2026 Oregon Brand Book

The web edition of the 2026 Oregon Brand Book contains all currently registered cattle, sheep, and horse brands as of March 18, 2026.

If you know the alphabetical letter the brand begins with, you can go directly to the brand section. If you are uncertain of the brand, but know the owner's name, begin with the owner section of the book. After you locate the brand owner name and page number, you can go to the correct brand section.

The brand section of the book contains designs in a "brandabetical" order. This order is determined by the alphabetical description of the brand. Brand designs are read left to right, top to bottom and then outside in.

- Alphabetical character brands (A through Z) are shown on pages 1 through 241.
- Number character brands (2 through 9) are shown on pages 241 through 281.
- All design character brands, such as bars, diamonds, and hearts, are listed at the end of the brand section of the book, starting on page 281.
