Frank C Smith, of Detroit Michigan, being duly sworn deposes and says, that he has been in the employ of the Eastern Oregon Mining Company, a corporation organized under the laws of the State of Michigan and was during the Fall of 1891, engaged for said Company in doing work on the Little Archie Quartz Mining Claim, situated in Sparta, Union County, Oregon and on the twenty fifty day of November, 1891; he filed a Proof of Labor, done on said Little Archie Claim with the County Clerk of said County of Union, and to which Proof of Labor recorded in said County Clerk's Office in Book "E" page 369, Quartz Claims, of said County, deponent refers.

That, in said proof of Labor deponent stated that the work of labor and expenditures were made upon said Little Archie for the better developement of the following claims: The Little Archie", "Windsor", "Napoleon", "Sunday Light", and "Annie J". all quartz claims situated in said Mining District.

That at the time of making such proof of Labor, deponent believed and so stated that all the said quartz mining claims aforesaid were owned wholly and absolutely by said corporation; deponent further says that he made said affidavit of his own motion without consultaion with or direction from any of the officers of said Eastern Oregon Mining Company amd that since his return to the city of Detroit in the State of Michigan, where the office of said corporation is located, he has learned that the supposition under which he made such Proof of Labor as to the ownership of said claims was not correct but he is informed by the officers of said Company and so believes and states that the said claims The "Little Archie" and "Winsor" are owned entirely and absolutely by the said Eastern Oregon Mining Company while the said Company is only the owner of an undivided interest in the remainder of said claims and that it was not intended or understood by the officers of said corporation that the work so done and expenditures made by deponent upon the Little Archie was for the benefit of any of the said claims in which said corporation has only an undivided interest but wholly for the benefit of the said Little Archie and Winson claims and that deponent makes this affidavit forth=e purpose of correcting his said error and says that during the year 1891, at least three thousand dollars has been expended for labor and improvements upon the Little Archie and Winsor Quartz Mining Claims all situated in the Sparta Mining District, Union County, Oregon.

These quartz Mining Claims adjoin and are owned jointly by said corporation

For the better developement of both of them this expenditure was made on the Little Archie Claim in accordance with Section 390, United States Mining Laws and section four Chapter 38, of the Laws of Oregon, such expenditure was made by or at the expense of the Eastern Oregon Mining Company, a corporation organized under the laws of Michigan and performed by F. C. Smith, Superintendent for the purpose of holding such claims.
