File No: ENF-8695

Notice of Proposed Action
(Post-seizure Notice)

And Opportunity for a Hearing

Pursuant to the Abandoned or Derelict vessel statutes in ORS 830.908 to 830.948 and 274.366, the Department of State Lands (hereinafter the Department) has seized the abandoned or derelict vessel referenced in this notice per the applicable provisions in ORS 830.908 through 830.948 as more particularly set forth below. In support of the proposed action, the Department asserts as follows:

I. AUTHORITIES

The Legislature has authorized enforcement agencies to investigate and seize vessels that are abandoned or derelict (ORS 830.908 to 830.948). The Department is an enforcement agency authorized to enforce the Abandoned and Derelict Vessel laws (ORS 830.908(4), 274.366), including seizing abandoned or derelict vessels. The Department's address and telephone number are:

Department of State Lands

An enforcement agency may seize a vessel if the agency has probable cause to believe that the vessel is abandoned or derelict vessel, and the owner fails to correct the issues identified in the agency's notice (ORS 830.911). In some situations, an enforcement agency may immediately seize the vessel, board the vessel, or take other actions as authorized by ORS 830.911.

At any time before the date specified in this Notice, the owner may immediately reclaim a seized vessel by (a) Paying all costs incurred by the enforcement agency in salvaging, towing and storing the vessel; and (b) Establishing to the satisfaction of the enforcement agency that the owner is able to move the vessel to a place where the vessel can be lawfully kept (ORS 830.933).

If a vessel is seized and not reclaimed in the manner provided by this Notice, title to the vessel and all contents of the vessel vests in the enforcement agency, and the enforcement agency may sell or otherwise dispose of the vessel and the property (ORS 830.933(2)).

The owner has a right to a hearing. If a hearing is requested, the hearing must be held within seven business days of the request. Statute sets out further requirements for the hearing (ORS 830.936).

A request for a hearing after a seizure must be in writing and submitted to the enforcement agency no more than 10 business days after the notice is given. The request must include a statement of the specific grounds on which the seizure is challenged, and whether the owner challenges the reasonableness of any salvage, towing or storage costs incurred by the enforcement agency (ORS 830.931(4)). If the owner requests a pre-seizure hearing under ORS 830.918(5), the owner may request a post-seizure hearing only for the purpose of challenging the reasonableness of any salvage, towing or storage costs incurred by the enforcement agency (ORS 830.931(5)).

If the owner requests a hearing but fails to appear at the hearing, the enforcement agency will proceed with the proposed action and the owner may be precluded from any further hearings on the matter (ORS 830.936).

Not less than 30 days after seizing a vessel, the enforcement agency may sell or destroy the vessel. The owner of a vessel shall be responsible for all costs arising out of salvage, towing, storage, and disposal of the seized vessel (ORS 830.938).

A vessel owner who fails to comply with a notice issued under ORS 830.918 or an order issued under ORS 830.936 may be found guilty of the offense of failure to remove an abandoned vessel or possession of a derelict vessel, both Class A violations (ORS 830.944 and ORS 830.990(9)).

II. FACTUAL ALLEGATIONS

1. The vessel *OR 974 FE* is a 26' sailboat manufactured in 1972 by Columbia (HIN# 1452) ("Vessel").
2. Terry Bristow is listed as the owner of the Vessel in the records of the Oregon State Marine Board.
3. At the time of seizure, the vessel was drifting down the Columbia River unmanned near the Interstate Bridge (I-5). Portland Fire Department seized the boat April 1, 2025 as derelict and presenting a hazard to navigation or an imminent threat to public health or safety per ORS 830.923.
4. The Vessel was secured at Oregon Tackle Marina by Portland Fire to prevent it from doing more damage on the water.
5. An attempt was made to contact Terry Bristow by phone via the telephone number on record with the Oregon State Marine Board on April 7, 2025, but there was no answer.
6. As the agency that implements Oregon's statewide Abandoned and Derelict Vessel Program (ORS 274.366), the Oregon Department of State Lands is taking over as the enforcement agency in this case.

III. CONCLUSIONS OF LAW

Based on the foregoing and pursuant to the authority cited above, the Department was authorized to seize the Vessel as abandoned and derelict, pursuant to ORS 830.923. Title and ownership of Vessel and all contents of the Vessel shall be vested with the Department on **May 10, 2025 at 5:00PM**. After this date, the Department is authorized to sell or otherwise dispose of the Vessel and the property pursuant to ORS 830.933(2).

Terry L. Bristow is the owner of Vessel as defined in ORS 830.908 and therefore shall be liable to the Department for costs arising out of salvage, towing, storage, and disposal of Vessel, pursuant to ORS 830.938, which we estimate could approach **\$10,000**. If the Department's costs exceed this amount, the Department shall provide the owner with an updated notice of the Department's costs.

IV. RIGHT TO RECLAIM VESSEL

An owner may reclaim the Vessel by:

- (a) paying all costs incurred by the Department in salvaging, towing, and storing the Vessel, and
- (b) establishing to the satisfaction of the Department that the owner is able to move

the Vessel to a place where it can be lawfully kept. An owner may reclaim the Vessel by completing the above-described steps and moving the Vessel to a location where it can be lawfully kept by **May 10, 2025 at 5:00PM**.

If an owner does not reclaim the Vessel as provided above and move it to a location where it can be lawfully kept, the title and ownership of Vessel and all personal property found on the Vessel will be vested with the Department of State Lands. The Department may then sell or otherwise dispose of the Vessel and property pursuant to ORS 830.933(2). The Department may also pursue cost recovery efforts against the owner for the Department's costs to salvage, tow, store and dispose of the Vessel.

V. RIGHT TO HEARING

An owner who is provided post-seizure notice has a right to a hearing on the post-seizure notice. A request for a hearing must be in writing and submitted to the Department no more than 10 business days after the post-seizure notice is given. A request for a hearing must be submitted before **April 24, 2025 at 5:00PM**. An owner may mail a request for a hearing to:

Department of State Lands
775 Summer Street NE, Suite 100
Salem, OR 97301
503-986-5200
dsl.waterways@dsl.oregon.gov

The request must include a statement of the specific grounds on which the seizure is challenged, and whether the owner challenges the reasonableness of any salvage, towing, or storage costs incurred by the Department (ORS 830.931(4)). If an owner requested a pre-seizure hearing under ORS 830.918(5), that owner may request a post-seizure hearing only for the purpose of challenging the reasonableness of any salvage, towing or storage costs incurred by the Department (ORS 830.931(5)).

If an owner submits a timely request for a hearing, the Department must set a time for the hearing that is no more than seven business days after receiving the hearing request. The Department will notify the owner of the time and the place of the hearing. The owner will also be given information on the procedures, right of representation, and other rights of parties relating to the conduct of the hearing before commencement of the hearing. If the owner's request for a hearing is not received by the Department within 10 business days or if the request otherwise fails to comply with the requirements of ORS 830.936, ORS 830.918, and ORS 830.931, then the owner's right to a hearing shall be considered waived.

VI. FINAL ORDER BY DEFAULT

If a request for a hearing is not submitted within 10 business days of the notice, or if an owner requests a hearing and then either withdraws the hearing request or fails to appear at a scheduled hearing, and does not otherwise reclaim and move the Vessel, this Notice becomes a final order by default, and the title to the Vessel and personal property will vest in the Department. The owner of the Vessel will be responsible for all costs arising out of salvage, towing, storage, and disposal of the Vessel. If this Notice becomes a final order by default, the Department designates its file on this matter, including any materials submitted by an owner that relate to this matter, as the record for purposes of proving a prima facie case.
