OBMI PROPOSED RULEMAKING

Rulemaking Calendar: 2026

January 23, 2026: Proposed rulemaking for a new rule for creating a pathway for students, trainees or health care practitioners to gain advanced experience and training for non-ionizing radiation modalities.

PLEASE NOTE:

For rulemaking that the Board has in process or future rulemaking the components of rulemaking will be available on the site when it becomes available. Potential fiscal impact of the proposed rule; summary of the proposed rule; FAQ documents pertaining to the rulemaking; and minutes or recordings from rulemaking meetings will be published on this site. All comments received regarding rulemaking will be posted on this site for public transparency.
