James Arthur, Arthur Tunnel Site

KNOW ALL MEN BY THESE PRESENTS: That the undersigned, citizen of the United States, have this 26 day of December, 1899, claimed by right of location a tunnel claim for the purpose of discovering and working veins, lodes or deposits, on the line thereof cutting the Arthur Lode and working the same from the commencement at this notice and claiming all unclaimed roads, containing mineral for fifteen hundred linear feet on the side of the center line, of said tunnel.

Said Tunnel Claim is situated in the Granite Mining District, Union County, and State of Oregon, and the bounds of said tunnel are marked on trees and stakes, the entire distance.

Commencing at this notice about one mile in a northerly direction from the town of cornucopia, and running in a northerly direction along the eastern slope of the Simmons Mountain for the distance of five miles.

Dated Cornucopia, Union County, Oregon, Dec. 26, 1899.

And shall be known as the Arthur Development Tunnel .

Stephen H. Goodban, "Maggey" (relocation Last Chance)

Copperfield, July, 9th, 1900.

Mr. J. Gilkison, Please record the following claim, The Maggey a relocation of the Last Chance as follows: It lays along Snake River on the west and butts up to the Ox Bow Tunnel, on the south and lays along the James Blaine Lode on the east with good stakes. The discovery shaft is on the south west corner; it is 1500 feet by 600 feet; the reason for relocation, failure to do the work on said claim.

Stephen H. Goodban.

T. R. Irwin, et al. "W. J. Bryan," (Amended Loc)

Amended Location Notice: Quartz Claim: W.J. Bryan Mine:

NOTICE IS HEREBY GIVEN: That we the undersigned, being qualified have this day , posted an amended location notice on the W. J. Bryan Mine, claiming 1500 feet in length by 600 feet in width, being 300 feet on each side of the center of lead for Mining purposes, we claim all mineral, inside our boundaries and all leads, the top or apex of which lies within our lines as follows:

Beginning at this notice and stake and running 600 feet N.E. and beginning again at this location notice and stake and running 900 feet S.W. to S.W. canter end stake, thence 300 feet N.W. to N.W. corner stake, thence 1500 feet N.E. to N.E corner stake, thence 300 feet S.E. to N.E. center end stake, thence 300 feet S.E. to S.E. corner, thence 1500 feet S.W. to S.W. corner stake, thence 300 feet N.W. to S.W. center end, the place of beginning, this boundary survey.

This claim will still be known as the "W.J.Bryan" and is situated in Union Co. State of Oregon, and in making this amended location we do not waive or forfeit any rights acquired under or by virtue of the original location which wasmade on the 22nd day of march 1899, but this amended location is made to correct any errors that may have ocaired in the original location and to cover and appropriate for our use and

benefit, any ground that lies inside our lines, that may have become vacant since the date of our original location and to more correctly mark the boundaries of the claim on the ground and more definitely describe the location of the claim, it being situated about one mile N. of the mouth of Pine Creek, and the location notice and stake are about 1000 feet N. of Carter creek, where the wagon road crosses said creek and 500 feet N. of Rattlesnake Spring, and on the S. Side of the First Gulch N. of said Spring about 1000 feet W. of Snake River.

This amended location notice posted this the 26th day of December, 1900.

A. J. Cole, et al. "Monday Morning" (Amended Location)

Amended Location notice Quartz Claim:

NOTICE IS HEREBY GIVEN: That we, the undersigned, being qualified have this day posted an amended location on the Monday Morning claiming by right of discovery appropriation and possession, 1500 feet in length by 600 feet in width being th300 feet on each side of center fro mining purposes as follows:

Beginning at this location stake, and notice and running "E" 900 feet and beginning again at this stake and notice and running "W" 600 feet to "W" center end stake thence 300 feet "N" to N.W. corner stake, thence 1500 feet E. to N.E. Corner stake and the S.W. corner, Admiral Dewey and N.W Corner, Mollie Gipson, thence 300 feet

S. to E. center end stake, thence 300 feet S. to S.E. cornerstake and S.W. corner Mollie Gipson and The N.E. Corner Copper Mountain thence W. along N. line Copper Mountain 1500 feet to S.W Corner, stake and N.W. Corner, Copper Mountain thence 300 feet N. to W. center end, the place of beginning. this boundary survey.

In making this amended location, we do not waive or forfeit any rights acquired under or by virtue of our former location which was made on the 6th day of June 1899, and recorded in Book "G" on page 401 Records of Mines of Union Co. Oregon but this amended location is made to change the boundariesof the claim so as to extend 1500 feet E. and W instead of 1500 feet N.E. and S.W. and to cover vacant ground lying between the original location and the Copper Mountain Claim and to correct any errors that may have occured in the original location or the recording thereof, we claim all mineral inside our lines and all deeds, the top or apex of which lies within our boundaries.

This claim is situated in Union County, Oregon, about one mile S. of the Iron Dyke Mine, and the location stake, is on the S. side of Holbrook Creek 3000 feet W. of Snake River and is 2000 ft. N.W. from the tunnel on the Copper King Mine.

Amended Location posted, this the 1st day of Jany.1901.

W. T. WRight, "Robert Emmett" (Affidavit)

State of Oregon)
)SS Affidavit of W.T.Wright.
County of Union)

I, W. T. Wright being first duly sworn, say that I, am the W T. Wright, named in the contract of date August 8th 1899, and recorded February 20th, 1900, in Book "D" Mining Records of Union County Oregon, page 553, between W. T. Wright, J.C.Moreland, and J.T.Wright, parties of the first part and John H. Davey and Frank J. Davey, the parties of the Second part for the sale of the Robert Emmet Mine and lode, described in said contract, that I was well acquainted with said John H. Davey, and Frank J. Davey, the parties of the second part to said contract, that in all matters connected with said contract, I acted as agent and represented it of my said Co. Owners and am familiar with the various transactions concerning said contract.

That for myself and as agent for my co-owners I deposited the deed referred to in said contract in escrow with the First National Bank of Union, Oregon and thereafter deposited in said Bank for collection the four notes referred to in said contract; that on the 8th day of May, 1900, the said John H Davey and Frank J. Davey, failed or neglected to keep orperform the conditions of their said contract by them to be kept and perfommed and then and there and thereafter wholly failed and neglected to make in whole or in part the payment due on said date upon said contract at the first National Bank of Union Oregon, and did then and there on said 8th day of May, A.D. 1900, forfeit their said contract, that on the 9th day of May, A.D. 1900, for myself, and as agent of my said co-owners I withdrew from said bank the said deed so placed there in escrow, and the said notes by and with the consent of the said John H. Davey, representing himself and the said Frank J. Davey and then and there acting for myself and as agent for my co owners and with the consent and approval of the said John H. Davey, acting for himself and agent of the said Frank J. Davey, declared said contract forfeited; that acting for myself and as agent for my co-owners I, then and there turned over, surrendered and delivered to said John H. Davey, and said John H. Davey, then and there, acting for himself and as agent for the said Frank J. Davey, accepted the said four promissory notes, for the sum of $5,000.00 each mentioned in said contract in consideration of which and in consideration of the forfeiture of said contract the said John H. Davey, then and there acting for himself and as agent of the said Frank J. Davey, voluntarily and peaceably surrendered the possession of the said Robert Emmett Mine and lode and property to me as personal owner and as agent of my said co owners and there after on the 20th day of May, A.D. 1900, the said Frank J. Davey, acting for himself and as agent of the said John H. Davey, peaceably and voluntarilyand in consideration of the premises aforesaid surrendered up and delivered the actual possession of all of said Mining property to one Laurence Panter who was then and there authorized to and didaccept and receive possession of all of said property from the said Frank J. Davey as agent for myself and my said co-Owners.

That since so receiving the surrender and delivery of the possession of the said Mining property, neither the said John H. Davey nor the said Frank J.Davey, have exercised or claimed any right, title or interest in law, or equity of in or to said property or any portion thereof, under said contract or otherwise or in any other manner what so ever.

W. T. WRight,

Subscribed and sworn to before me this Nov. 26th, A.D. 1901.

(Amended) "Girard"

Know all men by these presents, That The Alpine Consolidated Gold Mines Co., a corporation under the laws of South Dakota by Thomas Lee, its president, a citizen of the United States, over the age of twenty-one years, having complied with all the requirements of the laws of the United States and the State of Oregon, relating to mining claims, and with the local laws, customs, rules and regulations of an unorganized Mining District, hereby makes and files these ——
amended location of the "Girard" Quartz Lode, claiming by right of discovery, location, primal appropriation and prospection 1500.0 feet, linear and horizontal measurement on this vein or lode of quartz, or other rock in place, bearing gold and other valuable minerals, with all dips, variations and angles, the same being 1500.0 feet along the ledge in a south-westerly direction from the discovery stake, together with 205.0 to 300.0 feet in width on each side of the middle of said ledge, and all veins, lodes, ledges, mineral deposits, mineral and surface ground within the lines of said claim.

Situate in an unorganized Mining District, County of Baker, State of Oregon, and T 8 S.R. 36 E. and more particularly described as follows to wit:

Beginning at the N. E. Corner a post scribed G.I.R. S. 0. E. 2 and running thence S. 34° 21' E. 510.5 ft. to a post scribed G.I.R. S. E. C. 3, thence S. 33° 43' W. 1499.5 ft to a post, scribed G.I.R. S. E. C. 4, thence N. 34° 21' W. 599.2 ft. to a post, scribed G.I.R. S. E. C. 1, thence N. 36° 56' E. 1468.8 ft. to place of beginning.

This amended location is made for the reason that a copy of the original location cannot be found on record in the office of the Recorder of said Baker County.

This Amended location is made in conformity with the original location, made in 1896. It is made for the purpose of appropriating all ground within the boundaries herein before described and of more definitely describing the situation and boundaries of said lode, correcting any irregularities, informalities or errors, supplying omissions and correcting any defects which may have existed in the original location, or of the records, hereof, hereby waiving no rights acquired under and by virtue of said original location.

Date of Original Discovery, 1896.
Date of Amended Location October 6th. A.D. 1903.

Forfeiture "May Queen"

State of Oregon } S.S.
County of Baker }

I, Thomas Turner being first duly sworn, say: I am the Thomas Turner who made the affidavit on the 17th day of July, 1899 relating to the forfeiture by P. E. Farrar and Ira F. Gallowpe of all their interest in the "May Queen" Quartz Mining Claim, situate near Cornucopia, Pine Baker County, Oregon, at that time in Union County, Oregon, on account of their failure to repay me the money before said date expended by me upon said Quartz claim in the performance of the annual assessment work thereon, which affidavit upon my part, together with the affidavit of publication about the notice of forfeiture by publication is recorded on page 464 of Volume "D" of Mining Deeds of Union County and is transcribed at Page 531 of Volume 47 of Deeds of Baker County, Oregon, said affidavit having been made before ninety days expired after the last publication of said notice.

I do further depose and say that neither the said Farrar nor the said Gallowpe, nor any other person has paid to me the amount due from said Farrar or the amount due from said Gallowpe, or any part thereof, and that the whole thereof has remained and is unpaid, and that I claim to hold by virtue of the Statutes of the United States the interest of said Farrar and the interest of said Gallowpe in and to the said "May Queen" Quartz Claim. By reason of their failure as co-owners to repay to me the amounts due from them, and that their said interest, and the whole thereof is now forfeited to me and that I make this affidavit for the purpose of having the same recorded, and to show title of record in myself.

Thomas Turner.

Subscribed and sworn to before me this 15th day of September 1903.

(Amended) "Locator"

Notice is hereby given that J. Seneca S. Wyatt, a citizen of the United States (having complied with the requirements of the laws of the United States and of the State of California, and the local customs, laws and regulations) have located and claim by virtue of the original discovery and location, and this amended certificate of location 500 linear feet on this the Locator Lode of mineral bearing quartz, and 100 feet in width on each side of the center of said lode, together with all mineral deposits contained therein, and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto.

This claim is situated in the —— Mining District, in the County of Baker County, State of Oregon and shall be known as the Locator Mining Claim.

The general course of said lode is N. Westerly and S. Easterly and said claim is length on said lode 500 feet. 600 ft. S. Easterly and 200 ft. N. Westerly feet, 150 ft. S.E. from the point of discovery, at which point I have posted an original duplicate of this notice.

I have marked the surface boundaries of this claim by placing substantial Posts not less than three feet high, & inches square at each corner, and angle and the center end lines of said claim, bearing the name of the claim, and the corner or angle it represents, and have cut the brush and blazed and flagged the trees along the lines of said claim to indicate the location of said lines.

The surface boundary of this claim is particularly described as follows, to wit:—

Beginning at Corner No1 600 feet S. Easterly from this notice, thence north westerly 500 feet to corner No 2, (said corner being identical with the N. East corner of Victor Quartz Claim) both being on the Westfoot Placer Claim, thence Easterly 200 ft. to corner No 3, thence S. Easterly 500 feet to corner No 4, (said corner being on the Afterthought Quartz Claim.), thence westerly 200 feet to corner No1, the place of beginning.

And I intend to hold and work said above described claim as provided by the laws of the United States and of the State of Oregon.

This is an amended location of the Locator claim, discovered by James S. Wyatt on the 6th day of October, 1902 and located on the 6th day of October, 1902; and recorded on page 431 of Book T of Quartz claims, records of Baker County, Oregon I also claim the owner of said claim by purchase and conveyance from said original locator.

This amended certificate of location is made without waiver of any rights previously acquired by me by virtue of said said original location and for the purpose of correcting any errors in the original location, description or record of said of said claim,

and in & any additional ground which is subject to location and any part of any overlapping claim which has been abandoned.

This amended certificate dated this 25th day of September, 1913.

James F. Triplett
Locator.

"Sagamore Millsite"

Know all men by these presents that we the undersigned, John C. Burne and John L. Rand of Baker City, Oregon, do hereby publish and declare, as legal notice to all the world that we have a valid right to the occupation possession and enjoyment of all conveyance of that tract or parcel of land consisting of five acres situate, lying and being on Sullivan Creek, near East Eagle in Baker County, Oregon, said five acres of land being bounded and described as follows, to-wit:

Commencing at the stake on which this notice is posted, said stake being placed at the point of the junction of the north and south forks of Sullivan Creek, running thence easterly on the south and right hand side of the south fork of Sullivan Creek 660 feet to a post, thence northerly 330 feet to a post; thence westerly 660 feet to a post, thence southerly 330 feet to the place of Beginning.

Notice is further given that we have erected upon said parcel of land a mill building and reduction works, and that we intend to hold and work the said millsite in connection with the "Sagamore" Group of mines. Together with all and singular the hereditaments and appurtenances thereto belonging or in any wise appertaining.

Done and dated upon the ground, this 24th day of September, 1903.

"Silver King."

To all whom it may concern, notice is hereby given, That Isaac King, the undersigned a citizen of the United State, over the age of twenty one years, since on this 21st day of Sept. 1913 discovered a vein or lode of mineral bearing rock in place bearing gold silver and other precious and valuable minerals and metals within the limits of the claim hereby located, which he has this day and in accordance with the Revised Statutes of the United State, Chapter 6, Title 32, named the Silver King Quartz Mining Claim. That the general strike or course of this vein or lode is Northeast and Southwest and that this claim extends 700 linear feet Southwest and extends 500 linear feet Northeast of the point of discovery at which this notice is posted, together with 300 feet on each side of the center of said vein.

That said claim is located in the East Fork of Wind Creek Mining District, in Baker County, State of Oregon, the discovery monument being placed 3000 feet East from claim however as the Crow flies and said claim is more particularly described and located by means of the natural objects and permanent monuments hereinafter mentioned, and is more particularly described by boundaries as follows, To wit:

Commencing at the point of discovery at which this notice is posted, Thence running 700 ft. S. West to center post No 1, Thence 300 ft. S. E. to post No 2, Thence 1500 ft. N. E. to post No 3, Thence 300 ft. North to center post No 4, Thence 300 ft. to Northwest post No 5, Thence 1500 ft. back to post No 6, Thence 300 ft. to center post No 1.

Said I, Isaac King intend to hold and work said claim in accordance with the local rules and customs of miners and mining laws of the United State and of the State of Oregon.

Dated on the ground the 21st day of Sept. 1913.
