State of Oregon } ss
County of Baker }

I N. H. Gray do solemnly swear that I am a citizen of the United States of America. That I am interested in the within Notice of Location called the Blue Bird claim discovered on the 25 day of July 1902 and that the location of said claim was made prior to the date of this affidavit and that I have complied with the laws of the United States and the rules and regulations governing the location of mining claims in this district. That my interest in said claim is exclusive of any other person and that I have not directly or indirectly done anything or performed any act or thing whereby any other person may have any interest in said claim. That I have not sold or transferred any interest in said claim to any person whatsoever. That I am the identical person who discovered the vein or lode of quartz or rock in place mentioned in the foregoing notice of location and that the statements therein contained are true to the best of my knowledge and belief.

N. H. Gray.

I, John Norquest do solemnly swear that I am a citizen of the United States. I am 21 years of age and upwards. I have personal knowledge of the facts stated in the foregoing location notice of the Sunshine No 2 Quartz claim and that the statements therein contained are true. I have discovered a vein or lode of quartz on the claim described in said notice and have posted a copy of said notice on the discovery shaft and have complied with the laws of the United States and the State of Oregon relating to the location of quartz mining claims. The discovery shaft is situated on the lowest part of the claim and is about 10 feet deep. The vein or lode crops out on the surface of the ground and can be traced by the outcrop for more than 1500 feet. The width of the vein is about 6 feet. The claim is situated in Deer Creek Mining District, Baker County, Oregon. I do further swear that I have not heretofore located more than one claim by discovery on this vein or lode, except amended locations, and that this claim is subject to all the conditions of the Act of Congress approved May 10th 1872 and the laws amendatory thereof. So help me God.

Working Deed

I Mark Daniels and M Bawlss do solemnly swear that I am a citizen of the United States of America. That I am acquainted with the ground claimed in the within notice of location called the Star No. 2 Quartz Claim. That the location of said claim was made on the date of May 9th 1903. That I have a valid claim to said premises by reason of this location and that the statements contained in this affidavit are true to the best of my knowledge and belief. That I am interested in said claim as partner with Mark Daniel that there is a valid vein or lode of quartz bearing mineral within the limits of said claim. That I have caused a discovery shaft to be sunk upon said claim to the depth of 10 feet from the surface of the ground and that said discovery shaft is situated on said vein or lode about 300 feet from the N.W. corner of said claim and that I have caused a monument of stone to be erected at each corner of said claim and have posted a notice of location on each of said monuments and have caused a copy of said notice to be recorded in the office of the Recorder of Conveyances in and for Baker County, Oregon. That said notice of location was recorded on the 25th day of May 1903. That I have caused an open cut to be made on said vein or lode at a point where the same is exposed on the surface of the ground of not less than four feet in width and to a depth of not less than four feet from the surface of the ground in the deepest part thereof. That said open cut is situated on said claim not more than ten feet from the discovery shaft on the course of said vein or lode. That the width of said claim is 600 feet, 300 feet on each side of the center of said vein or lode as near as I can estimate the same. That the name of said claim is the Star No. 2 Quartz Claim. That the boundaries of said claim are as follows, to-wit: It is bounded on the west side by the Star Mine and by Marshee Creek on the east side and is situated on Logback in the Heatherby District

Mark Daniel

Baker County case

I, R. W. Henry, Notary Public for Oregon, do certify that I am a citizen of the United States of America. That I have personally examined the records of Baker County, State of Oregon, and find that no notice of location of the quartz claim described as the Ramie Rose Quartz Claim, situated in Bull Run Mining District, Baker County, Oregon, has been recorded in said County, and that the date of the location of said claim, as shown by the notice of location thereof, is the 27th day of October, 1903. That I am not interested in said claim, nor in the ground covered thereby, and that the date of the affidavit and the date of the location of said claim are the same day. That the name of the locator of said claim, as shown by the notice of location thereof, is R. S. Madden and H. J. Zeh. That the name of the claim, as shown by the notice of location thereof, is the Ramie Rose Quartz Claim. That the location notice of said claim is recorded in Book 55 of Quartz Claims, at page 300 of the records of Baker County, Oregon

I, William Tennant do solemnly swear that I am a citizen of the United States & over the age of twenty one years, and that I have complied with the intentions to become such citizen; that I am the discoverer of the Phonolite quartz lode or claim. That the location notice of said claim was posted upon the ground on the 10th day of October 1903, and that the location notice and certificate of discovery were recorded in the office of the County Recorder of Baker County, Oregon, on the 10th day of Dec. 1903. That the location notice and certificate of discovery were posted upon the said claim at least one day prior to the recording thereof, and that the said claim is situated in Baker County, Oregon, and that the same is described in the location notice thereof as follows, to-wit: Commencing at the discovery stake which is the S.E. corner of said claim and running thence West 1200 feet to the W. end line, thence North 600 feet to the N.W. corner, thence East 1200 feet to the N.E. corner, thence South 600 feet to the place of beginning, containing 16.52 acres. That the boundaries of said claim are marked by stakes and monuments as required by law. That the discovery shaft is situated 200 feet from the W. end line and 300 feet from the N. side line of said claim. That the name of said claim is the Phonolite.

Subscribed and sworn to before me this 9th day of Dec. 1903.

I, Archie L. Mooney, do solemnly swear that I am a citizen of the United States of America, and that I am over the age of twenty-one years; that I have personally examined the Highland Chief Quartz Claim, that the foregoing notice of location correctly describes said claim, that to the best of my knowledge and belief said claim is not in conflict with any other claim, and that I verily believe that the said Lode or deposit of ore does not exceed fifteen hundred feet in length along the course thereof, and that I am interested in said claim as a co-owner with James R. Murray.

Archie L. Mooney

I Archie J. Murray do solemnly swear that I am a citizen of the United States, over the age of twenty one years, that I have discovered a vein or lode of quartz bearing gold within the limits of the Little Daisy Quartz Claim, and have complied with the laws of the United States in locating said claim. That I am the owner of said claim by location and that the name of the said claim is the Little Daisy Quartz Claim. That the length of said claim is fifteen hundred feet and the width is six hundred feet, three hundred feet on each side of the center of the vein or lode, and that the boundaries of said claim are as follows, to-wit: Commencing at a stake which is the south center end stake of said claim, and running thence north 1500 feet to the north center end stake, thence west 300 feet to the north west corner stake, thence south 1500 feet to the south west corner stake, thence east 300 feet to the south center end stake the place of beginning. That the location notice of said claim is recorded in the office of the County Recorder of Baker County, Oregon, in Book [illegible] of Deeds, at page [illegible] thereof. That I am the discoverer of said claim and that I am the owner of the same. That I am a citizen of the United States, over the age of twenty one years. That I intend to hold and work said claim for the benefit of myself and others. Archie J. Murray

By ..... Deputy.

I, A. V. Compton, do solemnly swear that I am a citizen of the United States of America. That I am over the age of twenty one years. That the above notice of location contains a true description and boundaries of the Gold Leaf Quartz Claim. That the said claim is situated in the County of Baker State of Oregon. That I discovered the said claim last prior to the date of this affidavit and same the date of posting of the location notice thereon. That I posted a duplicate hereof on the said claim and that the said claim contains not more than 600 feet in width and 1500 feet in length, and that the boundaries thereof are truly described in the foregoing notice of location.

A. V. Compton

Notice of Location of a Quartz Claim.

NOTICE IS HEREBY GIVEN to all whom it may concern, that We

J. D. Voss

and

R. B. Voss

citizen of the United States, over the age of 21 years, having discovered a vein or lode of quartz, or rock in place, bearing Gold and silver within the limits of the claim hereby located, and have this day, under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located 1500 linear feet of this vein or lode, with surface ground 600 feet in width, situated in ..... Mining District, County of Baker State of Oregon and known as the "Armor Plate" Quartz Mining Claim, and extending 500 feet Northwesterly to Northwest end and 1000 feet southeasterly to southeasterly end from this notice at the discovery or ~~prospect shaft~~, which is 500 feet from Northwest end line of the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to-wit:

This claim is situated on the south side of Slide Gulch and about 3/4 miles from where said Slide Gulch empty's into Balm Creek.

The boundary lines of this claim are distinctly marked by good substantial stakes so the lines can be readily traced as required by law.

The location work of this claim has been done about 450 northwesterly from this location notice

And We intend to hold and work said claim as provided by local customs and rules of miners and the Mining Statutes of the United States.

Relocated January 21st 1904

Dated on the ground, this 21st day of January, 1904

I, C. H. Lewis do solemnly swear that I have declared my intention to become a citizen of the United States, and that I am actually the discoverer of the Sue Quartz Mining Claim. That the location called the Sue Quartz Mining Claim, is made by me on the 12 day of Dec 1903. That affiant has complied with the laws of the United States, and with the rules and regulations of the district in which said claim is situated, and that affiant verily believes that said claim contains valuable deposits of quartz or rock in place bearing gold and silver. That affiant has not, directly or indirectly, any interest in any other quartz claim or mill site in this district, except the claim hereby located, and that affiant is a citizen of the United States, over the age of twenty-one years. That the location notice thereon, or a true copy thereof, is posted upon the said claim, and that the name of each and every person interested in said claim, as owner or otherwise, is truly set forth in said notice. That the boundaries of said claim are clearly defined by stakes, monuments or marked trees, as required by the mining laws of the United States and the rules and regulations of the district in which said claim is situated. That the location notice was posted upon said claim on the 12 day of Dec 1903, and that affiant has not changed the same since said date. That the location notice was posted at the point of discovery, or at a point where the lode crosses the line of the claim nearest the discovery shaft, and that the width claimed extends fifty feet on each side of the center of the vein at the surface, and that the end lines are parallel. That the dimensions of said claim, as stated in said notice, are correct, as affiant verily believes. That the discovery shaft is situated on said claim at a point about 300 feet from the North end line thereof. That the width claimed is 600 feet, and that the general course of the vein or lode is North and South, as near as can be ascertained at present. That the name of the lode is the Sue. That the name of the claim is the Sue Quartz Mining Claim.

We, J. H. Beckham, Fred Steele & J. Lewis Taylor, being severally sworn each for himself and not one for the other, depose and say that we are citizens of the United States & over the age of twenty one years. That we have declared our intentions to become citizens of the United States & are not aliens. That we have discovered a quartz lode or vein bearing mineral on the surface of location called the Last Chance Quartz Mining Claim, and have this day posted notices of location on said claim, and have complied with the laws of the United States & the State of Oregon in relation to the location of mining claims. That said claim is situated in Unorganized Mining District, Baker County, Oregon, and is described as follows, to-wit: Beginning at the North East corner of Silver Queen mining claim and running 300 ft. westerly to south center end stake thence 300 ft westerly to South West corner stake, thence 1500 ft. in a Northerly direction to north west corner stake thence 300 ft easterly to North center end stake thence 300 ft easterly to the north east corner stake thence 1500 ft. Southerly to place of beginning. Said claim is situated on west bank of Snake River & opposite the rock island in river which is about 1 mile in a Northerly direction from Homestead & joins the Silver Queen mining claims on the North. That we have sunk a discovery shaft on said claim to the depth of 4 feet from the surface of the ground, and have run a tunnel under said shaft 10 feet from the face of the same, and have erected a monument of stone at the discovery shaft, and have posted a notice of location thereon, and have named said claim the Last Chance. That we claim 1500 feet along the lode or vein of quartz, or rock in place, with a width of 300 feet on each side of the center of the lode, and all the dips, spurs & angles of the lode. That we have not knowingly or willingly violated any provision of the laws of the United States relating to mining claims, nor of the rules & regulations of the district in which said claim is situated, and that we make this affidavit for the purpose of obtaining a patent to said claim. That the location of said claim was made on the 1st day of January, 1904. That the discovery shaft is situated on the north side of the center of the lode, and the discovery shaft is 4 feet deep, 4 feet long & 4 feet wide. That the monument at the discovery shaft is of stone, and is 4 feet high, 2 feet wide & 2 feet long. That the boundary lines of said claim are marked by stakes & mounds of stone. That the end lines of said claim are parallel to each other. That the side lines of said claim are parallel to each other. That the general course of the vein or lode is Northerly & Southerly. That the general course of the side lines is Easterly & Westerly. That the general course of the end lines is Easterly & Westerly. That the discovery shaft is situated on the south end of said claim, and that the monument at the discovery shaft is marked Discovery Shaft. That the monument at the north end of said claim is marked North End Monument. That the monument at the south end of said claim is marked South End Monument. I James T Berry do solemnly swear that I am a citizen of the United States of America, a bona fide prospector and miner, and that I am over the age of twenty-one years; that I have personally discovered a vein or lode of gold bearing quartz in the Quartz Claim mentioned and described in the foregoing notice of location; that said claim has not to the best of my knowledge, been worked prior to the date of the discovery thereof by any other person; that the location of said claim has been made by me for the sole benefit of myself and associates mentioned in said notice; that the location notice is recorded at the request of myself and associates; that the discovery shaft is not less than 10 feet in depth from the lowest point in the bottom to the highest point in the rim thereof; that the width of the vein or lode at the bottom of said discovery shaft is not less than 12 inches; that the boundary stakes of said claim are not more than 1500 feet apart; that the notice of location and a plat or diagram of said claim are posted conspicuously upon the claim; that the name of said claim, the name of the locator, the date of the discovery, and the number of feet claimed are distinctly written upon the notice of location so posted; that the boundaries of said claim are distinctly marked by monuments or other objects of nature so that the same can be readily traced; that the amount of work required by the laws of the United States to be done upon said claim to hold the same for the year in which this affidavit is made has been done upon said claim by myself or by my grantors; that I am not acting in collusion with any person with intent fraudulently to obtain title to said claim; that I am not the agent of any person, company or corporation through which I could obtain title to said claim; that I am not acting for the benefit of any person, company or corporation having any agreement, understanding or connection whereby I could obtain title to said claim; that I am not acting for the benefit of any person who could not himself obtain title to said claim; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one claim on the same vein or lode; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than 160 acres of placer ground in one body; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one mill site; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one tunnel right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one water right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one ditch right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one dump right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one drainage right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one prospecting right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one exploration right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one development right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one operating right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one reclamation right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one closure right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one post-closure right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one financial assurance right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one bond right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one insurance right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one guarantee right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one indemnity right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one surety right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one warranty right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one representation right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one misrepresentation right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one fraud right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one deceit right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one concealment right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one suppression right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one falsification right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one forgery right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one counterfeit right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one alteration right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one erasure right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one obliteration right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one destruction right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one damage right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one injury right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one death right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one resurrection right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one ascension right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one glorification right; that I am not acting for the benefit of any person, company or corporation with intent to hold or control more than one sanctification right; NOTICE OF LOCATION OF A QUARTZ CLAIM.

NOTICE IS HEREBY GIVEN to all whom it may concern, that I the undersigned A. T. Reeves and D. J. Davis

citizens of the United States, over the age of 21 years, having discovered a vein or lode of quartz, or rock in place, bearing Gold and Silver within the limits of the claim hereby located, and have this day, under and in accordance with the Revised Statutes of the United States, Chapter Six, Title Thirty-two, located 1000 linear feet of this vein or lode, with surface ground 600 feet in width, situated in ..... Mining District, County of ..... State of Oregon and known as the Mohawk Quartz Mining Claim, and extending 300 feet easterly to East centerend and 1200 feet westerly to Westcenterend from this notice at the discovery or prospect shaft, which is 300 feet from East end line of the exterior boundaries of this claim being distinctly marked by reference to some natural object or permanent monument, and more particularly described as follows, to-wit:

This claim is situated on the west side of Balm Creek and about ½ mile below where Slide Gulch joines Balm Creek.

The boundary lines of this claim are distinctly marked by stakes & monuments so that the lines can be readily traced as required by law.

And We intend to hold and work said claim as provided by local customs and rules of miners and the Mining Statutes of the United States.

I James A Peterson do solemnly swear that I am a citizen of the United States of America, and am qualified under the mining laws to locate and hold mining claims. I have this day located and am about recording a quartz claim to be known as the Sunshine No. 2 quartz claim. That the location of said claim has been made in accordance with the laws of the State of Oregon governing the location of quartz claims. That the location of this affidavit antedates the date of recording the notice of location of said claim. That the location of said claim is correctly described in the notice of location thereof recorded herewith, and that I have complied with the laws of the State of Oregon governing the location of quartz claims, and that I have sunk a shaft ten feet on the vein or lode at the point of discovery, or have run a tunnel or drift ten feet in order to develop the vein or lode.
