(Audio = 0.30:00)

Isaak Stapleton gives presentation on the LUBGWMA nitrate reduction plan and answers questions.

(Audio = 0:42:00)

Isaak Stapleton gives update on permit development. Top priority is issuing NPDES permits to new applicants and getting existing CAFO's on new permit.

WPCF permit is expiring September 30, 2025, and most likely will be administratively extended due to the workload around renewing and updating the NPDES permit.

(Audio = 0:44:00)

Isaak Stapleton gives update on CAFO manager recruitment. The management position is still unfilled after most recent recruitment process and Isaak will continue to oversee the CAFO Program.

Two positions will open after the CAFO manager is hired- Permit Writer and Livestock Water Quality Inspector.

(Audio = 0:48:00)

Isaak Stapleton opens the floor for any industry updates and public comment.
