

Special Education Compliance Contacts - Listed By School District

Please use the information in this list to contact the appropriate parties when you have questions about special education.

District Compliance Specialists serve as ODE's primary implementers of Oregon's System of General Supervision. They conduct monitoring activities to ensure districts and schools meet federal and state requirements for special education, including reviewing policies, procedures, and practices for legal alignment and consistency. ODE encourages parents and districts to resolve concerns at the local level whenever possible, but both regional and ODE contacts are available to provide additional support when needed. Special Education Compliance Contacts - Listed By School District

Please use the information in this list to contact the appropriate parties when you have questions about special education.

District Compliance Specialists serve as ODE's primary implementers of Oregon's System of General Supervision. They conduct monitoring activities to ensure districts and schools meet federal and state requirements for special education, including reviewing policies, procedures, and practices for legal alignment and consistency. ODE encourages parents and districts to resolve concerns at the local level whenever possible, but both regional and ODE contacts are available to provide additional support when needed. Special Education Compliance Contacts - Listed By School District

Please use the information in this list to contact the appropriate parties when you have questions about special education.

District Compliance Specialists serve as ODE's primary implementers of Oregon's System of General Supervision. They conduct monitoring activities to ensure districts and schools meet federal and state requirements for special education, including reviewing policies, procedures, and practices for legal alignment and consistency. ODE encourages parents and districts to resolve concerns at the local level whenever possible, but both regional and ODE contacts are available to provide additional support when needed.
