

Note-taking Template Handout

Directions

Use a lesson from your grade band and answer these questions.

Questions	Responses
 Compare the lesson to the others in the grade band. How would you sequence the lesson plans?	
 How does the lesson plan align with the standards listed on the first page? Are there additional standards from other content areas being addressed simultaneously?	
 How is the lesson plan sensitive, not fear-based, and asset-based?	

Note-taking Template Handout

Questions	Responses
 What scaffolds might your students need to access the material?	
 What extension activities could you plan (writing assignments, disciplinary literacy)?	
 What additional resources could you include in the Resources Section that are appropriate for this grade band?
