RE: Submittal of Revised *Inventory of Project Monitoring Plans*, Appendix D11 to the Consolidated Permit Application (CPA), Grassy Mountain Mine Project

Dear Mr. Doucet:

This letter accompanies the submittal of the revised *Inventory of Project Monitoring Plans* (Appendix D11 to the CPA), uploaded to DOGAMI's file share system today. The revision includes the *Noise Monitoring Plan* in Table 1.

The revised CPA appendix tracking spreadsheet is also provided. Calico 2021 and 2023 document citations and references have been adjusted in the CPA as shown in the spreadsheet and will be included in the final CPA submittal.

Please contact me at (775) 625-3600, glen@paramountnevada.com if you have questions or need clarification.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Glen van Treek', is written over a horizontal line.
