PROOF OF LABOR FOR FISCAL YEAR 1949-50
(Anthony Brandenthaler on Anthony Numbers 1 to 8 inclusive, Placer Mining Claims)

STATE OF OREGON)
)ss:
County of Baker)

I, Anthony Brandenthaler being first duly sworn on oath depose and say:

That I am one of the co-locators of the mining claims hereinafter mentioned and have personal knowledge of all the facts herein set forth with relation to the performance of the labor and improvements hereinafter set forth. That the claims for which this proof of labor is filed and upon and for the benefit of which among other property the labor and improvements hereinafter mentioned were performed and made during the fiscal year, beginning at 12 o'clock Meridian, July 1, 1949 and ending at 12 o'clock Meridian July 1, 1950, (as extended by Congressional enactment, Public Law Number 582, 81st Congress to October 1, 1950) are situated on Virtue Flat in Baker County, State of Oregon, the names of said claims and the volume and pages of the Records of Placer Locations of Baker County, Oregon, where the respective location notices thereof are recorded, being as follows:

NAME OF CLAIM	BOOK	PAGE
ANTHONY NUMBER 1 PLACER MINING CLAIM	O	341
ANTHONY NUMBER 2 PLACER MINING CLAIM	O	340
ANTHONY NUMBER 3 PLACER MINING CLAIM	O	342
ANTHONY NUMBER 4 PLACER MINING CLAIM	O	343
ANTHONY NUMBER 5 PLACER MINING CLAIM	O	345
ANTHONY NUMBER 6 PLACER MINING CLAIM	O	344
ANTHONY NUMBER 7 PLACER MINING CLAIM	O	421
ANTHONY NUMBER 8 PLACER MINING CLAIM	O	473

That all of said placer mining claims above described, together with certain patented lands lying between or adjacent to the said

Book P Page 62

unpatented claims constitutes one large scale placer mining or dredging operation which is being developed and will be worked by means of one mining plant. That a continuous body or pay streak of placer gravel bearing gold and silver in paying quantities extends through and beneath all of the claims and property included in said project, including specifically the placer claims above described and covered by this proof of labor. That during the period from March 1st to September 15th, 1950, a crew of men has been continuously employed upon the said dredging project, performing actual development work and installing equipment thereon. That there has been expended during such period at least the sum of $9500.00 ~~which~~ and in actual mining and development work which has tended to/has developed the said claims to at least that extent. That such sum has been actually expended thereon and that the labor and improvements were reasonably worth the sum so expended and are proper expenditures to be considered as annual assessment work and improvements for patents upon the said unpatented claims above designated. Such expenditures constitute much more than the amount required by law for the fiscal year above mentioned, even if annual labor were required upon said claims during such fiscal year, which it is not in view of the fact that all of said claims were located after July 1, 1949. I and my associates however as the holders of said claims file this affidavit for the purpose of preserving formal evidence of the making of said expenditures and ask that the portion of said work performed after July 1, 1949 which of itself amounts to much more than $100.00 per claim should apply upon the assessment work for the coming fiscal year ending July 1, 1951 if and to the extent the same may be required.

That the said placer mining claims above described, together with certain patented lands lying between or adjacent to the said unpatented claims and together with certain other claims recently located and hereinafter mentioned, constitute one large scale placer mining operation which covers several miles of continuous mining land lying along or in the vicinity of Winterville and Bennett Creeks and that a continuous body or pay streak of placer gravel bearing gold and silver in paying quantities, extends through and beneath all of the claims and property in said group of claims above described and covered by this proof of labor.

That all of the mining claims and property included in said mining project and specifically the mining claims above described and all thereof, are now owned by J. R. Dodson and wife and now are and for many years have been held and worked as part of one large placer mining operation. That during such fiscal year as extended and particularly during the period from about July 15, 1950 to date, I and my associates in said operation have, by use of a caterpillar tractor and bulldozer and other equipment and an average crew of three men, been engaged in work upon said property which work has consisted of exposing and blocking out placer gravel, construction and repair of roads upon the property for the working thereof, repair and improvements to cabins, cookhouse, and other buildings thereon and also work upon the system of ditches designed to furnish water for the mining and operation of said property and commonly and collectively known as the Pete Mann ditches. That the said expenditures may be itemized as follows:

Paid for hire of caterpillar and operators	2742.06
Repairs to Scott or Penrod house	300.00
Improvements and repairs to cookhouse, cabins and other main buildings and ditch work	1245.00
	$4287.06

That there have also been recently located and added to said group by myself or myself and associates, two further adjacent claims known as the Black Beauty Extension (location notice recorded Volume "P" page 2) and the Winterville No. 2 (location notice recorded Volume "P", page 8, Records of Placer Locations of Baker County. That such claims do not require the performance of assessment work during the current fiscal year but have also been benefited by the work performed since the time of their location. However, the labor and improvements above mentioned are much more than the amount required by statute to hold each and all of the claims above enumerated and described (which comprise 30 locations in all) during such fiscal year, and the overplus may to the extent needed be applied toward the assessment work requirements for the ensuing fiscal year ending July 1, 1951 as is authorized by said

Book P Page 66

Congressional enactment. That all of the expenditures above mentioned represent as aforesaid the actual amounts paid therefor and are in addition the fair and reasonable value for said respective items and that the said work so performed and/improvements made have tended to and have developed the property to at least the amount set forth and are proper expenditures to be considered as annual assessment work and improvements for patent upon the said mining claims above mentioned and described and all thereof.

RIGHT OF WAY AGREEMENT

THIS AGREEMENT, made and entered into this 8th day of August, 1946, by and between DORIS BRANDT and GEORGE BRANDT, her husband, acting by and through FRANK DAVENPORT, their attorney in fact, and FRANK DAVENPORT as an individual, all as parties of the first part and hereinafter referred to as first parties, and WALTER C. FELLOWS, as party of the second part and hereinafter referred to as second party,

WITNESSETH:

WHEREAS, first parties are the owners of what is known as the Big Pine Group of quartz mining claims, and what are known as the Granite, Taylor & Olson and Swill Hollow placer mining claims, situated in the north half of Township 9 South of Range 37 E. W. M. in Baker County, Oregon, across which the second party desires to run a power line for the transmission of electrical energy.

NOW, THEREFORE, for and in consideration of the privileges granted herein, it is hereby understood and agreed by and between the parties hereto as follows:

1. First parties hereby give and grant to the second party, his heirs and assigns, the right, privilege and license to construct and maintain a power line for the transmission of electrical energy upon and across the said quartz and placer mining claims, and to erect, maintain and replace such poles as may be necessary for the said transmission line, together with the further right and privilege to enter upon the said mining claims from time to time for the purpose of inspecting and repairing the said line and transporting all equipment that may be required in that regard.

2. As consideration for such privilege, the second party, in return, gives and grants to the first parties the right to connect on to the said transmission line for power in connection with any mining operations or other activities upon the said mining claims. In connection therewith, the first parties agree to make any such

Book P Page 102

connection in a standard manner, with due regard to the safe and efficient operation of said line and to assume all risk and liability in regards to any such connection.

3. The privilege herein granted by second party unto first parties extends only to the power line and first parties may be required to make independent arrangements with the power company for the purchase and furnishing of electrical energy in connection with such operations.

4. If at any future time it is found that the said power line interferes with dredging operations upon the said mining claims the second party agrees to remove at his own expense any poles that so interfere with mining operations to a point where the same do not interfere therewith; provided that dredging machinery has actually been installed thereon for the working of said ground and such poles are within the dredging area to be worked thereby.

5. This agreement shall run to, be binding upon and inure to the benefit of the parties hereto, their heirs, personal representatives and assigns, respectively, and until the termination hereof shall be construed to be a covenant running with the land. It is expressly understood and agreed that the license herein granted shall terminate when mining operations on the Bald Mountain Mine shall have ceased for a period of one year and upon the termination hereof all poles shall be left in place and become the property of first parties.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands and seals the day and year first hereinabove written.

PROOF OF LABOR FOR FISCAL YEAR 1950-51
(Anthony Brandenthaler on Marble Creek Placer Mining Claims Extension Nos. 1 to 4, inclusive.)

STATE OF OREGON,)
) ss:
COUNTY OF BAKER.)

I, ANTHONY BRANDENTHALER, being first duly sworn, on oath depose and say:

That I am one of the co-locators of the mining claims hereinafter mentioned and have personal knowledge of all the facts herein set forth with relation to the performance of the labor and improvements hereinafter set forth.

That the claims for which this proof of labor is filed and upon and for the benefit of which, among other property, the labor and improvements hereinafter mentioned were performed and made during the fiscal year, beginning at 12 o'clock Meridian, July 1, 1950, and ending at 12 o'clock Meridian, July 1, 1951, are located in Township 9, South Range 38 East W. M., in Sections 13 and 14, and are located contiguous to the patented MONARCH MARBLE CLAIM, M. S. 261, which claim we also have under operation; that the names of said claims and the volume and pages of the Records of Placer Locations of Baker County, Oregon, where the respective location notices thereof are recorded, being as follows:

NAME OF CLAIM	BOOK	PAGE
EXTENSION NO. 1	0	480
EXTENSION NO. 2	0	481
EXTENSION NO. 3	0	496
EXTENSION NO. 4	0	497

That all of said placer mining claims above described, together with certain patented lands lying contiguous to said unpatented claims, constitute one large scale placer mining or dredging operation which is being developed and will be worked by means of one mining plant. That a continuous body or pay streak of exposed lime rock in paying quantities extends through and beneath all of the claims and property included in said project, including specifically the placer claims above described and covered by this proof of labor.

That there has been expended during such period at least the sum of $450 in actual mining and development work which has tended to and has developed

the said claims to at least that extent. That such sum has actually been expended thereon and that the labor and improvements were reasonably worth the sum so expended and are proper expenditures to be considered as annual assessment work and improvements for patents upon the said unpatented claims above designated. That such work has been done and is continuing to be done by use of a No. 7 caterpillar with dozer and crew.

I and my associates file this affidavit for the purpose of preserving formal evidence of the making of necessary expenditures.

Andy Brandenburg

I, ANTHONY BRANDENTHALER, being first duly sworn, on oath depose and say:

That I am the lessee and operator of the mining claims hereinafter described by virtue of certain leases and options thereon, and have personal knowledge of all the facts herein set forth with relation to the performance of the labor and improvements hereinafter mentioned.

That the claims for which this proof of labor is filed and upon and for the benefit of which the labor and improvements hereinafter mentioned were performed and made during the fiscal year beginning at 12 o'clock Meridian, July 1, 1950, and ending at 12 o'clock Meridian, July 1, 1951, are commonly and collectively known as the WINTERVILLE PLACER MINE, situated in Baker County, State of Oregon, and lying along or in the vicinity of Winterville and Bennett Creeks, the names of said claims and the volumes and pages of the records of placer locations of Baker County, Oregon, where the respective location notices and/or amended location notices thereof are recorded being as follows:

That the said placer mining claims above described, together with certain patented lands lying between or adjacent to the said unpatented claims, and together with certain other claims recently located, constitute one large scale placer mining operation which covers several miles of continuous mining land lying along or in the vicinity of Winterville and Bennett Creeks and that a continuous body or pay streak of placer gravel, bearing gold and silver in paying quanties, extends through and beneath all of the claims and property in said group of claims above described and covered by this proof of labor.

That all of the mining claims and property included in said mining project and specifically the mining claims above described and all thereof, are now owned by J. R. Dodson and wife, and now are and for many years have been held and worked as part of one large placer mining operation. That during such fiscal year I and my associates in said operation have, by use of a caterpillar tractor and bull dozer, and other equipment, and an average crew of three men, been engaged in work upon said property , which work has consisted of exposing and blocking out placer gravel, construction and repair of roads upon the property for the working thereof, repair and improvements to cabins and cookhouse, and

other buildings thereon, and also work upon the sytem of ditches designed to furnish water for the mining and operation of said property, and commonly and collectively known as the Pete Mann Ditches. That the said expenditures may be itemized as follows:

Repairs to Ditches, etc.,	$575 00	
Paid for hire of caterpillar and operators	2450 00	
Improvements and repairs to cook-house, cabins and other main buildings and ditch work	1175 50	
		$4200 50

That in addition to the above, additional work is still being carried on.

That all of the expenditures above mentioned represent, as aforesaid, the actual amounts paid therefor and are in addition the fair and reasonable value for said respective items, and that said work so performed and expenditures and improvements made have tended to and have developed the property to at least the amount set forth and are proper expenditures to be considered as annual assessment work and improvements for patent upon the said mining claims above mentioned and described and all thereof.

PROOF OF LABOR FOR FISCAL YEAR 1950-51
(Anthony Brandenthaler on Anthony Numbers 1 to 8, inclusive,
Placer Mining Claims.

STATE OF OREGON,)
) ss:
COUNTY OF BAKER.)

I, ANTHONY BRANDENTHALER, being first duly sworn, on oath depose and say:

That I am one of the co-locators of the mining claims hereinafter mentioned and have personal knowledge of all the facts herein set forth with relation to the performance of the labor and improvements hereinafter set forth.

That the claims for which this proof of labor is filed and upon and for the benefit of which, among other property, the labor and improvements hereinafter mentioned were performed and made during the fiscal year, beginning at 12 o'clock Meridian, July 1, 1950, and ending at 12 o'clock Meridian July 1, 1951, are situated on Virtue Flat in Baker County, State of Oregon, the names of said claims and the volume and pages of the Records of Placer Locations of Baker County, Oregon, where the respective location notices thereof are recorded, being as follows:

NAME OF CLAIM	BOOK	PAGE
ANTHONY NUMBER 1 PLACER MINING CLAIM	0	341
ANTHONY NUMBER 2 PLACER MINING CLAIM	0	340
ANTHONY NUMBER 3 PLACER MINING CLAIM	0	342
ANTHONY NUMBER 4 PLACER MINING CLAIM	0	343
ANTHONY NUMBER 5 PLACER MINING CLAIM	0	345
ANTHONY NUMBER 6 PLACER MINING CLAIM	0	344
ANTHONY NUMBER 7 PLACER MINING CLAIM	0	421
ANTHONY NUMBER 8 PLACER MINING CLAIM	0	473

That all of said placer mining claims above described, together with certain patented lands lying between or adjacent to the said unpatented claims, constitute one large scale placer mining or dredging operation which is being developed and will be worked by means of one mining plant. That a continuous body or pay streak of placer gravel bearing gold and silver in paying quantities extends through and beneath all of the claims and property included in said project, including specifically the placer claims above described and covered by this proof of labor.

Book P Page 232

That there has been expended during such period at least the sum of $1950.00 in actual mining and development work which has tended to and has developed the said claims to at least that extent. That such sum has actually been expended thereon and that the labor and improvements were reasonably worth the sum so expended and are proper expenditures to be considered as annual assessment work and improvements for patents upon the said unpatented claims above designated.

I and my associates file this affidavit for the purpose of preserving formal evidence of the making of necessary expenditures.

AFFIDAVIT

OF ANNUAL LABOR ON MINING CLAIMS

STATE OF OREGON)
ss
County of Baker)

I, H. Ferrel Anderson, being first duly sworn, depose and say, that I am a citizen of the United States and more than twenty-one years of age, residing in Baker, Oregon, and am personally acquainted with the FOX CREEK GROUP NO. 1 Mining Claim situated in the Connor Creek Mining District, Baker County, Oregon. The location notice of said claim is recorded in the Records of Placer Locations in Book N, page 249, of the County Clerk of Baker County, Oregon.

That one hundred dollars' worth of labor was performed and improvements made on said claim between the twentieth day of June 1951, and the second day of July 1951, by R. P. Wavrick, a miner, residing in Baker County, Oregon. Such expenditure was made at the expense of myself, Attorney in Fact for the owners of said claim, for the purpose of complying with the laws of the United States and the State of Oregon pertaining to annual assessment work.

Said labor, so performed and improvements so made being widening of the existing cut, preparing a tunnel portal and driving said tunnel five feet into limestone rock in place.

H Ferrel Anderson

To which volume and pages of the public records aforesaid reference is hereby made for a more full and complete description of the said mining claims and of the ground covered thereby.

The undersigned, and each and all of them, do jointly and severally desire to hold the said mining claims above described, and all thereof, under the provisions of the current act of Congress, approved June 17, 1949, providing for the suspension of annual assessment work on mining claims held by location in the United States, until the hour of 12 o'clock Meridian July 1, 1952, being S. 2479 Public Law 107, 81st Congress, and this notice is filed for the purpose of holding said claims, and each and all thereof during the current fiscal year, from 12 o'clock Meridian July 1, 1951 to 12 o'clock Meridian, July 1, 1952.

The parties executing this notice do so for the purpose of obtaining the benefit of said Act as to their respective actual or apparent record interests in said claims and as to any and all equities, rights or ownership which they may have in any or all thereof.

Book P Page 328

Reference is hereby made to the recitals of prior proofs of labor for details regarding the status of said claims and the fact that the same are and have been held and worked as one group, pursuant to a program for the common development thereof.

That, as will also appear from the recitals of prior proofs of labor during the years since the claims have been located, a detailed elaborated prospection program has been undertaken and carried out.

During the year ending July 1, 1951, there was $3,182.98 spent on developing work on the above mentioned placer mining claims, and Notice is hereby given that the undersigned hereto have complied with the assessment work required on the above mentioned placer mining claims to cover their rights to hold the same until the fiscal year ending July 1, 1952.

Dated this 11th day of December, 1951.

Notice of Location of Placer Claim

Notice is hereby given that the undersigned, a citizen of the United States (or who has declared intention to become such), over the age of twenty-one years, Durward L. Best - Elsie A. Best - Paul O. Gardner - Vera Gardner

did, on the 12 day of May, 1952 locate a Placer Claim of 80 acres, situate in the County of Baker, State of Oregon and more particularly described as follows: * The South half of the North West Quarter of section 5, township 14, Range 43 E. W. M.

the land included in this location is covered by a homestead patent with mineral reservations. In working and mining such land, the Claimants will fully recognize and respect the rights of the surface owners of the land hereby located.

THIS CLAIM TO BE KNOWN AS BAKER # 3-

and that We intend to hold and work said above described claim as provided by the local laws and regulations, and the customs and rules of mines and mining statutes and laws of the United States.

Dated at Baker, this 12th day of May, 1952

Executed in the presence of

E. M. Rupp
Elma Mitchell
Lettie Perkins
J. I. Southard

Durward L. Best (SEAL)
Elsie Best (SEAL)
Vera Gardner (SEAL)
Paul O Gardner (SEAL)

*If located on surveyed lands, description must conform to legal subdivisions — otherwise described fully so that claim can be identified.

AMENDED LOCATION NOTICE OF PLACER CLAIM
(Three Cent #1 by Jesse Edwards)

NOTICE IS HEREBY GIVEN that the undersigned claimant, Jesse Edwards, being a citizen of the United States, over the age of 21 years, and the present owner of the mining claim hereinafter mentioned (he having acquired by purchase and conveyance all of the rights of the original locator therein) does hereby claim by right of previous discovery and location, and this amended location notice, under and in accordance with the revised statutes of the United States, Chapter 6, Title 32, and all subsequent acts supplemental or amendatory thereto, and in accordance with the mining laws of the United States and of the State of Oregon, that certain placer mining ground or claim bearing gold, silver and other minerals, known and named as the Three Cent No. 1 Placer Mining Claim, and being as now amended particularly identified, located and described with reference to the legal subdivisions of the public survey as follows, to-wit:

The East half of the Northeast Quarter of the Southeast Quarter of Section 2 in Township 10 South, Range 36, E.W.M. in Baker County, State of Oregon, and being in what is known as Three Cent Gulch about four miles south of the City of Sumpter, containing 20 acres according to the public survey.

This claim is bounded on the north by the Deep Creek Placer, on the west in part by the Silver Fox Placer and in part by unappropriated public domain, on the south by the Three Cent No. 2 Placer and on the east by patented land.

This is the same claim originally located on May 29, 1909, the original location notice thereof appearing of record in Volume I at page 39 of the Records of Placer Locations of Baker County, Oregon. As originally located, this claim was described by metes and bounds but was actually located upon and intended to cover the legal subdivisions above described. This amended location notice is made and filed without waiver of any previous rights and fully preserving to the claimant his priority under said previous location and recording in order to make the boundaries of said claim conform to the legal subdivisions of the public survey.

AMENDED LOCATION NOTICE OF PLACER CLAIM
(Deep Creek by Jesse Edwards)

NOTICE IS HEREBY GIVEN that the undersigned claimant, Jesse Edwards, being a citizen of the United States, over the age of 21 years, and the present owner of the mining claim hereinafter mentioned, (he having acquired by purchase and conveyance all of the rights of the original locator therein) does hereby claim by right of previous discovery and location, and this amended location notice, under and in accordance with the revised statutes of the United States, Chapter 6, Title 32, and all subsequent acts supplemental or amendatory thereto, and in accordance with the mining laws of the United States and of the State of Oregon, that certain placer mining ground or claim bearing gold, silver and other minerals, known and named as the Deep Creek Placer Mining Claim, and being as now amended particularly identified, located and described with reference to the legal subdivisions of the public survey as follows, to-wit:

The South half of the Southeast Quarter of the Northeast Quarter of Section 2 in Township 10 South of Range 36, E.W.M. in Baker County, State of Oregon, containing twenty acres according to the public survey.
as amended
This claim/is bounded on the south by the Three Cent Number One and Silver Fox Placers and on the north in part by the Hidden Channel as amended. Otherwise the claim is, so far as claimant is advised, surrounded by unappropriated public domain. This is the same claim originally located on September 5, 1916, the original location notice thereof appearing of record in Volume I, at page 446 of the Records of Placer Locations of Baker County, Oregon. As originally located, this Deep Creek claim covered the northwest quarter of the southeast quarter of the northeast quarter and the southeast quarter of the southeast quarter of the northeast quarter of said Section 2, which subdivisions are not contiguous, but merely corner and the Hidden Channel Placer Claim, which is adjacent thereto covered the southwest quarter of the southeast quarter of the northeast quarter and the northeast quarter of the

southwest quarter of the northeast quarter of said Section 2, which subdivisions likewise merely corner. This amended location notice is made and filed without waiver of any previous rights and fully preserving to the claimant his priority under said previous location and recording in connection with the program adopted for readjusting the boundaries of said two claims so as to make both locations contiguous and conform to the requirements of the mining laws and regulations. By means of this amendmant and a companion amendment to be made of the Hidden Channel location, ten acres of this claim as originally located (the NW¼ of the SE¼ of the NE¼) will be eliminated from this location and become part of the Hidden Channel as amended and in the place of such subdivision, ten acres of the Hidden Channel (the SW¼ of the SE¼ of the NE¼) has been included as part of this claim. In this manner, the legal subdivisions covered by both locations have been made contiguous to each other without in any way changing the exterior boundaries of the ground covered by the two locations.

Dated and posted on the ground this 16th day of May, 1952.

AMENDED LOCATION NOTICE OF PLACER CLAIM
(Hidden Channel by Jesse Edwards)

NOTICE IS HEREBY GIVEN that the undersigned claimant, Jesse Edwards, being a citizen of the United States, over the age of 21 years, and the present owner of the mining claim hereinafter mentioned (he having acquired by purchase and conveyance all of the rights of the original locator therein) does hereby claim by right of previous discovery and location, and this amended location notice, under and in accordance with the revised statutes of the United States, Chapter 6, Title 32, and all subsequent acts supplemental or amendatory thereto, and in accordance with the mining laws of the United States and of the State of Oregon, that certain placer mining ground or claim bearing gold, silver and other minerals, known and named as the Hidden Channel Placer Mining Claim and being as now amended particularly identified, located and described with reference to the legal subdivisions of the public survey as follows, to-wit:

> The Northeast Quarter of the Southwest Quarter of the Northeast Quarter, and the Northwest Quarter of the Southeast quarter of the Northeast Quarter of Section 2 in Township 10 South of Range 36, East of the Willamette Meridian in Baker County, State of Oregon, containing 20 acres according to the public survey.

This claim as amended is bounded on the north in part by the Big Butte Placer and on the south in part by the Deep Creek as amended. Otherwise the claim is surrounded so far as claimant is advised by unappropriated public domain. This is the same claim originally located on October 7, 1916, the original location notice thereof appearing of record in Volume I at page 357 of the Records of Placer Locations of Baker County, Oregon. This amended location notice is made and filed without waiver of any previous rights and fully preserving to the claimant his priority under said previous location and recording in order to correct any typographical errors or ambiguities appearing in the original location notice and in connection with the program adopted for readjusting the boundaries of this claim and the adjacent Deep Creek location so as

to make the legal subdivisions covered by both locations contiguous to each other without in any way disturbing the exterior boundaries of the area covered by the two locations.

AMENDED LOCATION NOTICE OF PLACER CLAIM
(Lone Spring by Jesse Edwards)

NOTICE IS HEREBY GIVEN that the undersigned claimant, Jesse Edwards, being a citizen of the United States, over the age of 21 years, and the present owner of the mining claim hereinafter mentioned, (he having acquired by purchase and conveyance all of the rights of the original locator therein) does hereby claim by right of previous discovery and location, and this amended location notice, under and in accordance with the revised statutes of the United States, Chapter 6, Title 32, and all subsequent acts supplemental or amendatory thereto, and in accordance with the mining laws of the United States and of the State of Oregon, that certain placer mining ground or claim bearing gold, silver and other minerals, known and named as the Lone Spring Placer Mining Claim, and being as now amended particularly identified, located and described with reference to the legal subdivisions of the public survey as follows, to-wit:

> The West half of the Northwest quarter of the northeast quarter (which is more correctly described as the West half of Lot No. 2) of Section 2, in Township 10 South, Range 36, E.W.M. in Baker County, Oregon, containing slightly less than twenty acres (19.39 acres more or less) according to the public survey.

This claim as amended is bounded on the east by the Big Butte Placer and on the north by the Bear Flat Placer. On the west and south it is, so far as claimant is advised, surrounded by unappropriated public domain. This is the same claim originally located on September 5, 1916, the original location notice thereof appearing of record in Volume I, at page 445, of the Records of Placer Locations of Baker County, Oregon. This claim was always located upon and intended to cover the legal subdivision above described, but by error and inadvertence in preparing the original location notice, the description in such original location reads, "the West half of the Northeast Quarter of the Northeast Quarter of Section 2" instead of the West half of the Northwest quarter of the Northeast Quarter as it should have read. It is evident

however that the subdivisions first above given are the ones intended to be covered because, among other things, the "lone spring"from which this claim gets it's name is situated upon the subdivisions first above given and there is no spring whatsoever upon the area inadvertently described in the original location notice, in addition to which, a very substantial portion of the ditch system and other improvements constructed by the former owners, Meadows and Corey and their predecessors, the Shields, were constructed upon the land described by this amended location notice and intended to be covered by said claim, whereas there are no improvements whatever upon the ground so inadvertently and erroneously covered by the description in the original location notice. This amended location notice is made and filed without waiver of any previous rights and fully preserving to the claimant his priority under said previous location and recording in order to correct such error and to make the description of the claim conform to its actual location on the ground.

Dated and posted on the ground this 17th day of May, 1952.

AMENDED LOCATION NOTICE OF PLACER CLAIM
(Omaha by Jesse Edwards)

NOTICE IS HEREBY GIVEN that the undersigned claimant, Jesse Edwards, being a citizen of the United States, over the age of 21 years, and the present owner of the mining claim hereinafter mentioned, (he having acquired by purchase and conveyance all of the rights of the original locator therein) does hereby claim by right of previous discovery and location, and this amended location notice, under and in accordance with the revised statutes of the United States, Chapter 6, Title 32, and all subsequent acts supplemental or amendatory thereto, and in accordance with the mining laws of the United States and of the State of Oregon, that certain placer mining ground or claim bearing gold, silver and other minerals, known and named as the Omaha Placer Mining Claim, and being as now amended particularly identified, located and described with reference to the legal subdivisions of the public survey as follows, to-wit:

The Southwest Quarter of the Southwest Quarter of the Northeast Quarter and the Northwest quarter of the Northwest quarter of the Southeast Quarter of Section 35, in Township 9 South, of Range 36, E.W.M. in Baker County, State of Oregon, containing twenty acres according to the public survey.

The adjoining claims are the Snow Storm on the south and the Sumpter on the west in part. Otherwise the claim is believed surrounded by unappropriated public domain. This is the same claim originally located on the 19th day of January, 1924, the original location notice appearing of record in Volume J at page 162 of the Records of Placer Locations of Baker County, Oregon. This claim was originally located by J. W. Duckworth as one of the Duckworth claims and was supposed to join the Snow Storm previously located by his wife, Lillie B. Duckworth, on the north (the south end of this claim being common with the north end of the Snow Storm) and is so shown upon various old plats. By mistake and inadvertence the locator of this claim appears to have picked in part the wrong subdivisions. This amended location notice is made and filed without waiver of any previous rights and fully preserving to the claimant his priority under said previous location and recording

Book P Page 362

in order to correct said error and preserve the intention of the original locator by keeping this claim contiguous to the Snow Storm.

Dated and posted on the ground this 17th day of May, 1952.

AMENDED LOCATION NOTICE OF PLACER CLAIM
(Elkhorn by Jesse Edwards)

NOTICE IS HEREBY GIVEN that the undersigned claimant, Jesse Edwards, being a citizen of the United States, over the age of 21 years, and the present owner of the mining claim hereinafter mentioned, (he having acquired by purchase and conveyance all of the rights of the original locator therein) does hereby claim by right of previous discovery and location, and this amended location notice, under and in accordance with the revised statutes of the United States, Chapter 6, Title 32, and all subsequent acts supplemental or amendatory thereto, and in accordance with the mining laws of the United States and of the State of Oregon, that certain placer mining ground or claim bearing gold, silver and other minerals, known and named as the Elkhorn Placer Mining Claim, and being as now amended particularly identified, located and described with reference to the legal subdivisions of thepublic survey as follows, to-wit:

The Northwest Quarter of the Southeast Quarterof the Southwest Quarter, and the Northeast Quarter of the Southwest Quarter of the Southwest Quarter of Section 26, Township 9 South, Range 36, E.W.M. in Baker County, State of Oregon, containing twenty acres according to the public survey.

This claim as amended is bounded on the south in part by the Albany and on the north by the Red Bank and Blue Grouse. On the east and west it is believed to be surrounded by unappropriated public domain. This is the same claim originally located on January 18, 1924. The original location notice thereof appears of record in Volume J at page 161 of the Records of Placer Locations of Baker County, Oregon. This amended location notice is made and filed without waiver of any previous rights and fully preserving to the claimant his priority under said previous location and recording as part of a program adopted for readjusting the boundaries of this claim and the adjacent Blue Grouse so as to make the same conform to the requirements of the federal mining laws and regulations and at the same time, conform, so far as possible, with the intention of the original locator thereof. As originally located the

Book P Page 364

two ten acre tracts included in the Blue Grouse do not adjoin each other but merely corner. One of these ten acre parcels (the NE¼ of the SW¼ of the SW¼) is now included as part of this location in lieu of the NE¼ of the SE¼ of the SW¼ which is believed of less value for mining purposes and has accordingly been left vacant.

Dated and posted on the ground this 17th day of May, 1952.

Of ANNUAL LABOR ON MINING CLAIMS

STATE OF OREGON)
ss
County of Baker)

I, Leslie C. Richards, being first duly sworn, depose and say, that I am a citizen of the United States and more than twenty-one years of age, residing in Portland, Oregon, and am personally acquainted with the FOX CREEK GROUP NO. 1 Mining Claim situated in the Connor Creek Mining District, Baker County, Oregon. The location notice of said claim is recorded in the Records of Placer Locations in Book N, page 249, of the County Clerk of Baker County, Oregon.

That one hundred dollars' worth of labor was performed and improvements made on said claim between the third and the twenty-first days of June 1952, by R. P. Wavrick, a miner, residing in Baker County, Oregon. Such expenditures were made at the expense of myself and H. Ferrel Anderson of Baker, Oregon, for the owners of said claim, for the purpose of complying with the laws of the United States and the State of Oregon pertaining to annual assessment work.

Said labor, so performed and improvements so made being the timbering and lagging of the existing tunnel and the driving of said tunnel four feet additional into limestone rock in place.

Leslie C. Richards

PROOF OF LABOR FOR FISCAL YEAR 1951-2
(Jesse Edwards on Three Cent No. 1, et al
Placer Claims - Corey & Meadows Group)

STATE OF OREGON)
)ss:
County of Baker)

I, Jesse Edwards, being first duly sworn, on oath depose and say:

That I am the owner of the mining claims hereinafter described and have personal knowledge of all the facts herein set forth. That the claims for which this proof of labor is filed and upon and for the benefit of which the labor and improvements hereinafter mentioned were performed and made during the fiscal year beginning at 12:00 o'clock Meridian July 1, 1951 and ending at 12:00 o'clock Meridian July 1, 1952, are that certaingroup of placer mining claims commonly known as the Corey and Meadows Group situated in Sections 26 and 35, Township 9 South, and in Section 2, Township 10 South, Range 36, E.W.M. in what are known as Three Cent and Buck Gulches in Baker County, State of Oregon. The names of said claims and the volumes and pages of the records of placer locations of Baker County, Oregon where the respective location notices and amended location notices thereof are recorded, being as follows:

NAME OF CLAIM	BOOK	PAGE
1 - 3 Cent #1, Original location notice	I	39
Amended location	P	348-9
2 - 3 Cent #2, Original location notice	I	40
Amended location notice	P	350-1
3 - Slide, Original location notice	I	613
4 - Silver Fox, location notice	I	613
5 - Deep Creek, original location	I	446
Amended location	P	352-3
6 - Hidden Channel, original location	I	357
Amended location	P	354-5
7 - Lone Spring, original location	I	445
Amended location	P	356-7
8 - Big Butte	I-	448
9 - Bear Flat	I	448
10- Snow Storm, original location	I	454
Amended location	P	360-1
11-Sumpter	J	164
12- Omaha, original location	J	162
amended location	P	361-2
13- Granite	J	164
14- Eureka	J	163
15- Little Buck	J	163

Book P Page 397

Name of claim	Book	Page
16 - Portland	J	163
17 - Albany	J	162
18 - Blue Grouse, original location	I	627
amended location	P	365-6
19 - Elkhorn, original location	J	161
amended location	P	363-4
20 - Bed Rock, original location	I	627
21 - Red Bank	I	628
22 - Slide Rock	L	270
23 - Outlet	I	627

That all of said placer mining claims comprising the Corey and Meadows Group are contiguous to each other, lie in one compact body and have been and are held and worked as one placer mining operation, pusuant to a plan or program for the common development, working and operation of allthereof and that the labor and improvements hereinafter set forth,although performed upon only a part of the claims included in said group, have tended to and did develop each and all of the claims included therein. That during the said fiscal year development work and mining operations were prosecubed upon the said Corey & Meadows Group as follows:

(a) Tom Hoare, lived upon the property and worked continuously during the period from October 1, 1951 to approximately June 1, 1952. During that period he cleaned out the ditches and made repairs to the spillway and flume and made repairs to the buildings and other improvements. During the mining season while water was available he actually placered for approximately thirty days during the month of May.

(b) Vern Wilkensen who was upon the property and worked continuously from April 15th until approximately June 1st. He assisted in cleaning out the ditches and working on the spillway and flume and in the actual mining operations.

(c) I myself made numerous trips to the property, assisted in various of the repair work and other operations being conducted thereon.

That such labor and improvements were of a combined value considerably in excess of $2300.00, the amount required by law to hold the twenty-three claims in said group above mentioned during such fiscal year and that the said labor and improvements tended to and did improve and develop the property to at least that amount.

Book P Page 400

That all of said labor and improvements were actually performed upon the mining claims excepting for a portion of the ditch work, and that as regards such ditches, they are improvements designed exclusively to serve and furnish water to the said mining claims and constructed for the development and operation thereof.

That all of said labor and improvements were proper items to be considered as annual assessment work or improvements for patent upon each and all of said claims in the said Corey and Meadows Group.

Subscribed and sworn to before me this 25th day of June, 1952.

PROOF OF LABOR FOR FISCAL YEAR 1951-2
(Anthony Brandenthaler on Anthony Nos.
1 to 8 inclusive Placer Claims)

STATE OF OREGON)
County of Baker) ss:

I, Anthony Brandenthaler, being first duly sworn on oath depose and say:

That I am one of the co-locators of the mining claims hereinafter mentioned and I have personal knowledge of all the facts herein set forth. That the claims for which this proof of labor is filed and upon and for the benefit of which the labor and improvements hereinafter mentioned were performed and made during the fiscal year beginning at 12:00 o'clock Meridian July 1, 1951 and ending at 12:00 o'clock Meridian July 1, 1952, are situated on Virtue Flat in Baker County, State of Oregon, the names of said claims and the volume and pages of the Records of Placer Locations of Baker County, Oregon, where the respective location notices thereof are recorded being as follows:

NAME OF CLAIM	BOOK	PAGE
ANTHONY NUMBER 1 PLACER MINING CLAIM	O	341
ANTHONY NUMBER 2 PLACER MINING CLAIM	O	340
ANTHONY NUMBER 3 PLACER MINING CLAIM	O	342
ANTHONY NUMBER 4 PLACER MINING CLAIM	O	343
ANTHONY NUMBER 5 PLACER MINING CLAIM	O	345
ANTHONY NUMBER 6 PLACER MINING CLAIM	O	344
ANTHONY NUMBER 7 PLACER MINING CLAIM	O	421
ANTHONY NUMBER 8 PLACER MINING CLAIM	O	473

That all of said placer mining claims above described, together with certain patented land lying between or adjacent to the said unpatented locations, constitutes one large scale placer mining or dredging project which is being developed and will be worked by means of one mining plant. That a continuous body or pay streak of placer gravel bearing gold, silver and other minerals in paying quantities extends through and beneath all of

the claims and property included in said project, including specifically the placer claims above described and covered by this proof of labor. That during the said entire fiscal year from July 1, 1951 until June 30, 1952, one man was employed continuously at a salary of $100.00 per month in prospecting and minor mining and testing operations and in caring for the improvements upon said property, looking toward the actual resumption of large scale operations thereon as and when economic conditions permit the resumption of such operations upon a profitable basis. That the sum of $1200.00 has been actually expended thereon and that the labor and improvements so performed were reasonably worth that amount and that such expenditures are, under the circumstances, proper expenditures to be considered as annual assessment work upon the said unpatented claims above designated.

BAKER COUNTY CLERK
BAKER, OREGON

PROOF OF LABOR FOR FISCAL YEAR 1951-2
(Anthony Brandenthaler on Winterville Placer Mine - Carranza, et al claims)

STATE OF OREGON)
County of Baker) ss:

I, Anthony Brandenthaler, being first duly sworn, on oath depose and say:

That I am the lessee and operator of all the mining claims hereinafter described by virtue of certain leases and options thereon excepting the Winterville No. 2 and Black Beauty Extension and am the outright owner of said two claims. That I have personal knowledge of all the facts herein set forth with relation to the performance of the labor and improvements hereinafter mentioned. That the claims for which this proof of labor is filed and upon and for the benefit of which the labor and improvements hereinafter mentioned were performed and made during the fiscal year beginning at 12:00 o'clock Meridian, July 1, 1951 and ending at 12:00 o'clock Meridian July 1, 1952, are commonly and collectively known as the Winterville Placer Mine, situated in Baker County, State of Oregon, and lying along or in the vicinity of Winterville and Bennett Creeks, the names of said claims and the volumes and pages of the records of placer locations of Baker County, Oregon where the respective location notices and/or amended location notices thereof are recorded being as follows:

That the said placer mining claims above described, together with certain patented lands lying between or adjacent to the said unpatented claims constitute one large scale placer mining operation which covers several miles of continuous mining land lying along or in the vicinity of Winterville and Bennett Creeks and that a continuous body or pay streak of placer gravel bearing gold, silver and other minerals in paying quantities extends through and beneath all of the claims and properties in said group of claims above described and covered by this proof of labor. That all the mining claims and property above described, excepting only the said Winterville No. 2 and Black Beauty Extension are now owned by

Page 2.

J. R. Dodson and wife and now are and for many years have been held and worked as part of one large placer mining operation. That the said Black Beauty Extension and Winterville No. 2 are recent locations lately made and added to the group by myself and associates. That during such fiscal year and particularly during the period from July 30th, 1951 to the month of November, 1951 (when snow and weather conditions forced a shut down) and resuming on about April 1st and continuing up to the present time, I and my associates in said operation have, by the use of an RD7 Caterpillar tractor and other equipment and an average crew of six men, been engaged in work upon said property which work has consisted in repair of ditches, building sluice boxes and the installation of jigs and thereafter in actual placer mining operations. The actual amount expended to date for labor and supplies in said operation amounts to approximately $8,700.00, or much more than the statutory minimum of $100.00 per claim for each and all of the thirty two claims now included in said group and covered by this proof of labor. That the expenditures above mentioned represent the actual amount paid therefor and constitute the fair and reasonable value thereof and that the said work so performed and expenditures and improvements made have tended to and have developed the property to at least said amount of $8,700.00 as above set forth and are proper expenditures to be considered as annual assessment work and improvements for patent thereon. That although this proof of labor is filed as a precautionary measure upon all the claims, attention is further directed to the fact that as to all of the claims in said group excepting the two recent locations, Winterville No. 2 and Black Beauty Extension, the same have been included in an application for patent therefor which is designated as Mineral Application No. Oregon-02074 and which has been heretofore duly filed and prosecuted in the Oregon Land Office, Bureau of Land Management, United States Department of the Interior, at Portland, Oregon, and that final entry has now been duly and regularly made under such mineral application and

the purchase price of said claims duly paid. That the Registrar's final certificate of mineral entry and official receipt for the purchase price appear of record in the Deed Records of Baker County. The certificate of final entry is dated February 21st and the receipt February 1st, 1952. That under the law the obligation to perform annual labor and assessment work ceases when final entry has been made so that no annual labor was in fact required upon said portion of said claims during such fiscal year.

Subscribed and sworn to before me this 30th day of June, 1952.

Notary Public for Oregon

BAKER COUNTY CLERK
BAKER OREGON

Book P Page 461

PROOF OF LABOR FOR FISCAL YEAR 1951-2
(Anthony Brandenthaler on Monarch Marble Extension Nos. 1 to 4 Placer Claims)

STATE OF OREGON)
County of Baker) ss:

I, Anthony Brandenthaler, being first duly sworn on oath depose and say:

That I am one of the co-locators and co-owners of the mining claims hereinafter mentioned and have personal knowledge of all the facts herein set forth. That the claims for which this proof of labor is filed and upon and for the benefit of which among other property the labor and improvements hereinafter mentioned were performed and made during the fiscal year beginning at 12:00 o'clock Meridian July 1, 1951 and ending at 12:00 o'clock Meridian, July 1, 1952, are situated along or in the vicinity of Marble Creek in no organized mining district in Baker County, State of Oregon, the names of said claims and the volume and pages of the Records of Placer Locations of Baker County, Oregon, where and/or amended location notices
the respective location notices/thereof being/as follows:

NAME OF CLAIM		BOOK	PAGE
MONARCH MARBLE EXTENSION NO. 1	Original location	O	480
	Amended location	O	494-5
MONARCH MARBLE EXTENSION NO. 2		O	481
MONARCH MARBLE EXTENSION NO. 3		O	496
MONARCH MARBLE EXTENSION NO. 4		O	497

That all of said placer mining claims above described, together with a certain patented placer (the Monarch Marble, Mineral Survey No. 261, Lot No. 37) which lies adjacent to and is surrounded by the said unpatented claims, constitute one large scale limestone or cememt project which is being developed as one operation and will be worked by means of one mining plant and reduction works. That a continuous body or deposit of limestone extends through and beneath all of the claims and property included in said project, including specifically the unpatented placer claims above described and covered by this proof of labor. That during the said fiscal year and at intervals from about August 1, 1951 down to this date, work has been performed upon or

for the benefit of the said claims by use of an RD7 Caterpillar tractor and dozer and a crew of three men, such work consisting of constructing a road to the said limestone deposit and cleaning the quarry preparatory to the commencement of actual mining and quarrying operations. That the sum of at least $1500.00 was actually expended for labor, material and supplies in connection with such improvements and development work and that the labor and improvements so performed actually tended to and did improve the said limestone project, including specifically the unpatented claims covered by this proof of labor, to at least that amount. That the road upon which a portion of said work was done is a road leading exclusively to and ending upon the said mining claims and constructed exclusively for the working thereof and serving no other property. That all of said labor and improvements under the circumstances are proper items to be considered as annual assessment work or improvements for patent upon each and all of said mining claims.

PROOF OF LABOR FOR FISCAL YEAR 1951-2
(J. A. Gilzean on Madre Group, et al
Placer Claims)

STATE OF OREGON)
County of Baker) ss:

I, J. A. Gilzean, being first duly sworn on oath depose and say:

That I am one of the members of the co-partnership of Deer Creek Placers and that said co-partnership is the holder of a certain mining lease and option entered into with Warren Mac Donald and his associates covering the mining claims hereinafter mentioned. That I have personal knowledge of all the facts herein set forth. That the claims for which this proof of labor is filed and upon and for the benefit of which the labor and improvements hereinafter mentioned were performed and made during the fiscal year beginning at 12:00 o'clock Meridian July 1, 1951, and ending at 12:00 o'clock Meridian, July 1, 1952, are situated along or in the vicinity of Deer Creek in Sections 30, 31 and 32, Township 9 South, Range 38, E.W.M., the names of said claims and the volumes and pages of the records of placer locations of Baker County, Oregon, where the respective location notices and/or amended location notices thereof are recorded, being as follows:

NAME OF CLAIM		BOOK	PAGE
1. Madre Group		M	546
2. Pioneer		M	548
3. Swan		M	507
4. Blue Bird		M	443
5. Oro Plata #5		P	258
6. Dove	Original location	M	441
	Amended location or relocation	M	548
7. Oro Plata #4		P	257
8. Gold Bank		M	444
9. Second Gold or Gold Bank #2		M	547
10. Golden Horn		M	546
11. Oro Plata #3		P	256
12. Oro Plata #1		P	254
13. Oro Plata #2		P	255
14. White Bird	Original location	M	444
	Amended location	M	547
15. Eagle	Original location	M	442
	Amended location	M	547
16. Return		P	259

That the locations listed above are in many cases, in fact amendments of earlier locations bearing the same or other names. That the ground covered by such locations or the greater portion thereof has been held by Warren MacDonald and his associates since 1934. Since that time, although various amendments or relocations have been made under various names, the area in question has been held without interruption by the same group of people. That a detailed study and title analysis will hereafter be made, following which the various claims will be fit into their proper place in the pic ture and the continuity thereof run down and established. Pending the completion of such analysis, I hereby give notice that all the ground held by Warren MacDonald and his associates is being maintained and kept alive whether included within the description of the above claims or not. That in addition to the above claims, I direct attention specifically to the following early locations which it may develop are not merged in later locations and which may at the end of the chapter be held and maintained as separate individual claims:

NAME OF CLAIM	BOOK	PAGE
Hard Luck Special	K	329
Dry Gulch	K	329
Hidden Treasure	K	331
Belknap	K	332

That all of the said mining claims comprising the group held by Warren MacDonald and his associates are contiguous to each other and constitute one continuous body of mining ground lying along or in the vicinity of Deer Creek and that a continuous body or pay streak of placer gravel bearing gold, silver and other minerals in paying quantities extends through and beneath said entire group of claims. They now are and for many years have been held and worked as part of one large scale placer mining operation. That all of said claims are as aforesaid owned by the same group of individuals, Warren MacDonald and his associates. That during such fiscal year

and particularly the period from July 20, 1951 to June 30th, 1952 (with a seasonable shut-down during the winter months), I and my associates in said Deer Creek Placers have maintained an average crew of three men engaged in development work and mining operations upon the said group of claims. That J. W. Dawson has been employed steadily throughout the operation and that Rimbol Young has also been employed during most of the time. Other employees have been seasonable and/for varying periods. At some times the crew has run have worked as high as eight or nine men. During such period we have spent approximately $12,000.00 exclusive of the purchase of pipe and similar equipment and including labor and materials upon said property. That such work has consisted of building roads, constructing flume, repairing ditches, installing pipe line and then during approximately two and a half months during the spring of 1952 and up to June 30th, actual placer mining operations have been in progress. That said work has been performed in various places upon the said property and the expenditures above mentioned represent the actual amount paid therefor by the said Deer Creek Placers and constitute the fair and reasonable value thereof and that said work so performed and expenditures and improvements made have tended to and have developed the property to at least said amount of $12,000.00 as above set forth and that all thereof are proper expenditures to be considered as annual assessment work and improvements for patent thereon. Such expenditures as aforesaid amount to a great deal more than the statutory minimum of $100.00 per claim for each and all of the claims included in said group, regardless of how the same may be ultimately named or held, or established.

J. W. Gilgean

Book P Page 514 ASBESTOS

Notice of Quartz Location

NOTICE IS HEREBY GIVEN, That C B Fisher and Frank Boyd the undersigned citizens of the United States of America, conforming to the mining laws thereof and of the State of Oregon, and the local rules, regulations and customs of miners, has this 1st day of August, A. D. 1952, located and do claim 2700 ft hundred linear feet on this lead, lode or vein bearing mineral in place, by 2400 hundred feet in width, the same being 1200 feet on each side of the center thereof, together with all dips, spurs and angles, and all other veins or lodes, the top or apex of which lie within said boundaries.

This location is named the ASBESTOS Lode or Mine and is situated in GREENHORN Mining District, BAKER County, State of Oregon.

This claim is situated on SNOW CREEK AS BOARDS, NORTH OF THE OLD EAGLE MINE CLAIMS 2-0 WEST OF THE DISCOVERY MONUMENT POST

and the discovery monument upon which this notice is posted is situated about 200 feet in a EASTERLY direction from SNOW CREEK
(Give reference to some natural object or permanent monument in the vicinity)
FOME POST ON WEST SIDE OF SNOW CREEK RUNNING SNOW CREEK 2400 FT IKA NORTELY and SOUTHERLY DIRECTION

This lead, lode or vein extends 2400 feet in a EASTERLY direction and 600 feet in a WESTERLY direction from the discovery monument and the claim is bounded and described as follows: Commencing at the CROSS A NO WC REF center end monument which is situated 300 feet in a WESTERLY direction from the discovery monument; running thence in a NORTHERLY direction 1200 feet to the N WEST corner monument; thence in a EASTERLY direction 1300 feet to the WEAST corner monument; thence in a SOUTHERLY direction 600 feet to the SOUTHERLY center end monument; thence continuing in a 1200 EAST direction 1300 feet to the S EAST corner monument; thence in a WEST direction 2700 feet to the SOUTHWESTERLY corner monument; thence in a NORTHERLY direction 1200 feet to the said NORTHERLY center end monument, the place of beginning.

The adjoining claims are NORTHERN GOLDEN EAGLE MINE

All of the aforesaid monuments are substantial posts projecting not less than three feet above the surface of the ground and are not less than four inches in diameter; or are substantial mounds of stone, or earth and stone, at least two feet in height; to-wit: one such post or mound at each corner and one at the center ends of the claim.

DOCUMENT 35640 RECORDED Aug 6 1952

Elisa A. McLaren Deputy

Book P Page 516

PROOF OF LABOR FOR FISCAL YEAR 1951-52
(Leslie C. Richards on Butchart Group No. 1, et al, Placer Claims and Idaho, et al, quartz claims - Connor Creek Group)

STATE OF OREGON)
) ss:
County of Baker)

I, Leslie C. Richards, being first duly sworn, on oath depose and say:

That I am a mining engineer employed by Frank Butchart, the owner of the mining claims hereinafter mentioned, and his associates to perform certain engineering, and other work thereon, and have been in charge of the operations hereinafter mentioned upon the mining claims herein described and have personal knowledge of all the facts set forth in this proof of labor. That the claims for which this proof of labor is filed and upon or for the benefit of which the labor and improvements hereinafter mentioned were performed and made during the fiscal year beginning at 12:00 o'clock Meridian, July 1, 1951 and ending at 12:00 o'clock Meridian, July 1, 1952, are that certain group of placer and quartz mining claims commonly known as the Connor Creek Group and are situated along or in the vicinity of Connor Creek, a tributary of the Snake River, in Sections 27, 28, 33 and 34, Township 11 South, Range 45, E.W.M. near Home, in Baker County, State of Oregon. That the names of the placer claims included in said group and the volumes and pages of the Records of Placer Locations of Baker County, Oregon where the respective location notices thereof are recorded, are as follows:

NAME OF CLAIM	BOOK	PAGE
1. Butchart Group #1 Placer Mining Claim	P	104
2. Butchart Group #2 Placer Mining Claim	P	105
3. Butchart Group #3 Placer Mining Claim	P	134

That all of said mining claims,both quartz and placer, are contiguous to each other, lie in one compact body and have been and are held and worked as one large mining operation pursuant to a plan or program for the common development and operation of all thereof. That a common deposit of limestone and other minerals extends through and beneath all of such claims and in some instances the placer and lode claims above described overlap and as now advised, it is believed that if and when application for patent is made, the lode claims will probably be declared merged in the placers or abandoned and the ground held and appropriated under the placer locations as development work to date would appear to indicate that the deposit is, for the greater part at least, to be properly located and held as placer rather than lode. It is desired, however, to keep all claims, both lode and placer in the group in force at the present time pending the completion of development and prospecting work thereon. That it is proper to do so under the circumstances in view of the fact that all claims

are in common ownership and the development work performed thereon is amply sufficient to cover all locations, both quartz and placer. Reference is made to the original and supplemental proofs of labor for the fiscal year 1950-51 for details regarding the development work performed upon the ground up to October 15, 1951. That during the period between the dates of October 16, 1951 and June 30th, 1952, development work was continued upon the property upon substantially the same scale and by substantially the same crew as shown in the original proof of labor. During such period I have maintained an average crew of five men upon the property including myself. The work has been done at various places upon the property, largely however, upon the area included within the placer claims. The nature and value of the various items of work were generally as follows: Road work with bulldozer, $880.00 (This portion of the work was done exclusively upon roads designed to provide access to the said mining claims and aid in the development thereof and leading to no other property); Sampling, $161.71; diamond drilling, $8700.65 - Total - $9748.36. That the drilling work was also done as a part of a detailed development and testing program designed to prove out and demonstrate the extent and values of the limestone deposit and that the sums above set forth represent the actual amount paid for labor and improvements by Frank Butchart and his associates and that said labor and improvements tended to and did actually develop the said claims to at least that extent and were reasonably worth the respective amounts above set forth. That all of said expenditures will constitute proper items to be considered as annual assessment work and improvements for patent upon each and all of said claims, both quartz and placer. That the owner of said claims, Mr. Butchart, elects and desires to credit and claim the benefit of said improvements in excess of the minimum assessment work requirements upon the placer claims so as to qualify the same for patent because it is believed, as stated, that it will probably ultimately be determined that the ground is more properly to be held as placer and patented in that

manner and in any event, development work has been done upon the lode claims in previous years to an extent much more than that required for patent purposes.

AMENDED LOCATION NOTICE OF PLACER CLAIM
(Nettie by Frank Butchart)

NOTICE IS HEREBY GIVEN That the undersigned claimant, Frank Butchart, being a citizen of the United States, over the age of 21 years, and the present owner of the mining claim hereinafter mentioned, (he having acquired by purchase and conveyance all of the rights of the original locator therein), does hereby claim, by right of previous discovery and location and this amended location notice, under and in accordance with the revised statutes ofthe United States, Chapter 6, Title 32, and all subsequent acts supplemental or amendatory thereto, and in accordance with the mining laws of the United States and of the State of Oregon, that certain placer mining ground or claim bearing deposits of limestone and other minerals, known and named as the Nettie Placer Mining Claim and being particularly identified, located and described with reference to the legal subdivisions of the public survey, as follows, to-wit:

> All of Lot numbered 11 (being the fractional west half of the northwest quarter of the southeast quarter) in and of Section 34, in Township 11 South, Range 45, East of the Willamette Meridian, in Baker County, State of Oregon, containing 15.86 acres more or less according to the public survey.

This claim is bounded on the east by the Winch patented placer and on the west in part by the James P. Faull Placer, patented, Mineral Entry No. 38, Lot No. 124, and in part by the Spring Placer, unpatented. It is also overlapped to some extent by the Idaho and Oregon unpatented lode claims. This is the same claim originally located on March 30, 1927, the original location notice appearing of record in Volume J at page 347 of the Records of Placer Locations of Baker County, Oregon. This amended location notice is made and filed without waiver of any previous rights and fully preserving to the claimant his priority under said previous location and recording in order to make the description of said claim conform exactly to the legal subdivisions of the public survey.

Dated and posted on the ground this 3rd day of September, 1952.

AMENDED LOCATION NOTICE OF PLACER CLAIM
(Eisenhower #2 by L. B. Moulton, et al)

NOTICE IS HEREBY GIVEN That the undersigned claimants, L. B. MOULTON, MARY A. MOULTON, SAMMY C. CORDELL, JOAN L. CORDELL, ELVA M. LAKEY, CARL HUDSON, IVAN THOMPSON, and MARY THOMPSON, being all citizens of the United States, over the age of 21 years, and the original locators of the mining claim hereinafter mentioned, do hereby claim by right of previous discovery and location, and this amended location notice, under and in accordance with the revised statutes of the United States, Chapter 6, Title 32, and all subsequent acts supplemental or amendatory thereto, and in accordance with the mining laws of the United States and of the State of Oregon, that certain placer mining ground or claim, containing limestone, building rock and other minerals, known and named as the Eisenhower #2 Placer Mining Claim, and being as now amended, particularly identified, located and described, with reference to the legal subdivisions of the public survey as follows, to-wit:

> The Southwest quarter of the Southwest quarter of Section 10, the West half of the Northwest quarter of Section 15, and the Northeast quarter of the Northeast quarter of Section 16, all in Township 12 South of Range 43, East of the Willamette Meridian, in no organized mining district in Baker County, Oregon, containing 160 acres more or less according to the public survey and being situated approximately one mile southwest of the Rye Valley Bridge at Nelson Siding.

This claim, as amended, is bounded on the east in part by the Eisenhower #1 Placer and on the North and West in part by the Cutting patented lands, otherwise the claim is believed to be surrounded entirely by unappropriated public domain. This is the same claim originally located on May 20, 1953, the original location notice thereof appearing of record in Volume P at page 589 of the Records of Placer Locations of Baker County, Oregon. This amended location notice is made and filed without waiver of any previous rights and fully preserving to the claimants their priority under said previous location and recording, in order to correct any minor errors, discrepancies or omissions appearing in the original

location notice and in order to eliminate from this claim forty acres (the Southeast quarter of the Southeast quarter of Section 9) included within the original location and now determined, upon further investigation, to be patented land and not subject to mineral location, and to include in lieu thereof an additional forty acres (the Southwest quarter of the Northwest quarter of Section 15) into which it has been determined the deposit of limestone and other minerals appropriated hereunder extends, thereby preserving the same acreage as called for in the original location.

Dated and posted on the ground this 12th day of June, 1953.

HARKER, being all citizens of the United States over the age of 21 years, and the original locators of the mining claim hereinafter mentioned, do hereby claim by right of previous discovery and location, and this amended location notice, under and in accordance with the revised statutes of the United States, Chapter 6, Title 32, and all subsequent acts supplemental or amendatory thereto, and in accordance with the mining laws of the United States and of the State of Oregon, that certain placer mining ground or claim containing limestone, building rock and other minerals, known and named as the Nelson #3 Placer Mining Claim, and being particularly identified, located and described with reference to the legal subdivisions of the public survey as follows, to-wit:

The Southeast quarter of the Southeast quarter of Section 10, the Northeast quarter of the Northeast quarter of Section 15, the Northwest quarter of the Northwest quarter of Section 14, and the Southwest quarter of the Southwest quarter of Section 11, all in Township 13 South, Range 43, E.W.M., situated in no organized mining District in Baker County, Oregon, and containing 160 acres more or less according to the public survey.

This claim is bounded on the west by the Eisenhower #1, on the north by the Nelson #2 and on the east in part by the Nelson #4 Placers. Otherwise the claim is believed surrounded by unappropriated public domain. This is the same claim originally located on May 22, 1953, the original location notice thereof appearing in Volume P at page 592 of the Records of Placer Locations of Baker County, Oregon. This amended location notice is made and filed without waiver of any previous rights and fully preserving to the claimants their priority under said previous location and recording in order to correct any minor errors, discrepancies or omissions appearing in the original location notice an d to make

Book P Page 618

it clear that this is an association claim located by eight individuals acting either in person or through their agents and representatives thereunto duly authorized. The previous location, which names all of the locators, but is signed only by "Del Dewey, Agent", is expressly ratified, confirmed and approved as the location of each and all of said eight claimants.

AMENDED NOTICE OF LOCATION OF PLACER CLAIM

NOTICE IS HEREBY GIVEN That the undersigned, John Wyant and Lyda Wyant, Citizens of the United States, over the age of twenty-one years, have this day located, under and in accordance with the Revised Statutes, Chapter Six, Title Thirty-two, the following described Placer Mining ground, viz:

> Containing 37 acres more or less, not exceeding 40 acres. Partly bound on the south by the North half of the Two Tom claim and on the north and the west by the Barnhart Claim. Located in the SE¼ of Section 3, and NE¼ of Section 10, Township 12, Range 39, E.W.M. Situated on Pine Creek, Beginning at SW corner and running in an easterly direction 1320 ft. to SE corner post, thence in a northerly direction 1520 ft. to NE corner post, thence in a westerly direction 600 ft. to NW corner post, thence in a southerly direction 1320 ft. to stake, thence 600 ft. to NW corner post, thence 200 ft. in a southerly direction to place of beginning.

Situated in no organized Mining District, County of Baker, State of Oregon, and known as the BIG JINKS Placer Mining Claim. And we intend to hold and work said claim as provided by local customs and rules of Miners and Mining Statutes of the United States.

This Amended Location is made for the purpose of correcting an error made in the recording of the original location notice wherein Township was recorded as Township 2, whereas the original notice correctly designated the Township as 12. Said original notice was made July 5, 1923, by G. B. Darr and R. A. Darr and recorded on July 7, 1923, in Book J, Page 118, Record of Placer Locations of Baker County, Oregon.

Dated on the ground this 24th day of June, 1953.
