

2024 LIBRARY SERVICES AND TECHNOLOGY ACT (LSTA) FEDERAL GRANT FUNDS AT WORK

Oregon's Congressional District 5

IMPROVING ACCESS TO INFORMATION

Clackamas Community College, Linn-Benton Community College, and Portland Community College purchased access to an online learning platform with interactive tutorials, full-length practice exams, and career development resources that support student education and career advancement.

HONORING CULTURE AND HERITAGE

The State Library continued to host Northwest Digital Heritage, an online platform that showcases the local history collections of libraries, museums and cultural organizations. We are proud to partner with the Washington State Library and the Oregon Heritage Commission.

SUPPORTING STUDENTS, YOUTH, AND LIFELONG LEARNERS

The State Library and Oregon Association of School Libraries partnered to further boost access to essential research and information tools for K-12 students and educators statewide.

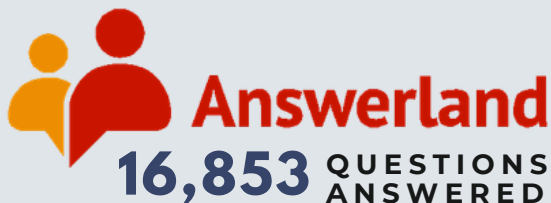

"OSLIS is amazing! I am currently doing my lessons on research and it's such an incredible tool."

Canby Public Library hired a teen intern who developed valuable work skills while helping patrons learn to use the library's new 3D printers.

BUILDING STRONGER COMMUNITIES THROUGH COLLABORATION

Clackamas Community College and Portland Community College partnered with 27 other libraries to provide Answerland, a 24/7 statewide service coordinated by the State Library that connects Oregonians to librarians.

EMPOWERING LIBRARIES WITH DATA

Public libraries in District 5 used published data and tools from the State Library to assess and improve their services and better address community needs.
