NOTICE IS HEREBY GIVEN to all whom it may concern, that I

Ed A. Smith

citizen of the United States, over the age of 21 years, having discovered a vein or lode of quartz, or rock in place, bearing Gold within the limits of the claim hereby located, and have this day, under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located 1500 linear feet of this vein or lode, with surface ground 600 feet in width, situated in No Organized Mining District, County of Baker State of Oregon and known as the Tannagain Quartz Mining Claim, and extending 500 feet S. Westerly to S. West center end Stake and 1000 feet Northeasterly to No East center (End stake + 300 ft on each side of the lode vein) from this notice at the discovery or prospect shaft, which is 500 feet from South West end line of the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to-wit: Beginning at discovery shaft and running Thence in a Southwesterly direction 500 feet to the Southwest center end Stake. Thence at right angles in a Westerly direction 300 feet to the Southwest Corner Stake No 1. Thence at an angle of 90° in a Northeasterly direction 1500 ft to Stake No 2. Thence at an Angle of 90° in an Easterly direction 300 ft to Northeast center end Stake and 600 ft to Stake No 3. Thence in a Southwesterly direction 1500 ft to stake and Thence at an Angle of 90° in a Westerly direction 300 to to the S.W. Center end Stake 1

This claim is relocated on account of the failure of the locator of the Block Buss to sink 10 feet or do any work as required by law and on account of failure of the locators of the Admiral Dewey to Stake the claim

And I intend to hold and work said claim as provided by local customs and rules of miners and the Mining Statutes of the United States. and State of Oregon.

Dated on the ground, this 21st day of October 1899
