

Exiting and Resuming the ADA Curb Ramp Training Course

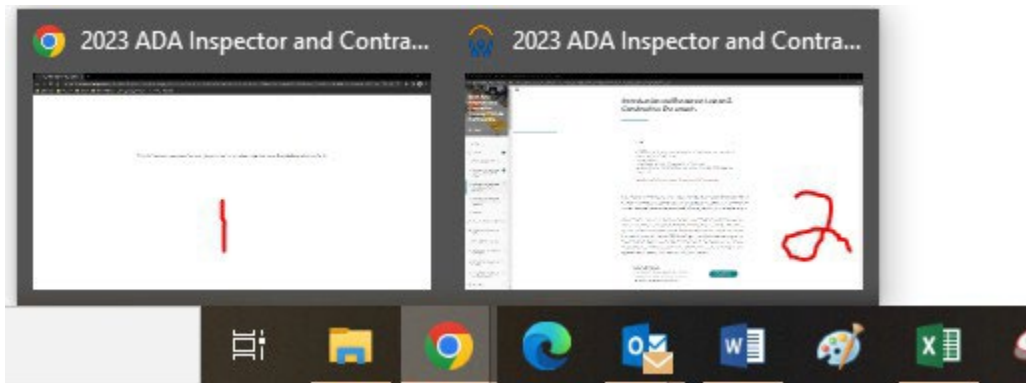

Opening links/resources for the 2023 ADA Inspector and Contractor Training

When opening the ADA course/exam, both are opened in a separate window in your web browser.

- A window is launched in your web browser. DO NOT CLOSE THIS WINDOW, or your course/exam will exit.
- Do not exit the exam or restart your computer, this has been corrupting exam results.

We launched your course in a new window but if you do not see it, a popup blocker may be preventing it from opening. Please disable popup blockers for this site.

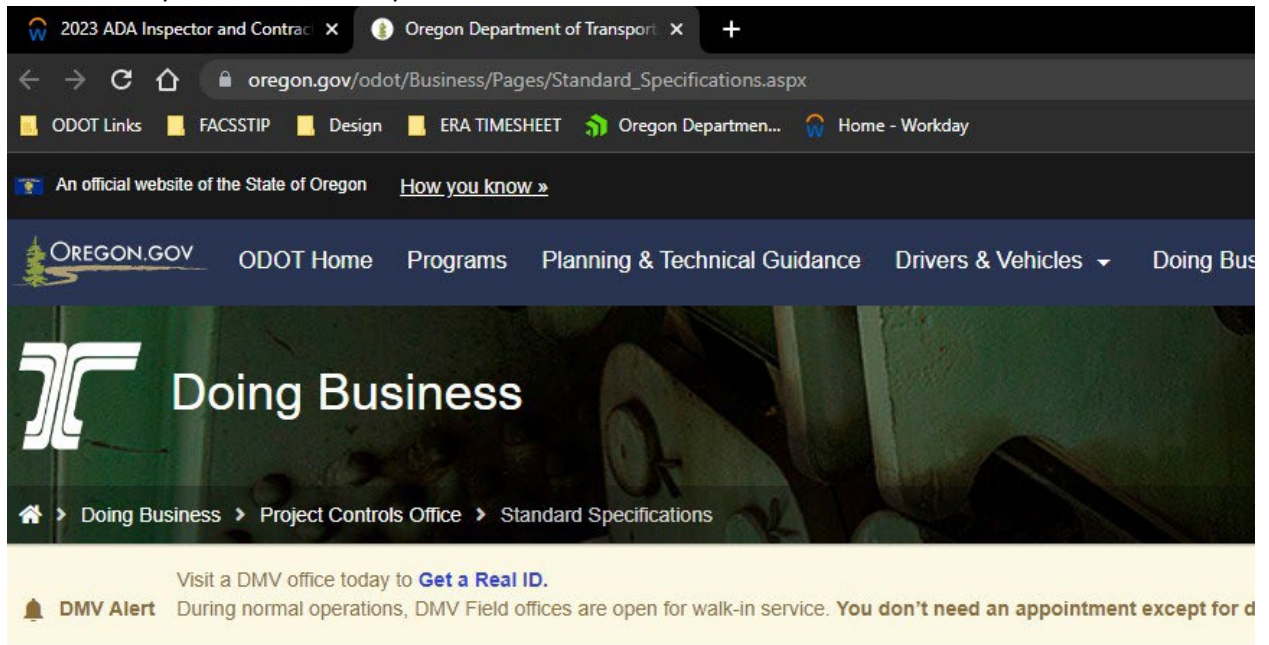

- The window 1 above is your internet browser window that you should not close. It is connected to the course which is window 2. It runs through your internet browser but is a separate program window.
- When clicking on a link/resource, a new window is opened with the link you clicked on.

Standard Specifications

This link goes to the ODOT Standard Specifications webpage where you can view the current standard specification or order a book to purchase.
