Mr. Dayne Doucet
Consolidated Mining Permit Lead
Oregon Department of Geology and Mineral Industries
Mineral Land Regulation & Reclamation
229 Broadalbin St SW
Albany, Oregon 97321

**RE: Submittal of HDR Powerline Design Report: Calico – Grassy Mountain 34.5kV
Line, April 30, 2021**

Dear Mr. Doucet:

This letter accompanies the submission of the above-referenced report in support of the Grassy Mountain Mine Consolidated Permit Application (CPA). The report will be included in the CPA as Appendix C6, and subsequent appendices will be renumbered. This letter and report were uploaded today to DOGAMI's file transfer site.

Please contact me at (775) 625-3600, glen@paramountnevada.com, if you have questions or need clarification.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Glen van Treek', is written over a horizontal line.

Glen van Treek
