State of Oregon and is described as follows. Commencing at this stake or notice which is ~~situated~~ about ¾ of a mile west of Snake River and about 1000 feet north of the Zip Top mine and one thousand feet Southwest of the Blue Beard from this notice and running thence along the Vein or ledge 750 feet in a South westerly direction said distance of 750 feet. thence North Easterly 750 feet to the other center end stake of this claim. being 1500 final feet along the center line and 300 feet on each side making 600 feet in width.
