Notice of Forfeiture.

To the Draden Gold Mining Company, a corporation:

You are hereby notified that I have expended during the year 1901, two hundred dollars in labor and improvements upon the Banger and Brown Paint quartz mining claims in the County of Grant, State of Oregon, in the Greenhorn unorganized mining district, in order to hold said claims under the provisions of Section 2324 of the Revised Statutes of the United States, being the amount required by the law to hold the same for the year ending December 31, 1901. And if within ninety days from the date of the last publication of this notice, which last publication will be on the 3rd day of May, 1902, you fail or refuse to contribute your proportion of such expenditure as the co-owner of a one-sixth interest in each of said claims, said one-sixth proportion being $16.66 for each of said claims, $33.32 for both of said claims, your interest in said claims will become the property of the subscriber, under said Section 2324. Should you desire to contribute only your proportion of $16.66 of the expenditure on either one of the two said claims, you may elect as to which claim said sum of money may be applied to.

Know all men by these presents, that the Buckeye Gold Mining Company a corporation, having complied with all the requirements of the laws of the United States and the State of Oregon, relating to mining claims, and with the local laws, customs, rules and regulations of an unorganized mining district, hereby make and file this amended location of the Buckeye lode, claiming by right of discovery, location, final appropriation and possession 1500.0 feet, linear and horizontal measurement on this vein or lode of quartz, or other rock in place, bearing gold or other valuable minerals, with all dips, variations and angles, the same being 70.0 feet along the ledge in a Northeasterly direction from the discovery stake and 1430.0 feet along the ledge in a Southwesterly direction therefrom, together with 300.0 feet in width on each side of the middle of said ledge, and all veins, lodes, ledges, mineral deposits, mineral and surface ground within the lines of said claim.

Said lode is in an unorganized mining district, County of Baker, State of Oregon, in T. 7 S. R. 40 E. W. M. and more particularly described as follows, to-wit: Beginning at the Southwest corner, from which the ¼ Section corner on the West boundary of Section 6 T. 7 S. R. 40 E. W. M., bears S. 76° 46' W. 820.5 ft. and running thence S. 71° 56' E. 611.6 ft., thence N. 29° 19' E. 1500.0 ft., thence N. 71° 56' W. 611.6 ft., thence S. 29° 19' W. 1500.0 ft. to the place of beginning. The point of discovery lies on the 150 ft. level of the underground workings of said "Buckeye" lode claim.

This amended location is made in conformity with the original location, made on October 3rd. 1893, recorded in Book G, Page 443, of quartz locations, in the office of the Recorder of said County, and is made for the purpose of appropriating all ground within the boundaries hereinbefore described, and of more definitely describing the situation and boundaries of said lode, correcting any irregularities, informalities or errors, supplying omissions and correcting any defects which may have existed in the original locations, or the records hereof, hereby waiving no rights acquired under and by virtue of said original location.

Date of original discovery, October 3rd. A.D. 1893.
Date of amended location, May 9. A.D. 1902.
