Dear Ms. Kargel:

Thank you for your letter requesting approval to use the Residential Driveway Temporary Signal statewide in Oregon. Your request is made under the provisions of Section 1B.07 of the 11th edition of the *Manual on Uniform Traffic Control Devices for Streets and Highways* (MUTCD) and our Interim Approval memorandum (IA-23) dated January 8, 2025, for the optional use of the Residential Driveway Temporary Signal.

Your request is approved. Please maintain and periodically update a list of all locations where the Residential Driveway Temporary Signal is installed and please check for any State laws and/or directives covering the application of these MUTCD provisions that might exist in the State of Oregon. Your specific approval has been assigned the following number and title: "IA-23.10 — Residential Driveway Temporary Signal – Oregon (Statewide)." Please reference this number and title in any future correspondence.

Thank you for your interest in improving road-user safety.

Sincerely yours,
