

2024 LIBRARY SERVICES AND TECHNOLOGY ACT (LSTA) FEDERAL GRANT FUNDS AT WORK

Oregon's Congressional District 1

IMPROVING ACCESS TO INFORMATION

Clatsop Community College purchased access to an online learning platform with interactive tutorials, full-length practice exams, and career development resources that support student education and career advancement.

HONORING CULTURE AND HERITAGE

The State Library continued to host Northwest Digital Heritage, an online platform that showcases the local history collections of libraries, museums and cultural organizations. We are proud to partner with the Washington State Library and the Oregon Heritage Commission.

SUPPORTING STUDENTS, YOUTH, AND LIFELONG LEARNERS

Libraries in Clatskanie, Forest Grove, Seaside, and St. Helens hired teen interns who developed valuable work skills while helping with summer reading and other literacy programs.

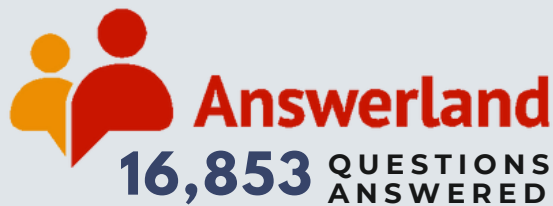

THE INTERN AT FOREST GROVE CITY LIBRARY WENT WITH THE OUTREACH TEAM TO A VARIETY OF SUMMER READING EVENTS.

The State Library and Oregon Association of School Libraries partnered to further boost access to essential research and information tools for K-12 students and educators statewide.

“OSLIS is amazing! I am currently doing my lessons on research and it's such an incredible tool.”

BUILDING STRONGER COMMUNITIES THROUGH COLLABORATION

Cedar Mill Community Library, Multnomah County Library, and Portland State University partnered with 26 other libraries to provide Answerland, a 24/7 statewide service coordinated by the State Library that connects Oregonians to librarians.

EMPOWERING LIBRARIES WITH DATA

Public libraries in District 1 used published data and tools from the State Library to assess and improve their services and better address community needs.
